

COUNCIL MEETS

The Village Council met on Monday night, with Reeve W. C. West in the chair and Councillors Wm. Fitchett, Harper Rollins, J. E. O'Donnell and A. E. Dobbie present.

Mr. Jas. E. Lagrow, fire chief, addressed the Council requesting that a new play pipe and shut-off nozzle be purchased, the cost being approximately \$50. Also an electric lantern for the truck, to be used in making hydrant connections. Mr. Lagrow stated the present nozzles, made of brass, were dangerous, particularly in a fire where the electricity was not disconnected. The Council seemed in favour of the purchase, but adjourned before taking any definite action. However, this request will be dealt with at a special meeting.

R. J. Lewis, of the Railway and Power Engineering Corporation, Toronto, addressed the Council requesting permission to experiment with the water to eliminate iron and sulphur it contains. However, as the water has not enough of same to hurt as a matter of fact it is better for the human system, no action was taken.

R. H. Williams again interviewed the Council regarding the drain in front of his property on James Street. He felt that it was getting late in the season and something would have to be done at once.

Reeve West informed the Council that the Board of Health and Street Committee had met and inspected the ditch under question. They decided to ask the owners of the property benefited by ditch to keep same clean and the corporation to do the same with the ditch on the street.

Dr. H. H. Alger, M.O.H. was present and stated that this matter was being investigated further. He stated that the entire drain running back of the property on Mill Street North, should be inspected and cleaned.

The Council decided to take steps to eliminate this nuisance, which has prevailed for the past twenty years or more. Mr. Jos. Wilson, local engineer, will be instructed to survey and take levels of the drain on James street, and the properties benefited and proportion costs same to properties affected.

A request was made by a citizen for the use of the new grader for private use. This was refused and a resolution was passed to the effect that the street grader be not loaned or hired and be used only for corporation purposes.

The Clerk was instructed to write the Horton Steel Co., requesting them to send a man to make a final inspection of the standpipe.

The mandatory order for the waterworks extensions was received from the Provincial Board of Health. A by-law governing same was given its first and second readings and will be forwarded to Municipal Board for approval before being finally passed.

Mr. G. H. Stokes, district superintendent C.N.R., Belleville, in a communication asked the Council for permission to do away with the cattle guards at the different crossings in the village. The railway plans to eliminate these guards as much as possible, thereby cutting down on maintenance cost. The Council granted the request providing the corporation would not be held liable for any accidents to cattle, etc. due to lack of such guards.

Electrician Sprenthal stated that the power bill, for one month for the permanent waterworks was \$18.75 as compared to \$40 for the summer system. At this rate the power cost for twelve months for the permanent waterworks will be less than for six months cost of the old summer system.

Tenders were received from H. Hadley, Thos. Spry and F. N. McKee for coal for the Community Hall. F. N. McKee was given the order at \$6.35 a ton, f.o.b. Stirling, being the lowest price. Tenders for delivery will be asked for.

A pump-house will be erected over the permanent waterworks pump and a committee of Councillors Fitchett and Rollins and Reeve West were appointed to take charge of same.

It was decided to hold a special meeting as soon as possible to strike permanent waterworks rate and other necessary business.

Clerk Luery was instructed to write the Amelstie people regarding the hole in the pavement, Mill Street east, which has given trouble each year since the material was laid.

Council adjourned.

COMMUNITY CLUB

The Men's Community Club, which was organized last year, and suspended in April for the summer months, will resume its meetings in November. It is to be hoped that the same enthusiasm as last year will prevail when the monthly meetings are commenced.

RIPE STRAWBERRIES

During the past couple of weeks articles have appeared in this g.f.f. regarding ripe wild raspberries. On Friday Mr. Walter Barker informed the Editor that he had just enjoyed a "feed" of tame strawberries picked from his garden. This is even more unusual for this time of the year than the ripe raspberries.

Mrs. J. Tanner also reports a good crop of red raspberries.

A LARGE LUNGE

Mr. Henry Tulloch had a thrilling fishing expedition over the week-end. While fishing in the Trent River between Healy Falls and Trent Bridge he landed a "lunge" that weighed 19½ pounds and measured forty inches from tail to mouth. This huge fish was caught with a steel rod and silk line and had to be "drowned" before it could be safely landed.

A FREAK CARROT

The News-Argus has had on display in its window since last Friday a freak carrot, grown in the garden of Mr. Dennis Welsh, Church St. The carrot is about seven inches long and well formed, except in the centre where it is encircled by a link of a fire chain. Apparently the carrot grew through the link, and although very small at the chain, it is quite large at both ends. This is just another demonstration of nature's great force in growth.

JUDGING DEMONSTRATION AT M. SHEA'S

Considerable interest is being centred by farmers locally, in a judging demonstration, scheduled to take place in this County at the farm of Michael Shea, Stirling, on Wednesday, October 12th. This meeting, which will commence at 1:30 p.m., will be in charge of experts from the Extension Department of the Holstein-Friesian Association of Canada, who will discuss breeding and feeding problems—subjects of value and importance to every farmer interested in the development of a better dairy herd.

"ONE HOUR WITH YOU"

Local and district Theatre-goers will be given a real treat at the Stirling Theatre tomorrow (Friday) night and Saturday matinee and night when the picture "One Hour With You", starring Maurice Chevalier and Jeanette MacDonald will be screened. This is reported to be one of the best pictures of the year, and the Theatre should be well patronized. Last week strong lights were installed in the talkie equipment, making the pictures much brighter on the screen. Manager Sprenthal is gradually making improvements and theatre patrons may see and hear pictures as well in Stirling Theatre as elsewhere. Get in the habit of attending Stirling Theatre.

RUGBY AT HIGH SCHOOL

The boy students of the local High School have again taken up rugby and will play their first game with Marmora students on Saturday. Rugby is now considered one of the premier sports in college athletics and there is sufficient talent among the local students to develop a snappy team. However, that takes training and practice, and proper coaching. There are many people who consider rugby a bone-cracking game, and most dangerous. True fatal accidents have occurred on the rugby field, but when you consider the line-up of players carried on a team, the number of accidents is lower than in other fields of sport, particularly hockey. The writer played rugby for about five years and can earnestly state that this game develops team-play and courage in a player. It is to be hoped that rugby will be encouraged in the local high school and that it may become one of the most popular sports in the athletic sphere.

ST. ANDREW'S GUILD

A large gathering enjoyed a social evening and a very fine program on Monday night at Guild. It was opened with the usual devotional period, two well-known hymns and prayer in unison. Mrs. Foster read the scripture lesson. Miss Trenelida Eggleston gave a very amusing reading "What I think about Women", by Bill Dermity. In it she used the names of some of those present, causing a riot of laughter. Marguerite Rosebush and Helen Ward sang a duet, accompanied at the piano by Mrs. R. H. Williams. Following this, Ray Williams gave a selection on the guitar, and pleased the audience very much. Art Duncan sang "Friend o' Mine", accompanied by Miss Smith. In the absence of the retiring President, Art Duncan acted as spokesman for the nominating committee appointed to choose the officers for the coming year. In his brief remarks he reviewed the success of last year and gave credit to the officers for their diligent work. There was a great outburst of applause as the speaker announced Mrs. Roger Melkiohn as the new President for the coming year. The Vice-Presidents, with their assistants are as follows: Literary—Mrs. H. Rollins and Miss Moffat; Musical, Mrs. Whitehead and Mr. W. Dermity; Citizenship, Mr. D. Lamb and Mrs. Disbrow; General, Mr. A. Duncan and Mrs. Nolan. After this came a play "Johnny on Trial", written and directed by Art Duncan. It was a very clever juvenile court mock trial which gave insight to the system followed by this branch of child-welfare work. Some of the highlights were: the evidence given in the case of George Jackson (Jack Tulloch), which was very amusing. The next case was that of two boys charged with shop-breaking. John Jones (James Ward) told nothing but the truth, and Nutsy Eagen (Harold Baker) in trying to help his pal, tells an amusing fairy tale. During this case, Mr. Brown, the plaintiff (Dave Lamb), and the judge (Art Duncan), stage a hot legal argument, and although Brown wins his point he is fined three times for contempt of court. The climax comes as Nutsy's grandmother (Mrs. Bissonnette) explains the case in detail and the plaintiff and his wife (Mrs. Lamb), adopt Johnnie, who is also proven innocent.

Then came the clothespin relay race and a musical contest put on by Miss Moffat. A dainty lunch was served by the ladies and as the hands of the clock pointed to ten-thirty, the folks began to leave, heartily agreeing that it was a most enjoyable evening.

ST. PAUL'S Y.P.S.

St. Paul's Y.P.S. met in the church parlors on Monday evening, under the direction of the Christian Endeavor Department, and with an attendance of 66. The President was in charge of the devotional period and the members entered heartily into the singing of the sacred hymns. Miss Marion Bailey read the scripture lesson taken from 9th chapter of St. John. Mrs. Roy Tomlinson, 1st vice Pres., presided over the remaining program. Olive and Jean Munro delighted the audience with an appropriate sacred duet. Miss Gladys Joblin very ably introduced the new study book for the Christian Endeavor Department this coming year, namely "A Bunch of Everlastings", by Dr. Boreham, of Australia. The speaker spoke of the impressions of this author, through an address she had heard in Massey Hall, Toronto, a few years ago. The subject of this splendid address was "The Night Cometh", which was Sir Walter Scott's motto throughout his entire life. Miss Joblin very thoughtfully outlined the life of Sir Walter Scott, showing that he wasn't a morbid man, he was just human. But so impressed was Sir Walter Scott throughout his life of the seriousness of a consecrated and useful life, he had engraved on the sub-dial at his home the three words namely "The Night Cometh". Miss Grace Wright put on a bible contest, the red side gaining the honors. The usual Mizpah benediction closed this very helpful meeting. The Y. P. S. will be held on Tuesday night, next week, on account of the Thanksgiving holiday.

A. Y. P. A.

A literary meeting of St. John's A. Y.P.A. was held in the vestry on Monday evening with a goodly number present. After hymn 624 and prayers the minutes of the last meeting were read and adopted. It was decided to extend invitations to the neighboring branches of the A.Y.P.A. to attend a social evening to be held in Stirling in the near future under the auspices of the Stirling A.Y.P.A. The date was not set but it is expected to be within a few weeks. The program was in the hands of the executive committee and comprised the life and works of Robert Burns. Arthur Gould gave a lecture on the life of Burns from his boyhood until his death, dealing with some of his work. This proved very numerous as well as interesting. The members then took part in two songs, "Ye Banks and Braes o' Bonnie Doon" and "Coming Through the Rye". Margaret Danford gave a reading entitled "Tam O'Shanter", which was written wholly in the Scotch dialect and was well read. Four readings from Burns' shorter poems were given, namely, "Last May a Braw Wooer" by Arthur Bateman; "Mary Morrison" by Margaret Bateman; "M'Pherson's Farewell" by Aubrey Rodgers; and "A Man's a Man for A' That", by Doris Tarnier. These readings displayed the different types of Burns' works and proved very interesting. The last reading "A Cotter's Saturday Night" was read by Miss A. Calow, and described the life of a peasant in Scotland. This was very interesting and appreciated by everybody. Frances Cooke then put on three contests, which were won by Group One, which was composed of members whose birthdays came in the first four months of the year. Arthur Bateman donated the prize which was won by George Dainard. The meeting closed by singing Auld Lang Syne. Next week the meeting will be held on Tuesday evening instead of Monday.

DIED IN WEST

Mr. Geo. T. Iveson passed away at the home of his son, Mr. G. E. Iveson, Fielding, Man., on September 22nd, aged 85 years, 10 months, and 2 days. The deceased was born near Trenton, in Murray township. He moved to Glen Ross about 1875 and resided there until 1904, when he moved to Fielding, Man., where he resided until his death. In 1877 he married Catherine C. Brooks, who along with one daughter, Mrs. C. A. Down, of Kingston, and two sons, Geo. E. Fielding and I. W., of Saskatoon, are left to mourn his passing. The late Mr. Iveson was well known by older residents of the district and was one of the oldest readers of the News-Argus, having subscribed for it when it was first established.

COULD NOT FIND ADVT.

A subscriber called up on Monday to enquire where he could purchase coal. He had looked through the News-Argus but could not see any advertisement. We gave him a list of local dealers. This should be a hint for the latter to run an advertisement in the News-Argus. Remember it pays to advertise in the News-Argus.

CAR GOES INTO DITCH

Mr. George McGowan and son, Ridge Road, had a narrow escape from injury on Friday night, when the car in which they were driving left the roadway and went into the ditch east of Mr. M. Hagerman's residence, Front Street. Fortunately the car missed a large maple tree in the ditch. The occupants escaped without a scratch and the car was not damaged.

COX GETS SIX MONTHS

"What sentence do you think should be passed on to you?" asked Magistrate Mikel in County Court, Belleville, on Monday, after Walter Cox of Stirling, had pleaded guilty on two charges of stealing gasoline from a parked motor car. "On, about six months," said the accused with an air of nonchalance. "Well, then, I'll have to sentence you to not less than six months and not more than two years less one day in the Ontario Reformatory," said his Honor after ascertaining that Cox had a previous record and had done time on two other occasions.

INJURES FACE IN FALL

Mr. Don Ward, of the Superior Store, met with painful accident on Saturday night, prior to the storm that passed over the district. He was about to go to Mr. George Eggleston's, Front Street West, to get his raincoat, and just as he neared the steps leading up to the house, on the run, the lights went out and he stumbled and fell on his face against the wall. He was almost knocked unconscious. Medical aid was sought and upon examination it was discovered his upper lip was badly gashed, requiring a stitch to close the wound, and he suffered other bruises.

ANSON DEPOT LOOTED

Sometime during the week-end Anson Station was burglarized and ransacked. The break-in was first noticed on Monday morning when C. N. R. Agent F. Hutchinson went on duty. Entry was made by cutting a hole in a window on the east side of the depot, large enough to enable the lock to be unfasted. Papers in the office were strewn about and the only loss noted were twenty cents in coppers, a number of excess baggage checks a book of money order stubs and two safety razors and a pair of pliers, belonging to the agent. Why the baggage checks and order stubs were taken is a mystery as they are worthless. It is thought that the break-in was the work of hoboes.

HORSES CRASH INTO HYDRO POLE

On Monday afternoon about four o'clock the local power plant was off due to a pole in front of Mr. Chas. Mitchell's residence, Mill St., being broken off by a runaway team of horses belonging to Mr. Clarence Sprenthal, of Rawdon. The team had been tied in the Presbyterian church shed, and in some manner broke loose. Coming from the shed they started to trot west on Mill Street, gaining speed as they went, and crashed into the pole, shattering it off at the ground. One horse was stopped by the impact, while the other broke away and was stopped in the business section. The harness was broken, also the wagon reach. Fortunately the wires did not fall, or perhaps the result would have been more serious. The horses escaped injury and were none the worse for their experience, not having travelled far enough to effect them in any way as is sometimes the case when horses run away. Electrician Sprenthal and assistant Clarence Clark rushed to the scene and had the power turned on in about fifteen minutes.

CURRENT COMMENT

Cheer up folks! Even though we had snow last week Indian Summer is yet to come.

October is here — and the last quarter of the year has begun. Only eleven weeks until Christmas.

A Canadian doctor says modern fashions make the women live longer. They also make the men look longer, says a local wit.

Kitchener Record — While every home hasn't a radio, it is sure to have a newspaper. That's one cardinal reason why merchants prefer advertising in newspapers.

The Federal Parliament opens in Ottawa today. It will no doubt be an interesting session and the "deals" made at the recent Imperial Conference will either be accepted or rejected.

Ottawa Journal — Despite the depression, the women of Canada and the United States spent more than \$100,000,000 on cosmetics last year. Impression is more important than depression.

Next Monday is Thanksgiving Day and will be observed a public holiday throughout the Dominion. In many districts throughout the County special church services will be held during the day.

Oshawa Times — Three judges have now been taken ill while probing the Ontario Hydro Commission. There must be as bad a hoodoo attached to this investigation as there was to the tomb of King Tut.

"Will Stirling have a hockey team this year?" was a question asked the Editor on Saturday. We cannot say, but undoubtedly when winter arrives the contests in this great sport will be witnessed in the local arena.

After perusing police court news in the daily papers we have concluded that some debtors get jail terms for owing trivial amounts, while those owing larger sums get themselves into bankruptcy, which of course, is much more pleasant. Why is it?

The Ontario Provincial Convention of the Legion is to be commended, on refusing to give approval to the legalization of sweetstakes and the introduction of beer and wine by the glass. This a tribute to the high standards of citizenship set by the war veterans.

In case some of the citizens are at a loss to know why so many pretty maidens are on the streets today, we wish to inform them that they are public school teachers of Centre Hastings Inspectorate, who are holding their annual convention here today and tomorrow.

A citizen stated in the postoffice when a couple of men were looking over the synopsis of the Railway Commission report that it made no difference to him as he never used the railways anyway. There is the main root of the whole trouble—the automobile has killed much of the railway business of a decade ago.

There are four good habits — punctuality, accuracy, steadiness and despatch. Without the first of these, time is wasted; without the second, mistakes—the most hurtful to our own credit and interest, and that of others—may be committed; without the third, nothing can be well done, and without the fourth, opportunities of great advantage are lost, which it is impossible to recall.

A Rawdon farmer made a remarkable statement to the News-Argus on Saturday. He said that even at present prices he could make ends meet and have a little left over. This man drives a car—sparingly—and enjoys a fair share of the pleasures of life. He admitted he had no interest charges to meet and in answer to another question stated his one hundred and twenty-five acres were all arable. His help must be all hired as he has no members of his family at home.

Allston Herald: The Durham Chronicle, commenting on the Herald's intimation that Allstonians might use Welsh coal this coming winter states that Welsh anthracite has never been used in the editor's home. We would advise him to try it. One week of burning Welsh coal will forever banish all other kinds. The heat from it seems to be more intense and certainly the labour of carrying out ashes is cut by two-thirds of that entailed when burning Pennsylvania coal. Should the Welsh coal become slack, and it does break up easily, we'll thoroughly before stoking the furnace. There will be no explosion or disagreeable odor.

During the past few weeks the News-Argus has received some advertising of questionable value. Rather than expose its readers to any loss through these advertisements, the News-Argus refused to insert them. One of these advertisements was from a Dutch firm offering bulbs, and on investigation it has been found that this company is not all that it claims to be. We do not believe our readers would be satisfied by this advertiser's offer and rather than have them disappointed, and perhaps lose their money entirely, the News-Argus refused the advertising. The News-Argus strives to secure reliable advertising only, and refuses to be taken in by questionable advertisements even though it represents a loss to us.

Two Politicians Suffer from Illusion

Mitchell F. Hepburn, Ontario Liberal Leader, made a statement recently that the newspapers of the province were so influenced by the oil companies that they refused to make suggestions relative to overcharging and such matters. Dr. J. K. Blair, M.P., comes along with an equally amazing story that the newspapers are subsidized by the Conservatives. Both Mr. Hepburn and Dr. Blair are talking of things they know nothing about and of which they should refrain from speaking until such time as they investigate the stories they wish to make the public believe. It might be said in all truthfulness, that the big oil companies, or any other big advertiser for that matter, do not ask for any editorial support or backing of any kind. As a matter of fact most advertising of this nature is handled through advertising agencies and the newspapers do not come into direct contact with the manufacturers at all. As the Peterboro Examiner says, the trouble with these politicians seems to be that they can't understand that the days of the old partisan newspapers is past, and most Canadian journals exercise the right to express their own opinions on public questions.

October and Autumn

It takes a nip of frost to bring the ripening apple to full bloom and a change of seasons to put the true joy of life into man. The sweetest song ever sung will become monotonous in time.

October removes the last vintage of our roses and deprives us of the quality in the sun which brought them forth. But October is not all loss. Mother Nature is grinding her wind to a cutting edge and it is welcome after the sluggish breezes of the summer.

It is the tang in the October air that puts new life into the bloodstream of man. Something whispers to him that play days are over and work days are ahead in earnest.

The heart is no less cheerful in October than it is in June. The poet's dirge over melancholy days is just a bit off key.

Autumn is not the death of the year, but a new beginning. There is always something better ahead. After the ripening and ingathering comes the transformation. The Frosty King's army of engineers is preparing the way for the advance of winter.

Fortunate are they who live in that zone where October is a vivid personality and not a mere name upon the calendar. Happy are they who have time to see the seasons come and go. Blessed are they who can fit their mood to the time, and sing, with Emily Dickinson: The morns are meeker than they were;

The nuts are getting brown;

The berry's cheek is plumper;

The rose is out of town;

The maple wears a gayer scarf,

The field a scarlet gown.

Lost I should be old-fashioned,

I'll put a trinket on.

Thanksgiving Day

Next Monday is Thanksgiving Day, a day set apart by order-in-council as a day of national thanksgiving for the people of Canada. From a material viewpoint this annual occasion of expressing gratitude for the blessings vouchsafed throughout the year comes at a time when many of our people may find it difficult to visualize reasons for giving thanks, and yet Canadians, of all people of the globe, should be able in this economic crisis to enter into the spirit of Thanksgiving Day. The pressure of this period of depression has been felt less in this great dominion than elsewhere. This may be unbelievable but a proportion of our population has indeed been untouched by the so-called hard times and those fortunate ones have every reason to have thankful hearts. Generally too, the slump in business and industry and the depreciated value of farm products have indirectly supplied a cause for National thanksgiving, for they have developed in the face of this emergency a nation-wide sympathy for, and willingness to help those who have been hardest hit by the conditions. Never, indeed, has there been such a spirit of generosity abroad in the land — everywhere purse strings are being untied and assistance is being given to the less fortunate of our people; easterners have helped the drought victims in the west; municipalities and social service organizations and generous individuals are supplementing government efforts to mitigate the suffering occasioned by the depression. That condition and the certainty that when the world moves back to better times, Canada would be in the forefront of the triumphal parade provide in themselves ample reason why Canadians should give thanks. The day no doubt will find gratitude for our advantages mingled with a firm resolve that whatever may lie ahead, co-operation and the will-to-help others will carry this country through the troubled seas of economic distress into the safe harbour of prosperity.

counting and reporting necessary to satisfy all the requirements of the different governments. This is an added tax which does not show in government revenues.

The Institute calls attention to the necessity for delimiting the fields of taxation. It asks if it would not be in the best interests of Canada to have greater co-ordination rather

than to have governmental units taking everything within their power without relation to taxes levied by other units. The suggestion is made that the corporation tax might be left to the Dominion while the taxation of individual incomes be left to the provinces or municipalities.

The Institute points out that the policy of soaking the rich seems to have reached the ultimate under the combined Dominion and provincial income taxes in some of the provinces.

Obviously, such a policy will not breed initiative and it will in the end defeat its own purpose of providing the governments with revenue.

THE HOME TOWN PAPER

(Kingsville Reporter)

The relation of the newspaper to the business world is more vital today than at any time in the past decade. Retail business in the smaller communities today would be from one-fifth to one-fourth below the present level without the push given it by newspaper advertising. In such economic conditions as we have today the local newspaper is an inestimable asset to the entire community. Not only is it a reservoir of local and national information, but through its ability to increase consumption of local goods it stands out above any other institution in community-building value. It can also be verified that without such advertising merchandise in itself would be less dependable in quality and price, to say nothing of the effect upon trade practices. For without advertising there is no opportunity for the consumer to make comparisons of either goods or prices.

The home-owned newspapers in a smaller town, such as Kingsville, has to make quite a struggle against the newspaper competitor from the larger city—especially when this competitor is prepared to offer anything from an accident insurance policy to an aeroplane if you will just subscribe to his paper for a time.

If local citizens appreciated more the value of the home newspaper, they would give it more whole-hearted support.

WOMEN CAN STOP THE PEDDLER NUISANCE

(Bowmanville Statesman)

House to house peddlers and solicitors of orders for this and that are becoming an ever greater nuisance to the many Bowmanville housewives who are complaining to civic authorities to take action, and publishers are being asked to expose the growing nuisance. Still the housewife whose home is constantly invaded by these itinerant super-salesmen, has the remedy in her own hands.

A timely suggestion along this line, is made by Prof. Conrad, who points out that the peddler who boasts that his firm has no store is trying to make a store out of your home. You are expected to furnish a place where he may do business free from the expense which other merchants must pay.

Besides, he insists on making you shop at his convenience, no matter how much it may interfere with your daily routine. He takes up your time arguing you into buying something you neither want nor need. Sometimes you buy to get rid of him, when you ought to say: "This is a home, not a place of business, and I am not going to allow you to use it as a store. Good day."

That might seem rather inconsiderate. But it is one way of discouraging the peddler, who has not the slightest consideration for your peace and comfort, but uses your home as a market place, in unfair competition with home merchants, who pay taxes, license fees, and in other ways contribute to the welfare of the community.

TOO MANY GOVERNMENTS AFTER INCOME TAXES

(Financial Post)

Every province in Canada with the exception of Quebec, now has double income taxation. There is, of course, the federal income tax levied in all

the provinces. There are provincial income taxes in Alberta, British Columbia, Manitoba, Prince Edward Island and Saskatchewan. There are municipal income taxes in New Brunswick, Nova Scotia and Ontario.

In discussing income taxation in Canada, the Citizens Research Institute of Canada refers to the great burden thrown on industry by the ac-

counting and reporting necessary to satisfy all the requirements of the different governments. This is an added tax which does not show in government revenues.

The Institute calls attention to the necessity for delimiting the fields of taxation. It asks if it would not be in the best interests of Canada to have greater co-ordination rather

railroad! Shave where are you going?
Passenger — To Vancouver.
Stew — Gosh, this is a great road!
Here you're going to Vancouver and
I'm going to Montreal on the same
train.

A man was walking along a certain
country road when he noticed a fairly
good hat out in the muddy rut. He
reached out with his can and gave it
a sharp cut, and was dumfounded to
hear a voice under the hat exclaim:

Voice Under Hat — Hey there! What
the heck are you trying to do?

It was then that the man walking
along the road made the alarming dis-
covery that the owner of the hat was
up to his ears in mud.

The Man — It the mud that deep
over there?

Voice Under Hat — Deep? Why
man alive, I'm standing on a load of
hay.

Asked by his sweetie if he loved
her still, a Stirling youth replied: "I

FASHIONS FOR FALL

(Mayfair Magazine)

From Paris we are informed that
Paton models in dress show the softly
rounded shoulder line. The daytime
silhouette is straight, or nearly so,
from under the arm to the lowered
belt, with never the slightest look of
pinching or corseting. Hips are still
being worn slender but without swa-
thing.

The new daytime skirts look skim-
py. The pleats are placed low down
so that skirts have width without
looking wide. The average skirt
length for all hours of the day and
for those useful day-evening frocks
is ten to twelve inches from the floor.
For formal wear the skirts are ankle
length, or just touch the floor. You
may have a trailing skirt if you wish,
says Chanel.

Necklines are high for daytime
wear and low or draped for evening.
Elaborate sleeves with all the gong-
ons above the elbow; slim cuffed bo-
low. The leg-o-mutton is popular on
frocks; sometimes it is seen on coats
also. Balloot sleeves are seen shur-
red on to the new rounded shoulder.
Pretty cape effects are smocked over
the shoulder.

Simplicity is the keynote of all
frocks, though there are lots of odds
and ends, set-in pieces and bows, elab-
orate, but not fussy.

Parti-coloured dresses or ensem-
bles are good, and such combinations
as brown and pink, orange and black,
cabbage red and black and grey and
red.

To be really smart you must look
as if you hurriedly snatched up a
coat of one fashion and a skirt or
frock of another, but your hat must
match the upper part of you. Coats
will often be seen with fur in con-
trasting colour. We find details this
season to be the most important fea-
ture of the frock, as belts, cuffs, scarf
arrangements and the like. In some
models all interest is centred in the
neck or belt. It is well to remember

that if you are belted your belt must
be the most decorative feature of your
frock. Belts are wide, though there
are crushed models in satin and velvet
as well as in stiffish materials.

Buttons and clips are seen every-
where. The new clips are fascinat-
ing; and there are new pins set with
one large stone like a brooch. There
is ruching and a great deal of croch-
ety fishnetty fabric shown for vest-
ettes, upper bodice or collar and cuffs.
Coats will not match the frock or
skirt underneath. Tweedy mixtures
or checks with plain underneath, or
vice versa, will be smart.

Velvet will be much worn in day-
time and in evening frocks; velvets
with a shine and without it. Cordu-
roy for practical wear, and lovely
transparent woollens, looking like
hand woven things, are most popu-
lar.

For frocks, crinkled and crepe sur-
faces were never so numerous;
Tweeds, for dresses are diagonal in
weave.

Ermine and fox lead in furs. As-
trachan, nutria and lamb follow in
popularity, and these are used exten-
sively on frocks of velvet or wool as
well as on coats.

All the new fur coats are belted
with leather, or in case of an evening
coat of ermine in diamante.
Woolen suits still hold sway for
crisp autumn days with small knitted
woollen hats to match.

ONTARIO FARM WEEK

To increase the sale of Ontario ag-
ricultural products in the urban cen-
tres of the province, an Ontario farm
products week is to be held some-
time in October, J. B. Fairbairn, de-
puty minister of agriculture has an-
nounced. The province will be divid-
ed into four sections with an agricul-
tural expert in charge in each and
the co-operation of various organiza-
tions has been enlisted to impress up-
on the citizens the benefits to be
gained by buying home products. Pa-
rades will be staged, competitions held
and all stores handling foodstuffs
will be asked to co-operate by featur-
ing Ontario products in their win-
dows. This should do much to stimu-
late the consumption of home prod-
ucts and help the farmer. It is hop-
ed that local merchants and residents
will co-operate as far as possible.

Hints for the Household

There is nothing much more annoy-
ing that to have clean curtains blow-
ing out of an open window either
day or night. The clip clothes pins
are a solution for this. Buy them in
quantity at some cheap store and
paint them in design or plain to match
the predominating color in the room
where your curtains are. And use
them to pin back your curtains.

To Peel Fruit Easily
Pour boiling water over the fruit
to be peeled and let stand for a few
minutes before peeling.

COOKING HINTS

Swiss Steak

Round Steak (about 2 inches thick)
Little Flour.
Little Onion.
Boiling water.

Method: Pound plenty of flour well
into each side of steak. Brown the
meat well in hot bacon fat in skillet.
Add a little onion — cut up. Then

partially cover browned meat with
boiling water. Cover. Let simmer
about 2 hours.

When ready to serve — season.
Remove meat to hot platter. Thicken
gravy and pour over meat. Potatoes
can be added to meat during the last
half hour of cooking, if desired.

Tomato Cheese Salad

Tomatoes.
Canadian Cheese.
Green Pepper.
Mayonnaise.
Lettuce.

Method: Slice and chill tomatoes.
Wash Lettuce. Dice cheese and cut
up green pepper. Mix cheese, pepper
and mayonnaise. Place tomatoes on
lettuce leaves and pour over dress-
ing.

BAKING HINTS

Baked Rice

1 1/2 cups of rice.
1 1/4 cup of grated cheese.
Seasoning.
1/2 cup chopped pimento or green
pepper.

1 1/2 cup of Tomato juice.
Method: Cook rice in boiling salted
water until done. Add tomato juice,
cheese, seasoning and pimento. Mix
well and pour in butter baking dish.
Bake a half hour and serve hot.

Paper Baking Cups

This is an easy way to save wash-
ing dishes. Fluted baking dishes
come in 3 sizes and cost very little.
When cakes are baked in these they
are very pretty to serve at tea par-
ties.

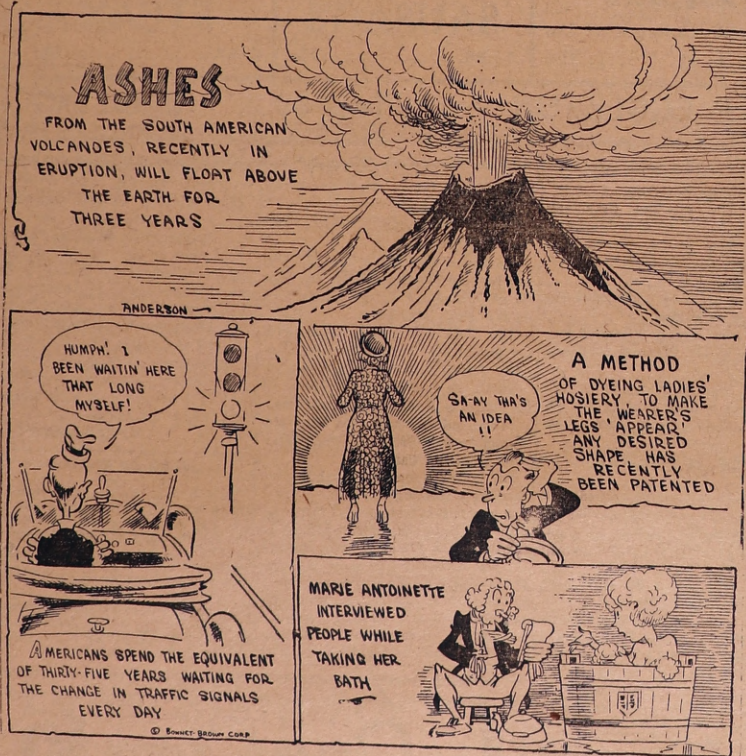

Rhubarb Pineapple Pie

1 1/4 cups of rhubarb (cut up).
1 1/2 cups of crushed pineapple —
(drained).
1/2 cup of sugar.

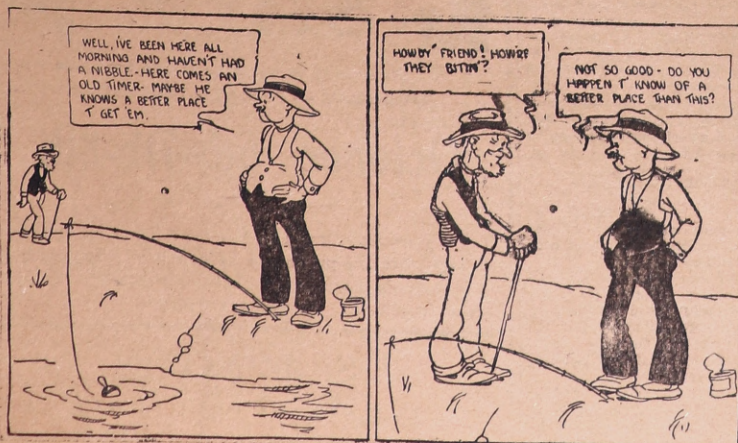

2 tablespoons of flour.
Method: Prepare regular pie crust
and then fill pastry lined pan with
well mixed rhubarb, pineapple, sugar
and flour. Cover with top crust.
Place in hot oven for 10 minutes.
Then turn oven down and bake about
30 minutes longer.

BONARLAW

On Friday of last week about 250 friends and neighbours of Mr. and Mrs. John E. Brown gathered in the Orange Hall, Springbrook and "showered" the newly married couple with a wonderful array of useful and beautiful presents. Mr. Stewart Bronson acted as chairman and after calling the people to order the following address was read:

Dear John and Laura—

On hearing of your marriage, we, your friends and neighbors have assembled here tonight to offer you our best wishes and greatest respect. And it is with the highest esteem that we offer these wishes to you. Having known the groom all his life, we all know that he is and always has been, willing to give any service required of him cheerfully. Although we have known the bride a shorter time, we know the wonderful progress she has made in making herself indispensable to our community. It is with these qualities you have won the friendship of those who are here this evening. We hope we will have you with us in the future activities as we have had you in the past. To express our best regards we ask you to accept these gifts as a token of our good-will. Again we offer you the heartiest congratulations and best wishes for a long, happy and prosperous married life. Signed on behalf of your many friends—Marjorie McNoy, Edna Huff, Violet Hannah, Stewart Bronson, Geo. Hewitt and Harold Peters.

The Bronson orchestra provided excellent music and dancing was indulged in until the wee sma' hours. The ladies provided a beautiful lunch in the basement of the hall and a real social time was enjoyed by all. Mr. and Mrs. Brown were married on September 21st, at Maberley, where Mrs. Brown, who was formerly Miss Laura Tysick, has lived for some years.

MOUNT PLEASANT

Mission Band

On Saturday afternoon the Sunbeam Mission Band met at Mount Pleasant Church with an attendance of twenty. Miss Isabel Turner presided, using hymn "Take the name of Jesus With You". Roll call was answered by the 5th Beatitude. In the business period Miss Elva Andrews was appointed Cor. Sec., and Miss Frances McKeown pianist to fill the vacancies of Miss Betty Locke's departure from our midst. The Band members are asked to donate toys and Christmas gifts to help fill the W. M. S. bazaar to Coe Hill. Envelopes have been distributed and the Mission Band Autumn Thankoffering will be taken on Sunday, October 9. Miss Edna Thrasher outlined "A Good Neighbor" from the study book. Seven members offered sentence prayers and all repeated the Lord's Prayer in unison. Miss Helen Spencer read the Bible Lesson, Matthew 22: 35-39. Miss Faye Andrews gave a guitar solo. Watchtower, Canada, Agnes Sharpe, India, Audrey Sharp, Africa, Faye Andrews; Japan, Elleen MacMullen; Miss Marguerite White sang a solo and Miss Anna Sharp read a selection. The leader gave another story, "Birthdays on two sides of the sea". Miss Frances McKeown rendered a piano solo. Misses Gladys Summers and Marion Rose gathered the collection amounting to thirty-two cents. Closing hymn "Take my Life and let it be" and Mizpah. At Danvers, India, the school children used a garage as a school room and the Black sheet iron doors were converted into blackboards.

Personals

Mr. and Mrs. John Holmes entertained Mrs. Catherine Davison, Mr. and Mrs. Edmund Groves and Miss Evelyn Holmes, of Farewell, McCallan for a week recently.

Mr. Ross Hoard has been suffering with his eye for some time and on Monday he visited Dr. Chant, of Belleville. The specialist found the tissue of the eye broken, and it will take several weeks to completely heal.

Mrs. Chas. Stewart and Douglas, of Foxboro are spending a couple of weeks with Mr. and Mrs. Edward Montgomery.

Mrs. Herbert Miller and baby Douglas, of Wellington, are holidaying under the parental roof.

Mrs. Thomas Mills and Howard, of Portport, are holidaying with Mrs. Frank Potts and other relatives.

Mrs. Frank Williams is still very seriously ill, with Nurse Vandervoort and her daughter, Mrs. Herb David, of Picton, in attendance.

Mrs. Babcock is spending a few weeks with her daughters at Ross-nore.

Mrs. Frank Smith is spending a week with her parents, Mr. and Mrs. J. A. MacMurray, in Toronto.

Mr. and Mrs. Blake Sharp and family were recent guests of Mr. and Mrs. D. Reid, Ivanhoe.

Mr. Fred Smith spent a few days last week in Campbellford and attended the Fair.

Mr. and Mrs. John Holmes are spending a week with relatives at Chatham and Niagara.

Last Thursday the weather man treated us to rain, sleet, snow and a heavy frost.

Mr. Herbert Higgs attended Hoards anniversary on Sunday evening.

Mount Pleasant was well represented at Campbellford Fair last week. Among those attending were Mr. and Mrs. George Weaver, Mr. and Mrs.

Blake Sharp, Messrs John Corgins, Fred Smith and Herbert Higgs, Mr. and Mrs. Edward Montgomery, Mr. and Mrs. Edgar McKeown and Francis, Mrs. Charles Stewart and Douglas, Mr. and Mrs. Thos. McKeown and family.

Little Gladys Summers is recovering from her recent infection in her car.

Mr. C. Stewart of Foxboro spent Sunday in our midst.

On Sunday, October 9th, the Mission Band Thankoffering will be taken at the afternoon service. The date for the W.M.S. Thankoffering will be announced later.

Those who attended Carmel Tea last week report the event a success.

Mr. and Mrs. E. F. Hubble and Mr. and Mrs. George Hubble of Havelock were guests on Sunday of Mr. and Mrs. James Hubble and Mr. and Mrs. Will Hubble.

Mr. and Mrs. Ernest Cronkwright and Sherwin of Thurlow visited at the home of Mr. C. B. Sharp on Sunday.

Several comments have been heard recently re the editorial on Fowl Suppers that appeared in the columns of the News-Argus last week. Folks in the country sure appreciated the Editor's remarks.

On Sunday morning the pastor spoke from the parable "I am the vine and ye are the branches." Messrs Kenneth and Clifford Holmes sang a pleasing duet "Take your burden to the Lord and leave it There", with Mrs. J. Holmes as accompanist. The pianist, Miss Olive McConnell, rendered suitable music through the Communion Service which followed. A solemn reception service was also held during the service when eight young people joined the church. Mr. Wilfred Smith assisted the pastor in welcoming the young people into fellowship. They were Misses Eileen Phillips, Margaret McKeown, Agnes Sharp, Helen Spencer, Elleen MacMullen, Messrs David Bell, Herbert Higgs and Charlie Carter. Among those present from the circuit were: from Bethel—Mr. and Mrs. C. U. Heath and granddaughter Lola, Mr. and Mrs. Mrs. B. C. Tucker and daughters, Mrs. David Tucker, Mr. and Mrs. S. J. W. M. S. Sectional Rally Held at Stone Church

Tuesday, October 4th was an ideal day and a large number of women journeyed to Stone Church, 4th line Sidney, to attend the Seventh annual meeting of the Belleville Section of the United Church W. M. S. The drive was delightful as one viewed the countryside with its autumn tints. The church was beautifully adorned with potted plants and cut flowers, which made a pretty setting. As one stepped inside the cosy church their eye immediately fell upon a wonderful picture painted across the front of the church, the painting representing "Jesus opening the doors of the sheepfold."

Mrs. E. Farnsworth, vice-president of Belleville Section presided and Mrs. S. C. Gay, of Foxboro, past president of the Presbyterian and Mrs. T. H. P. Anderson, Newburgh, president of the Presbyterian, also graced the platform. Two branch officers, Miss L. L. Brown, Belleville, Treasurer, and Mrs. J. G. Sills, Foxboro, Cor. Sec., and other Presbyterian officers in attendance being Mrs. G. S. Sharp, Missionary Monthly Secretary, Belleville; Miss Alice Hume, Stirling, Strangers' Secretary; Mrs. G. A. Ferguson, Belleville, Temperance Secretary; Mrs. Percy MacMullen, Mount Pleasant, Press Secretary; Mrs. Frank Dafeo, vice-President of Madoc Section; Mrs. J. E. Mabey, Odessa, Literature Secretary. The latter brought with her a good supply of literature, study books, etc., and the ladies surely appreciated Mrs. Mabey's kindness in attending the Rally.

The morning worship service was in charge of Mrs. Howard Dafeo and Mrs. J. A. Lott. Rev. E. W. Rowland of Stirling offered a gracious prayer for our work and the Bible lesson was based on the story of Jonah, the first missionary God sent out to work for his cause. It is said that this story was the means of the conversion of Denton Massey. Press Reports were then appointed: Stirling News-Argus, Mrs. Percy MacMullen; Belleville Ontario, Mrs. E. M. Hubbs; Trenton papers, Mrs. Twiddy.

Mrs. Clarence Holmes welcomed the guests on behalf of Pleasant View Auxiliary of Stone Church, and said this occasion was in memory of their thirtieth birthday and they have with them two charter members. Stone Church celebrated their 75th anniversary in 1931. She hoped Oct. 4th would be a red-letter day in the Presbyterian and that several strides would be made towards our motto: "A missionary society in every church and every woman in the church a member." Mrs. Cecil Macklin, of Stirling graciously replied to the welcome and referred to the beautiful painting which will certainly be an inspiration. Miss Bessie Conley, of Stirling sang a pleasing solo. Mrs. S. W. Spafford, Secretary of the Section gave a well-complimented and interesting outline of the work accomplished in the 34 auxiliaries, 17 bands and 3 Circles, which she had gleaned from their various reports. It is regretted that all of the organizations did not answer their questionnaire promptly and so more auxiliaries were omitted from the list. Each delegate was asked to impress upon their officers the necessity of answering the questionnaires. A motion was carried that Mrs. Spafford's full report be sent to the press for publication in full as it was very worthwhile.

Mrs. S. C. Gay then very ably led the discussion on various questions. We pass on a few choice morsels — Even though money is scarce each woman should attend the monthly meeting and be willing to pray and study. Each W.M.S. member should be responsible for the attendance of non-members. Sentence prayers are a wonderful help in W.M.S. work. Get new members by personal canvas and public invitation. Finance committee should meet once a month.

The new President, Mrs. Anderson, was given an ovation and in her address she first made some reminiscent remarks as in early girlhood she lived across the road in the parsonage. She also paid tribute to a dear old lady of the community, the late Mrs. Merritt. She chose the subject "Enthusiasm" and introduced her subject by comparing two western churches, one noted for friendliness and the other snobbishness. The remark was that after a few years the latter church was sold. Are our Churches and Christianity failing? Why are we not a Sabbath keeping people and a praying people. Many sincere souls are anxious today lest Christianity is failing. What we need today is concentrated Christianity, whole-souledness in religion. The original meaning of enthusiasm was inspired by a God, when a man or woman is possessed by God, he or she becomes a holy enthusiast. Many followers of Jesus Christ have lost their enthusiasm and should beware

of the Scriptures as Psalm 119, 113th verse—"I hate men that are of a double mind"; Rev. 3, 15-16—"Thou art neither cold nor hot". We people are so self complacent, indifferent, cautious, afraid to dare, and we have not courage enough to be worthy of the name of disciple. We must remember that "a religion which costs us nothing in time or talent or money, is worth exactly what it costs." How much time have you spent in preparing yourself for efficient service or praying for power in your work for Him. True we are very concerned over contagious diseases, but the greatest disease is that of indifference. Women with red-hot hearts are needed to carry on the work. Mrs. Anderson closed her inspirational address with an appeal for the 1500 school sections out west who have no Sunday School or minister; for the hundreds of little children who have never had a chance; for the young men and women who are facing temptations; for the poor and unemployed who haven't a chance to earn a living. For all who haven't heard of Christ. When we think that only Christ can save, how dare we be indifferent?

Mrs. E. M. Hubbs, of Belleville, gave a delightful glimpse of our New Study Book "His Dominion of Canada", written by Rev. E. H. Oliver, D.D., Moderator of the United Church 1930-32. The book contains many fascinating tales of heroism and achievements and will appeal to our patriotism. It is also our first text book on home missions.

Mrs. E. B. Sexsmith conducted the quiet half hour on the theme of "Listening to the still small voice" and by passages of Scripture showed our various responsibilities.

At this juncture the speaker, Miss Myra Veazey, a retired Missionary living in Toronto, and who laboured in Japan from 1892 to 1930, also our guest, Miss Mabel Clazie, of Tokyo, Japan, who is home in Belleville on furlough, were given ovations.

The delegates to the number of one hundred and eighty then adjourned to the spacious dining hall where the ladies of the church served a very appetizing dinner. At the close of dinner, the pastor, Rev. Sexsmith paid tribute to the late Iva Bell MacPherson as it was through her that the invitation was extended for this Rally.

Mrs. A. E. Jones and Mrs. J. H. Reddick, of Trenton conducted the afternoon worship service using the theme of prayer.

Mrs. Maybee outlined her literature department.

Mrs. Farnsworth asked every delegate to urge their auxiliary to take up Mrs. Hooper's recent letter on "World Peace" and to appoint a World Peace Secretary at their next meeting. Let us pray for the spirit of Brotherhood.

Reports of the affiliated C.G.I.T. groups were then given. The girls called their missionary work "World Friendship."

Mrs. G. A. Ferguson, of Belleville, speaking on Temperance, compared the fearful giants stalking our lands today with those in the days of Moses. Today alcohol is everywhere but one of the most amazing things of Christianity is that over and over again it has accomplished the impossible. Three assistants helped with the presentation of this department. Mrs. Twiddy, of Cannifton, discussed "What would happen if there were no outspoken women on Temperance?" She urged all to keep steadily praying and deplored the vast waste of money for liquor which would be of great benefit if used for missions.

Mrs. McGuire of Cannifton discussed "Is Temperance an Extra?" She wondered if we had overlooked the licensed evil in our own land as we have busily studied the evils of foreign countries. Alcohol kills happiness in the home and every last person should be an abstainer.

Mrs. Harold B. Neal of Belleville outlined "Temperance Education" in the Sunday School, and said the W.M. S. Temp. Sec. could tactfully offer to help the S. S. Temp. Sec. teach the boys and girls that to be a true follower of Jesus they must not touch alcohol.

Mrs. Arthur Hall sang a solo very effectively. Miss Myra Veazey, in her splendid address chose as her subject "The Japanese at Home and Abroad." Today we have large numbers of Japanese in Western Canada and many of the boys and girls who were born here speak English very fluently. Our work has borne very gratifying fruit among the people of Japan. She gave a vivid picture of Japan with its sixty millions of people and told of the pioneer missionaries who founded Azabu School in Tokyo. This school has expanded with the years and it now runs from Kindergarten classes to

University work in our Christian college. She paid tribute to our recent study books on Japan. The Missionaries try to carry out an educational and evangelistic routine and every dollar spent by the W.M.S. to educate the young women of Japan has come back in good measure. The Japanese women deem it a privilege to have the missionary come to their home and talk with them about their souls. Unless the women of the W.M.S. had proved faithful the women and girls of Japan would have been the poorer. Japanese customs of eating and sleeping are much the same as forty years ago, only that now they have electricity installed. Although Christian missions have worked in Japan over 70 years there has not been a large acceptance of it, but the work is steadily growing. The cigarette factories are one of our worst evils there. The speaker referred to Dr. Kagawa and his wonderful "Kingdom of God Movement" and paid tribute to his life of service. Had we done more intensive work in Japan before the sixty thousand Japanese came to our coast we could have accomplished more. Miss Veazey closed her inspirational and educational address by urging Canadians to speak respectfully of people in other lands and to make a special effort to show this spirit of loving kindness and to train our bands and circles along this line.

Mrs. S. P. Hagerman of Belleville delighted the audience with a solo.

The Rally will meet at Mount Pleasant, in Rawdon, in 1933. Mrs. Anderson closed this very helpful rally with prayer.

Report of Belleville Section

(Compiled by Mrs. S. W. Spafford)

There are 34 auxiliaries and 27 reported. Mount Pleasant, Rawdon has the highest allocation of \$23.53 per member. They also give the most per member, \$18.01. John St., Belleville, is second, with \$11.61, and Foxboro third with \$11.52. Stirling raised the largest proportion in the envelopes, 70 per cent; John Street 2nd with 45 per cent and West Huntingdon 3rd with 41 per cent. Melrose and Shannonville reached their allocation, while Eggleton, Stirling Holloway and Belleville over-reached it. Sixteen societies report using the monthly envelopes. The Study Book for next year will be used in at least 21 societies. No new ways were suggested for its use, some taking it in the regular meetings when one or more members give a synopsis of a chapter. A few organizations study it in study class. The question on the worship service was not very well understood as several apparently thought the entire program was meant. However, 4 societies report using the Missionary Monthly for material; 3 use the Bible; 9 use the devotional leaflet and 3 use a combination. Question 11 re appointing Treasurer as Convener of Finance Department—9 report yes, 4 no, 1 unlikely, 1 worth trying and 1 says they already use the arrangement. Special Temperance instruction of some kind is the rule. Regular monthly items are given in 21 Societies and 3 of these also have one special temperance meeting. Aikens and Scotts are affiliated with the W.C.T.U. and Zion had public speaking and examination along this line; 3 report occasional temperance numbers; only 3 gave no report on this department.

Moira reports that the C.G.I.T. girls give a part of the W.M.S. program about 4 times a year and the ladies are frequently surprised and delighted at the quality of the numbers given. Holloway, St., Belleville, also report union meetings with the Junior group. Most of the other report representatives from the Mother Society to the Junior group meetings.

13 Auxiliaries used the "Kingdom of God" cards and prayer guides. Holloway St., Belleville, also had a special speaker on this subject and Foxboro had a Sunday night service. Zion and Moira have special prayer along this line at every meeting. Carmel uses sentence prayers and responsible readings to include as many as possible in the worship service. Phillipston also uses sentence prayers. Plainfield reports that one member is appointed each month to conduct the worship service and each member takes a missionary for prayer. Moira says "to include as many as possible in the program — the literature is read over at home, usually by the president, and a portion given to each, either to read or to tell. This is followed by a discussion. The subjects have been exceptionally good and many excellent points have come out during the discussion. We find it good as we have something worth while to take home with us to think about."

Mount Pleasant uses voluntary prayers as a means of getting members to take part in the worship service. John St. sent in the first report. Grove Street held monthly dinners and made layettes for the work of the town nurse. Wellmans packed 3 bales. Members at Eggleton select and bring their own readings. Stirling

had a "Mother and Baby" meeting in June. They started a study group in an outside appointment. Holloway St., Belleville, used the dialogues given in the "Missionary Monthly" and enlarged on them. "Lack of Interest?" Their answer is that more carefully planned programs led to a greater interest. They sent 2 bales for supply work, value \$30, and one to Dundas Street Mission, \$12. Group leaders were responsible for programs and no two meetings followed the same order. This report was particularly well filled out. Nearly all gain new members by invitation or canvas, but Foxboro reports their supt. of associate helpers aims in this way. Wellmans report getting new members by special meetings in the homes and social evenings.

Carmel had a Chinese tea, a quilting, a special dinner and 2 missionary speakers. Phillipston reports relief work. Plainfield and John St. use printed programs. Scotts made a study of the Blue Book and found it very interesting and profitable. Aikens had a dinner and quilting and sent donations to Dundas Street Mission; had a special speaker for their Thanksgiving meeting and had two regular meetings of special interest, one at the home of a former president, now living in Belleville and one based on issue of the Missionary Monthly with a contest at the close covering the program and conducted like a spelling match. The winning side was presented with a box of candy. Moira had a St. Patrick's Tea and a pie social.

11 societies report their average giving per member greater in 1931 than in 1930; 12 report a decrease. Mount Pleasant, Rawdon, has the greatest increase per member, \$7.59. Gilead and Zion Hill are the only societies who report all their church members also W.M.S. members.

Only six auxiliaries report that all their members use the envelopes for regular monthly giving. They are John St., Grace, Melrose, Mount Pleasant, Rawdon; Stirling and Holloway, Belleville. Eleven of the societies reporting they do not use them at all.

There are 17 bands, only 11 reported. Mount Pleasant, Rawdon, was the first to report. World Friends are used as a program basis in six lands. Mount Pleasant uses the Watch Tower and sentence prayers for including more in the program. Wallbridge had a speaker to explain the "Kingdom of God" movement. Cannifton and Marsh Hill had an Easter Pageant. Zion uses temperance songs and have a former member who is now a missionary, for prayer. Zion, Marsh Hill, Tabernacle and Aikens had picnics. Grace St. held 27 meetings, 32 members and an average attendance of 29. They had a Mothers and Grandmothers meeting, used temperance posters and sold candy and bulbs, which had been donated. They expect to exceed their allocation. Shannonville made Christmas surprise bags for supply work. They have had an increase in membership and more regular attendance. Aikens reports good interest and every child present something to do. They had a Christmas tree shared with the day school. The children have full charge of the meetings. Holloway, Belleville, organized in January with seven members, now has 44. They have placed blocks for a quilt and contributed a special number at the Easter Thankoffering service. Stirling gives the most per member, with \$1.95 and Mount Pleasant, Rawdon, 2nd, \$1.55.

Zion and Tabernacle are the only bands who report an increase in giving per member. We have three Circles, but only one reported. Tabernacle used short plays in the programs. They studied Christ's miracles and parable for the worship services.

Cheese Trade Increases

Hastings County cheese, the delight of the epicure, and the dependable standby of the labouring man who has been taught to include that necessary food as a major portion of his daily diet, has staged a comeback this season which is gratifying to residents and those connected with the dairying business throughout the whole district.

Unofficial figures which have been given by Mr. James Irwin, Dominion cheese grader for this district placed the increase of this season's shipments of cheese at about 15 per cent. over that of last year.

A steady uptrend of the whole dairying business has been noticed this year, with expectations that next season will see an even greater advance in the sale and use of much by-products. Stimulated by the fact that dairying is once again becoming recognized as one of the major industries of this section, many farmers are taking a greater interest than ever in the making of cheese and butter, and the sale of their cream and milk to the factories.

"What makes this increase during the past season?" Mr. Irwin was asked. "It is because of better prices for cheese, or have new export markets been opened up?"

Cheese Means Cash

"This year many farmers of the district found themselves handicapped in their efforts to dispose of their surplus field and vegetable crops. Many of them needed the cash. It was natural, therefore, as nearly all of them had dairy cattle to dispose of their milk and cream to the factories. In turn they received cash, the factories made more cheese, quantity reduced the price a little, and more cheese was shipped. Even though the farmer got less for his milk and cream, he got the cash which was badly needed," explained Mr. Irwin.

Do you expect next year's production to surpass that of this year?"

"That would be a hard question to answer. However, with increased export shipments more interest will be aroused, especially in the British markets, and a greater demand will ensue. In a few years Ontario may again take her place in this important export business."

How to Fight Bolshevism

(Cobourg World)

There is something almost pathetic about the way in which Toronto newspapers have devoted their talents this year to the exhortation of Soviet Russia. First the Globe and the Mail and Empire ran a series of articles damning the Muscovite and all his works. Now the Telegram falls in line with lurid details of a frozen and dying people.

Such unanimity, even in destructive criticism, is so unusual in the daily papers of Toronto, that one senses in the background the palmed hand of nervous authority or the belated defence of industry, which is not quite clear in its conscience.

The present Russian system of government, conceived in anarchy and born in horror, is naturally abhorrent to all who love freedom, cherish individuality and find in the worship of God a true solace. But for all our hatred of that system we must admit that every Communist has occupation of some sort. There is in Russia no devaluing and demoralizing unemployment.

To be sure Russians face short rations, but so do thousands of Canadians this coming winter. To help the Bolshevik face his very unpleasant situation there is in the famous and oft-extended five year plan a definite idea for which he stands ready to sacrifice himself. Above all the Moscow government has realized that a gigantic effort toward material well-being is not enough, and theatres and music and the ballet flourish on a scale no less great than in the days of the Czars.

When an eye-witness to the Bolshevik experiment for the past eleven years, so reliable as Walter Duranty of the New York Times, winner this year of the coveted Pulitzer Prize for Journalism, says that he went to Moscow hating Communism and that he now believes it to be the best system of government for Russia, it means that this whole interesting and terrifying business cannot be dismissed with our damnation.

Duranty is a Britisher by birth and was educated at Cambridge. He is of an aristocratic temper and is acknowledged to be one of the world's greatest newspapermen; sober, reliable and educated. He does not believe that Communism will work elsewhere, but he has come to think that it fits the needs of that great half-Asiatic, half-European monster we call Russia.

If Communism is a real or potential

menace in Canada it is because, Czar-like, we have done nothing constructive to prevent its ugly growth. If this poison has been injected into our national life to the extent which some apparently responsible people seem to believe we shall only eradicate it by courageously meeting the challenge with intelligent action. We shall accomplish little by praising it with faint damns on the front pages of metropolitan newspapers, no matter how great their circulations.

Let the Dominion government, in consultation with provincial governments take immediate action along the lines outlined below and if it is our honest opinion that Canada need have no fear of Communism or any other destructive political idea. Furthermore such action will save untold misery this winter and will ensure that the quality of our manhood and womanhood will not deteriorate from needless and unaccustomed adversity.

1. Reduce the farm mortgage interest rate.
2. Declare a one-year moratorium on payment of farm mortgage principal in cases where mortgages fall due.
3. If necessary assist agricultural implement makers to extend notes falling due this year.
4. Reduce the bank interest rates on all loans.
5. Inaugurate a five-day-week and an eight-hour day in all industry.
6. Convert the national debt to a substantially lower rate of interest.
7. Establish a weekly National lottery for the raising of additional revenue for relief purposes. Limit the sale of tickets, to registered voters and limit the number of tickets to be sold to each person to one for each lottery. Sell tickets through post offices. Morally this suggestion is just as defensible as for the government to take a percentage on margin trading in the stock market and on race track bets.
8. Bring the stock exchanges of the country under governmental control to prevent margin trading and other abuses.
9. Inaugurate a system of slum clearance and new housing projects in our large cities on a self-amortizing basis.
10. Set up an economic council representing agriculture, industry, finance, engineering, labour, the consumer and social science to deal with the present emergency and to lay out proper plans for the future development of the country.
11. Create certain militia units into temporary units of the Permanent Force and enlist in them for military and civil training young men who would otherwise live in idleness, a

prey to agitators and in danger of losing their self-respect and capacity for work.

12. Stop paying members of the Senate a salary and reduce the pay of members of the House of Commons to \$2400 a year instead of having it on a sessional basis as at present.

13. Co-ordinate the police forces of the country under the commandant of the Royal Canadian Mounted Police. The co-ordinated police forces to be under the control of the Minister of Justice who would have as his official advisers the President of the Dominion Trades and Labour Council and some person nominated by the Catholic Archbishop of Quebec.

14. Repatriate out-of-work aliens who have been in the country for less than 10 years and who are unmarried or whose wives are not in Canada.

15. Organize unemployed musicians and other artists into symphony orchestras, instrumental quartettes and choral societies and let them give free concerts in our cities and towns so that our people may have the heartening effect of great music to help them face their troubles.

The above plan is not more radical than the present condition of the country demands. It means sacrifice of course, but it will be a sacrifice far short of that made by Canadians in the Great War and it will be sacrifice shared equally by all.

Not only will it provide work for

these people who need it, but, far more important, it will let those who are innocent sufferers from economic disaster know that humanity is not dead. It will be a sign to beaten and bewildered thousands that Christianity is a live and vital force capable of lifting them from their misery and providing for them the bread of kindness in place of the stone of indifference.

To a Prime Minister who has already shown himself unusual in many respects there now comes a chance to prove himself really great. By following a course such as we have outlined he can do much to turn the depression from a strangling liability into a means of actually improving

the basic condition of the country in many respects.

At the very least he can by means of such a plan stop the unhappiness and the physical, mental and moral degeneration which must result if Canada is allowed to drift planlessly through another winter of unemployment and misery.

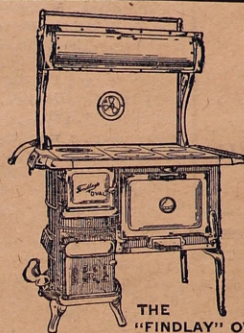

Hamilton—Rev. T. Albert Moore, D.D. who has had a distinguished career in a wide field of activities in the Methodist Church and the United Church was still further advanced by his election last week as Moderator of the General Council of the United Church of Canada at a meeting held here.

The One Thing You Can Afford

The great national pastime this weather is squeezing the expenditure column so that it will remain in proportion to the revenue. The first step in this, of course, is making a decision as to what items are absolutely necessary to the well-being of our minds and bodies and consigning the balance to the limbo of "things we will have when times improve."

You cannot do without your local newspaper for several reasons, the first of which is that as an intelligent citizens of the community it is necessary that you keep informed about what is taking place in that community: Whether your interests are being cared for in the governing of municipal affairs; what is transpiring at the schools, the churches; if grants are being made from public funds, or cut off, and why; what the community proposes doing about relief measures; where foodstuffs, meat, wearing apparel, wood, coal may be bought to best advantage; where you may sell or trade some used article, or buy such an article to advantage. All the intimate personal news; the deaths, births, and marriages, and the thousand and one other occurrences that go to make up the life of a community.

That is the function of the weekly newspaper. Its news columns each week carry the story of the activities of the community and in addition the effective news of the world at large. Its advertising columns bring into your home the best offerings of the stores and shops with prices and description. The classified advertising column is a meeting place for buyers and sellers in every conceivable line.

The News-Argus costs you less than four cents a week if you are a subscriber. If you will read it thoroughly, intelligently, you will receive many, many times over a return in value. And the News-Argus is a good paper for the family to read. There are many things children may learn from its columns, but nothing they should shun. Its columns are clean, carefully edited and contain all the NEWS.

General News of Interest

Barrie-Bellefonte Victorias were eliminated by North Bay Pirates in the third and deciding match of the semi-finals of the O.B.A.A. Intermediate series here on Saturday afternoon by a score of 11-6 before a good crowd. Ideal baseball weather prevailed. Both teams had previously won one game each.

Campbellford—Growth in and around Campbellford this year has been plentiful and some excellent crops have matured, but perhaps Thomas E. Hooper of Seymour township has the longest pea vine on record this season. This plant, which was sown the latter part of June measures exactly 91 inches, and still has the pods attached. It was in no way hurt by the recent heavy frost.

Campbellford—The Weston Shoe Company Ltd., of Campbellford, which suspended operations the latter part of August, opened on Monday when the full quota of hands checked in to take up their usual tasks. The factory employs about 200 hands, and is one of the staple local industries, and temporary shut-down, which was caused by over-stock, caused some concern for a time in the district.

Bancroft—Ross Johnston, aged 12,

son of Mr. and Mrs. R. E. Johnston of Bancroft village, was seriously injured when struck by an auto. The victim with some companions was playing ball on Sherbourne Street, when running after a batted ball he stepped in front of an auto driven by Irvin Woodcock. The car passed over his body. He was picked up in an unconscious condition suffering from concussion of the brain. He is in the Red Cross hospital in Bancroft.

Frankford—The paving of a portion of the main street of Frankford, running north, has been long anticipated and early in the spring Reeve George Arnott was promised that the work would be started. However, there was considerable delay in the undertaking and it began to look as though nothing would be done this year. The Reeve never gave up hope and last week he had the satisfaction of seeing the paving plant move in, put down a section of the street and move out again. It was all done so quickly that many villagers hardly realize that it is done. The new stretch extends from the four main corners north to the Free Methodist Church, and adds greatly to the appearance of this section of the village. It will not be until spring when the frost is leaving the ground that the full benefit of the paving will be appreciated.

Following a motor car accident which occurred near Bridgewater, about 6 p.m. Friday night, Joseph Payette of Madoc, was arrested by the Provincial police and appeared before Magistrate Mikel on a charge of driving a car while under the influence of liquor, on Saturday morning. The case was enlarged until Tuesday. It is alleged by the Provincial Police that Payette was driving westward on the Tweed-Madoc highway when he collided with a car driven in the opposite direction by Mr.

J. P. Speck, of Toronto. Mr. Speck had previously noticed the queer way in which the approaching car was being driven and slowed his car up considerably before it was struck by the Payette car. Although hit quite hard the Speck car remained on the road, while the Payette car took to the ditch, turning over on its side following the accident. Both cars were considerably damaged, but no injuries were sustained by the occupants of either automobile. Both cars were towed to a nearby garage for repairs.

Special News For Farmers

Average yield of sugar beets in Huron County will be about 12 tons per acre. Sugar content is not high this year and few growers will receive a bonus above the contract price. The superiority of alfalfa as a hay crop was demonstrated in Peel where it yielded 2½ to 3 loads per acre as compared with 1½ loads of timothy. From Lincoln comes word that the crop of late Elberta peaches was very good and that grapes are being cut in quantity and are of fine quality. The bean harvest and corn cutting and silo filling has engaged the attention of many farmers in Southwestern Ontario during the past few weeks. Livestock continues in good condition.

Buyer Unable to Secure 20,000 Ontario Calves
Garnett Duncan, Ontario Marketing Board, states that a buyer from the United States has been on the Toronto market attempting to purchase 20,000 well finished top calves, weighing about 185 pounds. These calves were to be used to top out loads of American calves, and this buyer claimed that the Canadian calf is a better finished product than that obtainable in his own country. In spite of being prepared to pay eight cents a pound, the calf offerings on the market lately have been so disappointing that the American has been unable to get the desired quality.

Mr. Duncan said that farmers would be well-advised to cultivate this market, as outside competition in buying is vitally necessary. If this market is not cultivated, the United States, a most valuable outlet, will be closed to us.

Ontario Farm Products Week
The week of October 17th to 22nd has been chosen as "Ontario Farm Products week," the primary idea behind the movement being to encourage the greater use of Ontario-grown products. Plans have been made to sponsor an "Ontario Farm Products Contest" for retail merchants in all cities in the province during this special week. Following are two slogans which are being widely used in this campaign: "Ontario Farm Products are Freshest and Best" and "If the Farmer Can Sell He Can Buy." The whole project is under the personal direction of Mr. J. B. Fairbairn, Deputy Minister of Agriculture, and special representatives have been appointed for certain districts in the province. An appeal will also be made to merchants in towns and villages to specialize in Ontario Farm Products during the week of October 17 to 22, and it is expected that Window Dressing contests will be staged in all the cities and larger towns. The cooperation and assistance of everyone is asked in this very worthy project, which should have very definite benefits for farmers in the way of increasing the demand for their products.

Confirmation has been received by the Ontario Marketing Board that Canadian honey is to enjoy the same preference, on the British market, as that of our sister Dominions, Australia and New Zealand. This preference amounts to seven shillings per hundredweight.

The properly balanced ration accomplishes wonderful results when fed to stock that is rightly bred, well managed and correctly housed.

Houses and equipment, such as brooders, feed hoppers, drinking pans, etc., that are sufficient to accommodate 100 chicks will not take care of 500. Satisfactory growth cannot be made under such conditions. Growing stock needs lots of feed; provide a good grain feed and a good growing mash in hoppers so the birds can get it.

The condition of a carcass when it is marketed depends almost entirely on the way the bird is cared for up to the time it is killed. This means the way in which it is grown and the way it is fattened for market.

A poorly grown bird will not take on weight satisfactorily; its digestive organs have not developed sufficiently to handle the more or less concentrated feed that is fed during the fattening period, nor does the bird have the vitality to stand up under this fattening process.

The newly formed Ontario Honey Export Association has announced the shipment of four carloads of light honey to England. It is estimated that the arrival of this shipment in the Old Country will be coincident with that of George R. Paterson, the Association's representative in England, who has just arrived in that country.

"Growers who persist in the practice of sending immature fruit to market must realize that they are gradually robbing themselves, through creating dissatisfied customers." This was the recent statement of Charles T. Broughton, Ontario Marketing Board. Mr. Broughton said that an instance had been reported to him where a customer was forced to hold peaches for ten days after purchasing them before the fruit was fit to use. "If we are to maintain even our present hold on the domestic market let alone expand it," added Mr. Broughton, "immature fruit should not be offered for sale."

World Grain Conference
The World's Grain Exhibition and Conference will take place at Regina in 1933. Entrants in the competitive classes, exhibitors, visitors and others should take notice of the following important dates:

January 31, 1933—All entries in the competitive classes of the world's Grain Exhibition and Conference must be made on or before January 31st, next year.

March 1, 1933—All samples entered in the competitive classes of the World's Grain Exhibition and Conference must be in the hands of the secretary, Ernest Whoddes, at Regina, on or before March 1, 1933.

July 24, 1933—Opening day of the World's Grain Exhibition and Conference at Regina.

August 5, 1933—Closing date.

Fall Wheat Tests, 1932
During the past year seven fertilizers were compared with unfertilized areas on wheat in 43 fall wheat sections. The fertilizer was applied at the rate of 375 pounds per acre by O.A.C. officials.

The average gain of all fertilizers above check or no fertilizer was 8.7 bushels per acre. The average gain in yield for three years was 10.3 bushels per acre. Yields varied considerably on different soils with different fertilizers. As a rule the relative response to fertilizers was remarkably uniform. Averages do not give a true picture at all times, but they do indicate the trend of response, and after all, this is what the practical farmer wishes to know.

The great value of fertilizer on fall wheat is that it not only gives strength and vigor to the crop to which it is applied, but it almost always insures a good stand of clover and grass where the wheat-field is seeded.

In addition, fertilizer wheat makes more rapid growth than unfertilized, hence, if wheat is sown fairly late to miss the brood or Hessian fly, the wheat will catch up in growth and have a satisfactory top before winter sets in.

noon was well attended.

Mr. and Mrs. E. Heath spent Sunday at Mr. D. Wellman's.

FULLER

Corn cutting is the general topic among the farmers these days. A large crowd attended Moira anniversary services on Sunday. A goodly number from West Huntingdon and Ivanhoe and Fuller attended. Rev. Mr. Herrington, of Thomasburg conducted both services. Rev. C. A. Sales conducted anniversary services at Roslin; also preached at Fuller in the afternoon.

Mr. and Mrs. Archie Reid and family, of Kingston, spent Sunday with Mr. and Mrs. John Geen.

Mr. and Mrs. Perry Park of Buffalo visited at Mr. Ben Brough's over the week-end.

Mr. and Mrs. Frank Kellar and family visited Mr. Thomas Moore's of Springbrook on Sunday.

An attempt to rob Tweed Telephone Office on Tuesday at noon was frustrated by Miss Clara McNeil, the operator on duty. The robber is thought to have been a transient.

BURNBRAE

Burnbrae cattle continue to prove their worth in the show ring and are receiving much favorable comment from the ringside observers. In Holstein circles Messrs James Nelson & Sons have been winning consistently. At Stirling and Campbellford Fairs in competition with the strong entries of Messrs Hoskin of Cobourg and Honey of Darford, Nelsons have won a goodly number of firsts, while at Tweed Fair on Friday last the Nelson entries were defeated for first money on only one occasion. Among their winners a pair of dry two-year-olds, a junior yearling and a junior heifer calf are winning consistently, and are a quartette of very outstanding show animals. Their two-year-old bull, owned jointly with Eagleson Brothers, is also winning in his class, and was adjudged the best bull in the ring at Campbellford. He is a product of Oxford County from the herd of Mrs. Mary Hulet.

In Ayrshires, Hume and Company made practically a clean sweep at Campbellford, and their well fitted and well trained animals are creating a sensation wherever they go. They again lost the senior heifer calf class to Rutherford's splendid calf, but came back strong in the herd and group classes. Messrs W. S. Milne & Sons showed grade cows at Campbellford, while Hume and Co., Alfred Bennett, George Fry and Sons were among those exhibiting horses.

Many plants and flowers suffered from the frost on Thursday evening.

We congratulate Mr. Frank Little for securing three firsts on his cheese at Campbellford Fair.

A number from here attended Hoards anniversary services on Sunday; also their social evening on Monday night.

Mr. and Mrs. F. M. Little and children spent Sunday afternoon at Norwood.

Mr. Alf Bennett was successful in securing second on his show team at the Fair. Congratulations.

Miss Leta Wright spent the week-end with her parents, at Coddington.

A large quantity of snow fell both in the forenoon and afternoon on Thursday.

Mr. and Mrs. Clayton Nix and children of Brighton spent Sunday with Mr. and Mrs. S. Nix.

The Menie girls with their blue and white suits met the Seymour West team on the Campbellford Fair ground diamond on Campbellford Fair day. The game was going full swing when the storm came, so was called until the storm ceased. Miss Leafa Linn was Menie's star fielder.

While Miss Clara Curtis, star batter, knocked two home runs. Miss Gladys Nicholas was Seymour West's star player. Both teams played up to the mark. Much credit is due to the two captains, Miss Isabel Arthur, Seymour West, and Miss Edna Wilson, from Menie, for arranging the teams. The lineups were:

G. Whitton, c; C. Curtis, p; J. Peake 1st; E. Hutcheon, 2nd; E. Stotts, 3rd; E. Wallace, ss; G. Little, L. Linn and E. Whitton, Fielders; subs, J. Sanders, Violet Atkinson and M. Linn.

Seymour West—G. Nicholas, c; D. Scott, p; J. Locke, 1st; S. Atkinson, 2nd; E. Lang, 3rd; I. McCarthy, ss; B. Orser, P. Ingram and H. Hooper, Fielders; subs, M. Russell, M. Waddell, J. Murray.

We congratulate Mr. Wm. Craighead for coaching the Menie team during the year.

SPRINGBROOK W. I.

The September meeting of the Springbrook W. I. was held at the home of Mrs. Isaac Brown with an attendance of over thirty present.

The meeting opened by the singing of "O, Canada" and the "Institute Ode," followed by the repeating of the Lord's Prayer in unison.

The roll call was well responded to by members of Parliament, and what aiding they represent.

The minutes of the previous meeting were read and approved. The report of the school fair booth was given, which showed a profit of \$16.50 for the W. I. which was considered

very good for this year.

A letter from Mrs. James Bailey, district President, accepting our invitation to visit and speak to our branch at the October meeting was read. There was also a letter concerning the Belleville convention, which is to be held November 10th and 11th. Community singing was then entered into by all, the selection chosen being "Jualita."

The following program was then carried out: The topic, "Methods by which our Government might overcome our Financial Depression," was given by Mrs. J. R. Brown, in her usual capable manner. "Current events" were well given by Mrs. Morley Barlow.

All joined by singing "Long, Long Ago." A well prepared paper on "Immigration" was given by Mrs. J. F. Baker. A reading entitled "An unexpected snack" was read by Mrs. T. Moore. An automobile romance contest was put on by Miss K. McComb. The winners were suitably rewarded. The singing of the "National Anthem" brought the meeting to a close. A bountiful lunch was then served and a social half hour enjoyed by all.

REV. MACTAVISH PASSES

Belleville—Rev. William S. Mactavish, B.D., Ph.D., well known retired Presbyterian minister died at his home here on Tuesday. He was in his 75th year.

Dr. Mactavish was born near Guelph. After his early education there he attended Knox College, Toronto and later Union Seminary, New York. Later he taught in Guelph before completing his education and joining the Presbyterian ministry. He held charges in Kingston, Deseronto, St. George, Madoc and Toronto. He retired from the Madoc post 10 years ago. Though Dr. Mactavish had been in ill health, his death came suddenly, and only a day previous to his demise, he was invited to return to his old church, at St. George, and preach at the 100th anniversary service. Dr. Mactavish was prominent in Temperance circles, having occupied local and provincial offices. He was twice married, his second wife, who was formerly Mrs. G. W. Faulkner, surviving. He leaves four daughters and three sons. One of the sons, Wilfrid L. Mactavish, is editor of the Winnipeg Tribune. A son, Major Rev. Boswell Mactavish, died as a result of war service.

Clinton—South Huron's Federal by-election campaign, the most hectic in the history of the riding, resulted in victory on Monday for the Liberal Party with an unprecedented majority.

William H. Golding, former Mayor of Seaford, was swept into office by a majority of approximately 1500. The late Thomas McMillan, who held the seat for the Liberal Party since 1925, had a majority of 349 in the last election, and his greatest majority in previous contests was less than 1200. Louis H. Rader, Warden of Huron County, was the unsuccessful Conservative candidate. It has been impossible as yet to get the total vote, but it was estimated that more than 10,000 of the 14,400 electors went to the polls, 2,000 fewer than the number voting in 1930.

Deloro—Guiding re-opened in Deloro on Monday night when the first fall meeting was held at the home of Mrs. Haacke. The Guide Prayer was used and will be used regularly hereafter. Attendance was then marked by the patrol leaders and reported to the Lieutenant. Guide Law cards, presented by Mrs. Haacke, were then given to each girl. Fifteen minutes was spent in Patrol Corners on Second Class work. Next week we shall begin our discussion on Badge Work. A game, sharp ears was played and the meeting closed with Taps and dismissal at 8.30.

DELORO GIRL GUIDES

Oct. 3rd—The first fall meeting of the First Deloro Pack of Wolf Cubs was held in the hall at 6.00 p.m. on Monday evening. The Grand Howl was taken by A.C.M. Kerr. Quite a full attendance was recorded and the fees were lowered from 5 cents a week to 10 cents a month. Three boys who are now twelve years of age signified their desire to stay with the Cub Pack this season and were welcomed on the terms of good behaviour. Mr. George O'Neill Jr. was then introduced as a new 2nd Assistant Cubmaster. Tests were discussed, and in future, if any boys are ready for tests, there will be an examiner present at the meetings once a month. A marching drill was then practised, followed by a game "Catch the Stick." The Black Six won.

"Whack 'em" was played to the vast amusement of the boys. The Grand Howl, taken by C. M. Kerr, closed the meeting at 7.00 p.m.

FASTER C.N.R. SERVICE TO THE PACIFIC COAST

Toronto—The new schedule of the Continental Limited between Montreal and Vancouver, providing faster through service to and from the Pacific coast became effective with the departure of that train from Montreal and Toronto last Friday night, September 30th, according to C. W. Johnston, General Passenger Traffic Manager of the Canadian National Railways. The new schedule eliminates the present lay-over in Winnipeg in both directions and becomes effective eastbound from Vancouver, on Saturday, October 1st. The Continental Limited will leave Montreal at 7.05 p.m. daily, the same as at present, but will reach Winnipeg at 8.45 on the second morning out of Montreal fifteen minutes earlier than under the previous schedule. Commencing with the train leaving Friday night, however, the lay-over at Winnipeg until 11.00 p.m. will be dispensed with and westbound passengers will continue their journey, after a stop-over of thirty minutes, at Winnipeg, reaching Vancouver at 9.20 a.m. on the fourth morning out of Montreal. Eastbound the train will leave Vancouver at 3.00 p.m. daily, and will reach Winnipeg at 6.00 p.m. the second day. In this direction also the lay-over is eliminated, and instead of remaining in Winnipeg from 8.30 in the morning until 6.20 the same evening, passengers will continue their journey with only thirty minutes stop, arriving at Bonaventure station, Montreal, at 11.40 a.m. on the fourth day out of Vancouver. The connecting train westbound from Toronto will leave that city daily at 10.25 p.m., and eastbound will arrive at Toronto at 7.20 a.m. daily.

Mr. and Mrs. B. C. Salisbury MARK GOLDEN WEDDING ANNIVERSARY IN TWED

(Tweed News)

Mr. and Mrs. B. C. Salisbury of Belleville, aged 76 and 69 years respectively, celebrated their Golden Wedding at the home of their daughter, Mrs. S. H. Connor, at Tweed, on Monday, September 26th. In 1882, on September 26th, Margaret Louise, daughter of Mr. and Mrs. James Foster (of United Empire Loyalist stock) and Billia Coleman Salisbury, son of Mr. and Mrs. Jacob Salisbury, all of Moira, were united in marriage at Moira Methodist Church by Rev. W. J. Young. It is interesting to note that this was the first wedding in the church at Moira.

The attendants at the wedding were Miss Alice Salisbury, later Mrs. Canniff, still living in Calgary; Miss Foushita Foster, later Mrs. Wellington Jeffers, Belleville, Mr. Canniff Foster and Mr. John L. Foster, all of whom passed away a number of years ago.

Mr. and Mrs. Salisbury spent forty-one years of their married life at Moira where their seven children were born. The four surviving children, Mrs. Ewart Sills, Foxboro; Mrs. S. H. Connor, Tweed; Edgar of Stirling, and Bert of Belleville, were present at the fiftieth anniversary. Other guests were: Mrs. Edgar Salisbury and daughter, Jean, of Stirling, and Mr. Ewart Sills, of Foxboro. Five grandchildren, Jean Salisbury, and

Enid, Joan, Douglas and Glen Connor, were present. One other granddaughter, Miss Doris Gould, lives in Toronto.

Mr. and Mrs. Salisbury, who are enjoying good health, were the recipients of messages of congratulation from many friends.

MITZ FAMILY REUNION HELD

A very happy family gathering took place at the home of Mr. and Mrs. Charlie Mitz of Ivanhoe one evening recently, when the children and children's children of the late Mr. Lewis Mitz and his wife Catherine Garrison Mitz, met at the "dear old home" to spend a social evening together. The honoured guests of the evening was the youngest member of that family, Mr. Joseph Garrison Mitz who with his wife and son Ross, had motored up from their home in Ottawa to visit friends and relatives in various parts of Hastings County. Mrs. Mitz's girlhood home was at Mount Pleasant in Radwin Township on the farm now owned by her nephew, Mr. Gordon Lynn.

The evening was all that could be desired, being both bright and beautiful and everyone was in a happy mood. Forquity was thrown to the winds and the truth of that old poem was truly verified which begins thus, "Backward, turn backward, oh, time, in thy flight."

Make me a child again just for tonight."

The children of Mr. and Mrs. Lewis Mitz number just four, they being Gardner, of Holloway, Charles of Ivanhoe, and Joseph of Ottawa, also Mrs. George Hollinger, of Moira. Now the complete family number forty-nine. All were present except Bobbie, youngest son of Mr. and Mrs. Warren Arbuckle. Mr. and Mrs. Fred Comerford were also present, Mr. Comerford being a cousin, his mother formerly being Miss Adeline Mitz. ("his same 'dear old home'" was her birthplace also. The host, Mr. Chas. Mitz, was chosen for chairman and he began the program by calling on Mr. Comerford to which he very pleasantly responded, as did also Mr. Gardner Mitz and Mr. George Hollinger. Musical numbers were also interspersed. Mr. Joe Williams gave some very pleasing numbers on the piano. Alleen and Dorothy Mitz played a piano duet which was well rendered. The junior girls, Alleen and Dorothy Mitz, Lena Dettlor, Marjorie Prest, Verna and Betty Foster gave a chorus, also the young ladies gave a splendid chorus, and after a good deal of persuasion Mr. Gardner Mitz sang some old songs, one being "Just Twenty Years Ago." George Hollinger also sang an old song "The Farmer Boy."

A solo was given by Mrs. George Hollinger with Mrs. Benson Mitz as accompanist. Also a duet by Mr. Joe Williams and Burton Foster and other numbers. The evening sped by all too quickly. The hostess, Mrs. Mitz, served a most delicious lunch. Both Mr. and Mrs. Mitz proved themselves to be ideal host and hostess, and all too soon the time came for the company to separate when good-byes had to be said as Mr. and Mrs. Joseph Mitz and Ross were leaving next morning for their home in Ottawa.

Marmora Defeats Stirling 18 to 6

The gridiron season was ushered in at the local high school grounds on Saturday afternoon when Marmora H. S. rugby team played a game with the Stirling H. S. team. The visitors won by the score of 18 to 6. The score does not indicate the calibre of the game. Marmora's backfield excelled the locals, but the Stirling squad was superior in line-plunging, making yards by bucks several times. Considering that most of the players on both teams were playing their first rugby game, a clean contest was staged, there being no penalties. The Marmora backfield was fast and their points were scored by extension runs—the locals failing to keep their opponents checked.

No doubt with more experience and practice both teams would be able to give a good account of themselves on a grid field. There were some of the players more outstanding than others, but as this was the first game and as every gridder was in there doing his best, it is not necessary to make special mention of individual players.

Marmora scored a touchdown in each of the first three periods, Neal scoring one and Callery two, while Stirling scored a touch in the third quarter, Munro getting the honour. As there were no cross bars at the goals, each touch counted six points. The lineups were:

Marmora—Snap, A. Paquet; Inside left, C. Hollingsworth; Inside right, J. Hickey; right middle, F. Woodhouse; right middle, G. Stewart; right end, V. Callery; left end, T. Shannon; right half, H. Howitt; left half, J. O'Neill; centre half, F. Callery; flying wing, Bill Quinn; quarter, P. Gray; subs, S. Smith, D. Neal, J. Linn.

Stirling—Snap, K. Stapley; right inside, A. Gould; left inside, Orval Maxwell; right middle, Clifford Holmes; left middle, Colin Fox; right end, John Munro; left end, Ned Faires; flying wing, Aubrey Rodgers; quarter, Fred Joblin; right half, Reg. Matheson; left half, Ken Morrow; centre half, Fred Beckett. Subs, Wm. Sutherland, D. Rodgers, Gerald Sprentall, Geo. Duffin.

Referee—A. E. Dobbie; Umpire, P. Gray; Linesmen, Prin. Smith, of Marmora and Mr. Disbrow, Stirling.

TO LEGIONNAIRES

An important meeting of the Stirling Legion will be held in the club-room on Monday night, at 8 o'clock. All members are urged to be present.

ST. ANDREW'S GUILD

The meeting of the Guild was held on Monday evening, with a good attendance. Mrs. Jas. Montgomery presided over the meeting and the Scripture lesson was read by Olga Tulloch. Helen Ward gave a splendid reading, "Try Thanksgiving". A man possessed with a spirit of deep depression had his attention aroused by the above two-word motto. The effect was remarkable. It brought a sudden uplift of heart and there swept over his soul a wave of new hope, and of new peace and new joy. William Dermidy sang a solo accompanied at the piano by Chas. E. Allen. Mrs. Meiklejohn gave an account of the life of Sir Walter Scott. September 21st, 1932 marked the centenary of the death of the great novelist. The success of Scott as a novelist entirely overshadowed his genius as a poet. It was as a poet that he gained his first literary reputation. However, the poems of Scott, when published, called forth an enthusiasm for his works which has never since been manifested for any poet in the same degree. While as a poet Scott ranked high in a generation of poets, as a writer of romance he is beyond comparison. Scott's work was great because he himself was great. A great financial loss brought about his untimely death. His dying words to his son-in-law were very significant of his life: "My dear, be a good man. Nothing else will give you any comfort when you come to lie here." One of Scott's most beautiful poems was read, "The Pibroch of Donal Dun", which clearly set forth Scott's genius as a poet. Miss L. M. Smith gave a very full account of Thanksgiving's origin. The meeting closed by all repeating the Mizpah Benediction.

MORE RIPE BERRIES

Yesterday a branch taken from a raspberry bush in the garden of Mr. Ernest Stewart, Bonarlaw, on Saturday, and well laden with ripe fruit, was presented to this office. The berries retained their seasonable flavour, and all that was needed to complete the treat was a "little cream".

TWIN PUMPKINS

In the past articles have appeared in this paper relating to fruits in the animal, vegetable and fruit kingdom. Here is another of nature's mysteries. Yesterday Mr. Geo. Weaver, of Anson, informed this office that he had picked twin pumpkins from his garden. They were not large, but were perfectly formed and firmly attached to one stem.

BITTEN BY WOODCHUCK

We have just learned that Mr. Chas. Gordinear, of Bonarlaw had his right hand badly bitten by a woodchuck, one day last week, when he endeavored to pull the animal from a hole, by its tail. We would suggest that the next time Mr. Gordinear hunts groundhogs he borrows Mr. Neil Bedell's (of Minto) dog. Mr. Bedell claims his pet canine can kill a woodchuck three times its size.

SIX CARS OF STOCK

On Monday Mr. Jas. Cranston local drover shipped three cars of lambs and calves from the local yards. The price paid was from 4 to 5½ cents for calves and 1½ cents for lambs. \$40 was paid for springers. Mrs. Thos. Cooke received \$19.50 for an eight-weeks old calf. Yesterday Mr. Cranston shipped three carloads of hogs, and the price paid was 4½ cents per pound.

Prizes Stay in Stirling

A mixed tournament was held on the local bowling green on Monday afternoon, with eight rinks taking part. There were four local rinks and four from out of town, viz, Norwood, skipped by Mr. Cutcliffe; Tweed, skipped by F. Hindle; Campbellford, skipped by Mr. Palliser and Madoc, skipped by Mr. H. Bailey. The local rinks were composed of the following: Mrs. W. Wright, Dr. E. A. Carleton, Mrs. E. A. Carleton; W. J. Whitty, skip; Miss Smith, R. Bastedo, Mrs. Whitty, W. Wright, skip; Mrs. R. W. Meiklejohn, J. S. Morton, Mrs. J. McC. Potts, T. W. Solmes, skip; Miss E. Shea, R. W. Meiklejohn, Mrs. J. Butler, J. E. O'Donnell, skip.

Three games were played, with two prizes, one for the highest score and one for the lowest. T. W. Solmes' quartette was the leading rink and won prizes of playing cards, while W. Wright's rink captured perfume for the ladies and suspenders for the men for the lowest score.

Mrs. Vanderwater Honoured

About thirty friends and neighbors of Mrs. Lottie Vanderwater gathered at the home of Miss E. Donnan on Friday night to bid her farewell prior to her departure for Toronto, where she will reside. Mrs. Vanderwater was presented with a purse containing a sum of money by Mrs. M. Pitman on behalf of her friends. She also received personal gifts. Mrs. Lawrence Munro read the following address:

Stirling, Ontario
Dear Mrs. Vanderwater,—
We have assembled here tonight, as friends and neighbors, to assure you of a friendship that time and distance will not sever.

Your cheerful and willing service at all times, has won the love and respect of the community.

We wish to assure you of our good wishes for your future, and feeling that "Remembrance adds a link to friendship's golden chain" we ask you to accept this gift to remind you of your associates at Stirling.

Signed on behalf of friends and neighbors—Eliza R. Donnan, Mrs. W. C. Pitman, Mrs. W. L. Munro, Stirling, Oct. 7th, 1932.

Mrs. Vanderwater very feelingly replied, after which "For She's a Jolly Good Fellow" was sung. A lunch was served and a social time spent. The assembly dispersed after singing "Blest Be the Tie That Binds", and all wished Mrs. Vanderwater health and happiness in her new home.

Centre Hastings Teachers Convened in Stirling

The annual convention of the teachers of Centre Hastings was held in St. Paul's United Church, Stirling, on Thursday and Friday, October 6th and 7th. The convention was opened with the president, Mr. James Irwin, principal of Madoc Public School in the chair. The president called upon Rev. E. W. Rowland, minister of St. Paul's Church, to conduct the devotional exercises. Following this, greetings were extended to the teachers by Reeve Wm. West, on behalf of the citizens of Stirling. After the usual routine of business was disposed of, the president, Mr. Jas. Irwin delivered an address on the subject "Just Teaching". In this address the speaker drew attention to the fact that the teachers are carrying this generation of children through the most important stage of their preparation for life, for the time when they must take up the work of those who will presently lay down the burden. As teachers we must fit ourselves to mould this human material into men and women who will in turn pass on a noble heritage to those who follow. It is vitally important for the teacher to get below the surface of each pupil if the best in him is to be called forth. This address of the president opened the convention on a high plane which was maintained throughout the various addresses.

Miss Loreen Connor, of the staff of Madoc Public School, who represented the Institute at the Easter convention of the O.E.A. gave a brief resume of the various addresses.

Inspector A. W. McGuire, B. A., thanked the teachers for their loyalty in attending their own convention—only one teacher being absent. He expressed hope that all would enter into the spirit of the gathering and take part in the discussions. He drew the attention of the teachers, among other things to the departmental regulation regarding the opening of school to begin the fall term. The regulation states clearly that all schools must open on September 1st, and that no one has any authority to change the opening date. Mr. McGuire urged the teachers to take steps to secure regularity and punctuality from the children. He recommended a more thorough study of the Teachers' Manuals, which are invaluable aids to teaching.

"The Teaching of Grammar," by Mr. S. L. Snowden, principal of the Stirling Public School was the opening topic under discussion in the Thursday afternoon session. Much of the preliminary work in grammar may be taught in the lower grades under the guise of composition, although the study of formal grammar does not begin until the junior fourth class. He advised against too much hurry in covering the course in grammar, if this results in an imperfect grasp by the pupil of the facts taught.

"The Teaching of Literature" by Miss Grace Dayman, Harold, was one of the most interesting and helpful topics of the entire convention. The purpose lying behind the teaching of literature is two-fold, to teach interpretation and appreciation. A proper balance between the two must be maintained or appreciation may be killed. Some criticism was offered of the type of question asked on literature examinations which seems to place the emphasis upon the meaning of words.

In discussing Mental Arithmetic Mr. E. C. Prentice, principal of the Marmora Public School, said that many teachers permit their pupils to become slaves of the pencil in solving problems that might easily be done mentally. He thought the subject should be begun in the primer and continued through the grades and that no written problems should be given until a pupil had worked similar problems mentally.

Mr. Clarence Bailey, of Harold, dealt with the teaching of physical geography, showing several diagrams by which such difficult topics as variation in the length of day and night might be made clear to the pupils.

The evening session which was held in the Community hall, opened with a banquet provided by the Women's Institute of Stirling. The teachers to the number of over one hundred with some of their friends were in attendance. Following the banquet a number of songs by Miss Betty Conley, of Stirling, accompanied by Mr. Gerald Clute, and Mr. Jack Baker, of Bonarlaw accompanied by Miss Lois Richardson, Tweed teacher, were sung. These were heartily applauded by the teachers and generously responded to by the artists.

In order to permit the teachers to leave on Friday at noon, the afternoon session of Friday was advanced to Thursday evening. Miss Helen Chute of Springbrook gave a splendid paper on art in public schools which proved helpful to the teachers.

An innovation was introduced in the form of a question box in which the teachers were invited to deposit questions on any of their difficulties. These questions were answered by some of the more experienced teachers. One of the problems which vexes teachers is the matter of homework. This was answered by Inspector McGuire who said he thought it would be a calamity should the time ever come when homework would be done away with. The quarrel is not with homework, but with the abuse of it. If properly given and of the right kind it serves a useful purpose.

The High School teachers present were called on to explain why children who pass the entrance examination often fail in Form I. Mr. R. Lawlor, principal of Stirling High School, offered as some reasons that all individuals have their limitations, they can only go so far, so some must quit in Form I. Also that several entirely new subjects for example, the languages, are introduced to the children for the first time.

Mr. A. E. Smith, principal of the Marmora High School, was a little more outspoken. He ventured the opinion that pupils are not trying, they are indifferent to their work and cannot expect to pass. Moreover, classes in Form I. are not handicapped and it is only natural to expect some failures. There would be something wrong if some did not fail.

The devotional exercises of the concluding session on Friday morning were conducted by Rev. B. F. Byers, Anglican Minister.

The election of officers resulted as follows:

Honorary president, Mr. A. W. McGuire, B.A., I.P.S., Tweed; president, Miss Helen Chute, Springbrook; vice president, Mr. S. L. Snowden, Stirling; secretary-treasurer, Mr. S. H. Connor, Tweed; delegate to O.E.A., Miss Grace Dayman, Harold; alternate, Mr. Jas. Irwin, Madoc; auditors, Mr. L. Fraser, West Huntingdon, Miss E. Shea, Madoc; executive committee, Miss Isabella Handley, Deloro, Miss Florence Auger, Marmora, Mr. E. C. Prentice, Marmora.

Following the election of officers Mr. Irwin called upon Miss Helen Chute, president-elect, to come to the platform and conduct the final session.

MR. CHAS. E. HANNA
EX-M.P. who died at his home in Belleville on Monday afternoon, aged 49 years. The deceased is an Ex-Mayor of that city and is well known in this district. The funeral was held yesterday afternoon.

ANNOUNCEMENT

Mr. and Mrs. N. A. Heath, Stirling, announce the marriage of their daughter, Hazel Madeline, to Harold Edward Armstrong, son of Mrs. B. Babcock and the late Frank Armstrong, of Oshawa, in Montreal on Saturday, August 20th, by Rev. Mr. Pike.

NEW PUMP HOUSE

A new pump-house is being erected over the village well and equipment for the permanent waterworks. The building is a substantial one 8' x 14' and will be succeeded and made fire proof. The erection has been under the supervision of Councillor Wm. Fitchett.

ST. PAUL'S Y.P.S.

The Missionary department took charge of St. Paul's Y.P.S. on Tuesday evening, with the President in charge of the devotional period, Mrs. E. W. Rowland read the Scripture lesson, taken from St. Mark, 16th chapter. Miss Donald Richardson led in prayer. Miss Mae Currie presided over the remaining program. Helen Jeffrey gave a very suitable missionary reading entitled "God's Command". Mr. Tom Furnival favoured the audience with a cornet solo, "The Lost Chord", accompanied at the piano by Mrs. E. W. Rowland. Mrs. Mary Hulin, missionary vice-president, very ably introduced the new mission study book, "Our Share in India", by J. T. Taylor, B.A., D.D., by asking the question "How has it come about that the United Church of Canada is at work in Central India?" The first definite awakening of a sense of responsibility for India came to the Churches of Canada through the visit of the famous Scottish Missionary, Dr. Alexander Duff, of Calcutta, in 1854. With fiery eloquence and a consuming passion for India's evangelization, he laid the burden of the great Eastern dependency on the hearts and consciences of our forefathers. The need and the call of India, as a part of the British Empire, remained in the minds of earnest men, and it was not long until and appeal was made to the Scottish Church to lend a man to go as Canada's representative, and the Rev. Geo. Stevenson was sent. He located in Bengal Presidency. Rev. Fraser Campbell, of Nova Scotia was also appointed a missionary to India, and next appointed missionary was Rev. Jas. Douglass, of Cobourg, in 1876. These were the first Canadian male missionaries to go to India, and two young ladies, Misses Fairweather and Rogers joined these missionaries in their labors. Dr. Holcomb of the American mission and Rev. Jas. Douglass engaged an interpreter to teach the language, and thus the great work started in Central India.

On the site where now stands the flourishing Indore Christian College the pioneer efforts of the Canadian Church began. The field, which by the comity of missions is left to the Canadian mission as the foreign parish of the United Church of Canada, and has a compact area roughly equal to that of Scotland, or the peninsula of Western Canada. It contains three million people. The speaker also dwelt upon the climatic features—the people, transportation and agriculture of Central India. India needs the help, the counsel and the fellowship of the older church in Canada for many years to come. India is still within the Empire and may soon be an equal partner in the Commonwealth of nations, and our church has put her hand to the task in Central India—the command of Jesus still peals out—"Go".

Miss Mae Currie read some interesting facts concerning India. Colour count showed an attendance of 67. Mrs. W. West put on a contest, White, Blue and Kahki sides gaining equal honours. The usual Mizpah benediction closed this very helpful meeting.

Arch Masons Entertain

The feeling of fraternity and good fellowship prevailed on Monday night when thirty officers and members of Quinte Chapter accompanied by members of Moira Chapter, Belleville, paid a fraternal visit to Keystone Chapter and the former officers exemplified the Royal Arch degree upon a local candidate. At the conclusion of the work in the Chapter, the Companions adjourned to the dining hall where a sumptuous repast awaited, prepared under the supervision of Mrs. (Dr.) E. A. Carleton, Mrs. Walter Wright and Mrs. J. McC. Potts.

When all had partaken of the tasty viands, Ex. Comp. (Rev.) M. J. C. Levason, First Principal of the local chapter called the Companions to order with the Toast "To the King". Ex. Comp. Levason then proposed the toast to "The Grand Chapter of Canada", which was responded to by Grand Supt. E. T. Cherry and Rt. Ex. Comp. H. J. Clarke, of Belleville.

The toast to "The Visitors" was proposed by Ex. Comp. (Dr.) E. A. Carleton and responded to by Ex. Comp. John Burgess, presiding Principal of Moira Chapter; Ex. Comp. Fred Chapman, presiding Principal of Quinte Chapter, and Ex. Comp. J. O. Herity.

Fine addresses were given and the gathering adjourned feeling that a most profitable evening had been spent and hoped that more of such fraternal visits would be made.

CURRENT COMMENT

This is Fire Prevention Week—It is not too late to clean the chimneys and take other precautions against fire.

Beautiful autumn is here and it is doubtful if Canadian scenery, at this time of year can be surpassed anywhere in the world.

It is most disgusting to turn the radio on and be greeted with an election speech from United States politicians. However, you may turn to Canadian programs, which should ever be popular.

The partridge season opened on Monday, and will end on September 20th. In this district this game bird may be shot anywhere north of the C.P.R. railway running from Peterboro, Bonar Law, Tweed to Ottawa.

We noticed where a New York Editor shot and killed himself in a rage over errors made by his stenographer. In Canadian cities it is reported the "scribes" either swear at the stenographers, under such circumstances, or take them out to lunch to chastise them.

Men—particularly unmarried men—here is an opportunity to attain success! According to a writer who thinks he knows—he must be a bachelor—he claims that success is the reward a man receives for marrying the right wife and doing as she tells him.

Now that Thanksgiving is over will Armistice Day be observed as a holiday. Much controversy has arisen over celebrating this day in honour of ending the Great War. Merchants in many places throughout the Dominion do not want a holiday. What about Stirling?

In an article by an explorer it stated that the Eskimos rarely cry. We were under the impression they enjoyed their daily "blubber". We also wonder what other methods the wives resort to when they don't use "tears" to get hubby to grant their requests against his will.

You read a great deal about armaments these days. Some nations say "disarm" while others answer "Nay, Nay". However, our opinion is that if the nations keep on spending money for armaments as they have been doing, the next war will be staged in the poor-house.

"Every person who has a job or income should contribute to help those without jobs", is the opinion of the Hon. W. G. Martin, Minister of Public Welfare, who also considers it desirable that the money required for the municipality's one-third share of the cost of unemployment relief should be raised by voluntary giving, and not through the taxes. One of the advantages of the system is that it creates a community sentiment of joint sacrifice of sympathy and of cooperation that is very valuable, and that is entirely lacking when relief funds are raised adding to taxation that already is burdensome. It looks as if Stirling and district will be called on for more relief this winter than in the past year. Perhaps an organization for this purpose could be formed to aid in relief measures.

You must reach to Opportunities

If you see something you want, reach for it. Reach for it, and remember that your reach is as long as your will to want it is strong. Human reach has pierced the clouds and penetrated the depths of the ocean. It has tunneled mountains, spanned seas and deserts, and what is more, it has stretched from the depth of poverty to the pinnacle of power and riches. Nothing is out of your reach—if you are willing to put your heart behind your stretch and if there is a backbone to hold you up. There is, perhaps, only one thing man cannot reach—perfection. All else is within his grasp, once he puts his heart into his stretch and has the backbone to stay on his toes. You

may not, probably will not, get what you reach for the first time. Things really worth while are never within easy grasp. But reach again. Keep stretching! Stand on your tiptoes. Put your heart into it. Don't give up—reach up! It's good for you. Honest effort pays a sure reward. Aim high!—and keep reaching. That's the way to reach what you want! Climb! It takes a real climber to reach the mountain top. Perfection alone lies beyond the furthest reach of your hand. Reach up! Up! Believe in yourself. Give yourself half the chance you would ask of anyone else. Have confidence, have faith—and reach! But know what you are reaching for. Don't grope forever. Have a real goal, a purpose, a definite reward in sight. Then reach forth and pluck it. Your day dreams are within your grasp—but you must reach for them.

Motorists Must Signal

A local motorist states that when driving through Belleville on one of the cool days of last week the driver of a car in front of him made a left turn without giving any signal and the Stirlingite narrowly averted bumping into the turning car. The offending car stopped on the side street and the driver alighted to the sidewalk where his attention was called to the fact that he did not give any signal that he was going to turn. The answer was that he had given a signal and admitted that it had been done inside the car. This is contrary to the Highway Traffic Act, which distinctly states that a signal must be given "at the left hand side of the car", by the arm or by mechanical means. If a car owner does not care to open his window in the cold weather to give a signal he may attach a mechanical arm to be operated from inside the car and he will be perfectly within the provisions of the act. Signalling inside the car is frequently done and we looked up the act to learn if there is any provision for it. The arm is used, the glass must be lowered and the arm thrust out the window. Many motor accidents have been caused through the neglect to signal by the driver. So motorists, take heed!

Go To Church

The Editor has received many appreciated compliments for our recent editorial on church suppers, which brings to our mind the question of going to church. Why do you go to church? Why don't you go to church? We know these are perhaps pertinent questions, but in these times, as always, they are most important. Just think them over.

Do you go to church just because you think it looks better for you to be seen in a church pew, or just to pass away the time, or is it, as it should be, that you want to public commune with your Lord and Saviour? Some would immediately say that the first two reasons were terrible and hypocritical. Perhaps so, but we firmly believe that a person, enjoying all his facilities cannot attend church regularly, regardless of what his reasons may be, without eventually realizing that there is something mysteriously stimulating in a church service, and that there are always some worth-while points to be taken from the minister's sermons.

Then, there are those who do not go to church because they haven't time, because there are too many hypocrites going there, because they won't sit in the same church with so and so, because they don't like the minister, because they claim all the church wants is money, and a lot more because. To us, such people are the worst kind of hypocrites. They want to blame someone else for their laxities and shortcomings. The writer does not care whether there are a hundred "wolves in sheep's clothing" at church, or whether there are people there we do not like, our reason for attending church is not for their benefit, but for our own, in an endeavor to make us a better Christian, which should be the aim of everybody.

We earnestly believe that no matter what reason a person may have for attending church at first, if he keeps it up, he will learn there is something worthwhile to be gained, and that there are not so many supposedly hypocrites as he first thought. That the persons considered despicable are not so bad at heart after the surface is scraped. Quite often our mental attitudes are our worst enemies.

Did you ever stop to consider—and this is for every one—what our country would be like without churches? It would be another Russia! And who desires to live under such cursed conditions as prevail under the Soviet regime in that country, according to press reports. This country needs its churches and Christians as much today if not more, than ever before.

It makes one's blood boil to hear someone blaspheme the church and its ministers. At the same time such a "gink" would be the first one to go into a tantrum if there were not a member of the cloth willing and ready to perform the sacred rights in the time of death or sickness.

We must support the churches in every way possible, and no matter to what creed you may belong, get in the habit of attending church regularly, and regardless as to what your reason at first may be, you are bound to realize as time passes, that it is not for material gain that churches are held and edifices erected, but for the purpose of furthering Christianity and preaching the Gospel of our Saviour Jesus Christ.

This article is for everyone, and particularly the young people. It may be considered pathetic to see so few young people at divine service—where they should be every Sunday—in place of running all over the country or galavanting the streets. Why does this condition prevail? Is it the parents' fault? Do they encourage the young people to go to church? If not, they should do so. There may be many who differ with our viewpoint about going to church, nevertheless we are confident that no harm ever came to anyone in church unless he went there solely for that purpose.

Again we say attend church regularly.

What Others Say

DON'T DROP YOUR INSURANCE!
(Forbes Magazine)

Whatever else you do, move heaven and earth to avoid dropping your insurance. Rich and poor alike have in recent years developed a better understanding of the part life insurance can play in softening life's worst emergencies. More and more wealthy men are taking out large amounts of insurance—some for the purpose of providing ready cash to meet inheritance taxes, others are insuring themselves for the benefit of their

business. The comfort, the safety, the advantages of annuities are also becoming more widely recognized both for personal protection against the future and for safeguarding dependents. Many families today have little left except the insurance carried by the breadwinner. Under existing conditions, it is supremely important that this last safeguard against family want be not sacrificed. Just as life insurance should be the very first reserve created when a family is founded, so should insurance be the very last reserve to be surrendered. By maintaining a policy, there is averted all the dangers incurred by

allowing a policy to lapse. The insured might not be in proper physical condition when it became financially possible to apply for new insurance. Moreover, the greater the age when application for insurance is made, the higher the premium.

Hold on to your insurance no matter what else may have to be given up!

GREEDY CREDITORS

(Goderich Star)

The unrelenting and selfish methods which some business people are today employing, particularly in our civil and criminal courts, to compel

payment of debts, is becoming almost intolerable. This fact is being daily brought home to us. One can scarcely pick up a newspaper without reading evidence of this. Men who, in normal times, paid their bills promptly, are today being "hounded to death." Court costs, which in some cases mount higher than the debt itself, are being added. The creditor's job, if he is lucky enough to have one, is jeopardized and many times lost. Life is made more miserable for him and his family, all because of the unscrupulous "we want the cash" type of creditor who, once he secures the cash or any part of it, immediately proceeds to sink it into some gilt-edged security, fold his arms and sit pretty. In a majority of cases he does not need the money—has no productive use for it. Witness the case of a London, Ontario, man, who burst into a torrent of words in division court the other day. He had been brought before the judge on a judgment summons. He said:

"A few months ago I was worth \$40,000," he said, "then I was cleaned out in a lawsuit. I lost everything I had. I was sick for over three months and have been out of work. I just got a job as a clerk, getting \$20 a week and I only ask that I be left alone for a while until I can straighten up my debts. This suit I have on was given to me, and I owe about \$3,000. All I ask is that I be given a chance to make good at this job. It isn't much of a job, just a clerk's. And we have no coal for this winter."

It was Judge Ingram who was on the bench. He listened to the man's plea and laid the matter over until March of next year. If the creditor had been possessed of common sense and have been less greedy, he would have done that very thing himself and avoided tacking on the senseless court costs. These days we need more men of Judge Ingram's type on the bench.

TRAGEDY OF "DOWN AND OUT"

(Whitby Gazette-Chronicle)

With the return of cold weather, more men than ever are to be seen on the roads heading for some place where they hope to obtain food and shelter. The number of transients using the Whitby lockup is increasing, and distressing to say the least are the tales many of them tell of their arrival here.

The Pickering News of last week relates the following tragic incident: A Pickering motorist driving from his home to Toronto observed a young man leaning against a telephone pole, and his countenance showed he was in a troubled frame of mind. When the motorist inquired of the man what he was doing, he replied that he could not walk another step. He was searching for work and gone three days without anything to eat and was completely exhausted. He was well dressed, had attractive manners and was of a pleasing countenance. But he was too proud to beg. He had seen better days, but he was a victim of the present depression and felt his position very keenly. The motorist invited him to his home in the village where he could get a meal. The invitation was gladly accepted, and the way the man partook of the meal, as only a famished man could, more than repaid the donor for the trouble and expense. The man expressed his gratitude in no mistaken terms. The News adds: "This is a tragedy that is repeated many times every day in these days of unemployment and business depression. There are scores of men, of the highest type who are struggling along the highways searching for and praying for work they cannot obtain. They are 'down and out', and are greatly to be pitied. If people only knew the worthy ones, they would not be denied the food and shelter they so badly need. They are so frequently treated with contempt, as if they were criminals and deserving of no sympathy. The ones from whom they receive the most sympathy and assistance are those who have passed through similar experiences. They will render aid whether they are in a position to do so or not."

CLERK'S THEFT COSTS 5 YEARS

Toronto — H. L. Austin, bond clerk in the provincial treasurer's office who was arrested two weeks ago, pleaded guilty in court here to the theft of \$15,800. He was sentenced to five years in Portsmouth penitentiary.

Apparently prepared for his sentence, Austin showed little reaction when it was passed.

Defalcations for which Austin admitted guilty in part are believed to be in the neighborhood of \$41,000.

Through a system of taking uncanceled bond coupons from Province of Ontario bonds he was able to carry on thefts for some time. Provincial and city officers found he had a bank account in a west end bank. Checking up on his account there resulted in his arrest.

WOMEN ELIGIBLE AS CHURCH ELDERS

Hamilton — Women may now serve as elders of the United Church, following a resolution of the General Council of the church held here.

When the law and legislation committee reported the council was competent to deal with the question. Mrs. A. M. Scott, Calgary, made a strong plea for the equal status of her sex in the eldership and carried the council with her.

It was decided to call the moderator of the council "Right Reverend" and the past moderator "Very Reverend."

ACCUSE WEEKLY EDITORS OF BEING MODEST

Bruce M. Brewer, prominent writer
of world affairs, has a good word to
say for the editors of weekly news-
papers and after reading it through,
we felt that it was worth passing on
to readers and particularly to the
merchants of the town. Here is what
he says:

Editors of small town weeklies are

more modest than you think. Here
they are, with what advertising men
concede is the best read publication
in the world, and they make no very
great hullabaloo about it.

News about people you know is the
most interesting news there is. That's
the kind of news your weekly prints.
Big city newspaper editors would
shoot with glee if they could even ap-
proach the readability of the coun-
try weekly. They can't. Every pair
of eyes that looks at the front page
of the weekly goes up and down every
news column of every page. How
happy a city newspaper man would
be if he could tell that to his adver-
tisers.

Alongside these columns of news
are columns on columns of opportu-
nity. Who knows their value? Unusu-
ally not the local merchants, and yet
they should, for they know how well
the weekly is read. No, the ones who
know the value of these columns are
the city advertising men, miles and
miles away. They know, and I'll be
damned if I don't believe they know it
even better than the weekly editors!

City merchants just couldn't believe
it if newspaper men offered them all
this: every column of interest to
everyone; every reader living near-
by; limited competition from other
advertisers; no waste circulation;
low rate.

Yes, weekly editors must be mo-
dest.

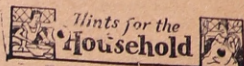

CHEER

Have you ever seen a more pleas-
ant picture than a cheerful counten-
ance? Like a calm, confident being,
a cheerful person radiates light where-
ver he is found, and the effect of his
presence is duly felt on his compan-
ions. A company of individuals cannot
be otherwise than agreeable if
one in their midst is of a sunny, cheer-
ful temperament.

As sorrow weighs the heart down,
so does cheerfulness bear it up. Many
think that a long face, and a sad,
weary smile gain sympathy; perhaps
so, but a sunny disposition gains

friends. Can there be any two ways
of choosing between them? Who does
not prefer friends to the doubtfully
sympathetic words of a chance listen-
er?

"A merry heart goes all the day,
A sad heart tires in a mile."
Those who worry are constantly un-
der a strain. Worry leaves its mark
on the face of its victim, and is ever
seeking to dispel any trace of happi-
ness to be found. To meet the trials
and tribulations of life with a smile,
and to have no fear of, or solicitude
for the future, and to help others by
a kind word or pleasant smile—that
is true cheerfulness.

Hints for the Household

To Clean Flower Vases
I have been asked several times as
to what is the best method of cleaning
flower vases. My recommendation
is to put potato parings into the vase.
Fill with water enough to cover the
stains. Let stand, at least, over
night, wipe out well with cloth in the
morning. For tall vases—wrap cloth
pad on stick and use same to clean
them with.

To Freshen Velvet
Brush well and remove dust. Have
iron hot. Place damp cloth on hot
iron. Draw wrong side of velvet over
this. When velvet ceases to steam
remove immediately to prevent
scorching.

New Use for Funnel
Use funnel for separating eggs.
Place funnel over glass tumbler. The
white runs down into glass and the
yellows remains on top of funnel and
is easily tipped out.

COOKING HINTS

Good Chocolate Frosting
2 squares of bitter chocolate.
¼ cup of sugar.
4 tablespoons of cream.
1 egg yolk.

Method: Melt chocolate in top of
double boiler. Add sugar and cream.
Stir well until glossy. Beat egg yolk

thoroughly and add to mixture. Cook
all together 1 minute. Take from
stove and beat until it is cool enough
to spread. This is a very creamy
frosting.

Grape Juice

1½ pounds of ripe concord grapes.
1 cup of water.
2 pounds of sugar.

Method: Add water to grapes and
heat until stones and pulp separate.
Strain. Then add sugar and heat to
boiling point. Be sure sugar is well
dissolved. Seal while hot. This re-
cipe makes 1 gallon.

BAKING HINTS

Successful Meringue

Method: Beat egg whites stiff. Add
1 heaping tablespoon sugar to each
egg white. Add 1 teaspoon vanilla.
Beat in well. Put meringue on pie
or puddings. Place dish on top rack
of oven. Leave door open. Every
few seconds turn baking dish around.
Do this until meringue is brown. Re-
move from oven. Place where no cool
air can blow on it for at least 5 min-
utes. After that time you need have
no fear that meringue will fall.

Party Cake

½ cup butter.
1 cup of sugar.
½ cup of milk.
2-8 teaspoon of soda.
¾ cup of pastry flour.
1½ teaspoon of cream of tartar.
Salt.
Whites of 4 eggs.
Vanilla.

Method: Cream butter and sugar. Add
soda to milk. Then add milk. Mix
cream of tartar with flour. Add
flour. Next salt, and last, egg whites
beaten stiff. Then flavoring. Pour
into greased 2 layer pans. Bake at
350° F. for 1½ hours. Save half of icing.
Add to ½ of icing chopped raisins, chop-
ped English walnuts and chopped al-
monds. Place this mixture between
layers and on top. Flavor plain icing
with lemon juice and spread on top
and sides of cake. Trim top with
whole raisins and nut meats.

PETHERICK'S CORNERS

Anniversary Services were successfully held at Zion Church last Sunday, the weather being ideal for the occasion. The church was filled to overflowing at both services, many being unable to get inside the doors at the evening service. The church was most beautifully decorated with house plants and cut flowers. Rev. Duncan MacTavish, of Port Hope, delivered two splendid sermons, with deep and earnest thought. In his opening remarks he expressed his appreciation of being present with his brother and his people, as it has been some time since the two brothers had been privileged to be in the same pulpit together. The day was somewhat marred for the brothers, however, when they received a message in the afternoon from their old home in Ripley, that their sister was seriously ill and wanted them to come at once. They left as soon as the evening service was over for this long journey, expecting to reach their destination by morning, and hoping their sister would still be alive when they arrived. Rev. Mr. Bunt, of Springbrook, also Rev. Mr. McKenzie, of Burnbrae were present in the evening and took part in the service. The sermon in the morning was a Thanksgiving message taken from Deut. 3:2. The subject for the evening was "The Tragedy of Middle Life," taken from Ruth, 1:20. Rev. Duncan MacTavish is a very fluent speaker. The appreciation of his message was shown by the large and attentive audience at both services. Special music was rendered by the choir with Miss Evelyn Barnum at the piano. The morning anthem was "Hail Him Creator." Miss Emma Meiklejohn, soloist, sang exceedingly well "Beautiful Garden of Prayer." In the evening the anthem "Just as I am," was rendered by the choir. Miss Meiklejohn sang "I shall not pass this way again," also a duet by Mrs. Tait and Miss Meiklejohn "The Heart that was broken for me." These numbers were well rendered. At the close of the services Rev. Mr. MacTavish thanked all those who took part in the service, especially Miss E. Meiklejohn, Mrs. Tait and Harry Donald, of Campbellford, who assisted the choir. The thankoffering asked for was fully realized. On account of the illness of Mr. MacTavish's sister, the entertainments which was to have been given on Tuesday night of this week had to be postponed until October 24th.

WEST HUNTINGDON

The great Thanksgiving event has come and passed into history. The weather man was most kind in sending ideal weather. The United Church people have claimed this date for a number of years for their anniversary occasion. Extra large audiences attended at both services, and were delighted with the excellent sermons delivered by Rev. J. F. Lane, of Frankford. In the morning he based his Thanksgiving theme on the words of David, when he said "Bless the Lord O, my soul, and all that is within me, bless His Holy Name." In the evening the subject was "The Good Shepherd." Excellent music was provided by the united choirs of Moira and West Huntingdon. Mr. Calyton Tumbon rendered a solo in the evening. On Monday evening a Fowl Supper was served and a program followed.

MR. AND MRS. J. A. MEIKLEJOHN CELEBRATE GOLDEN WEDDING

Thanksgiving day was more than a national holiday for Mr. and Mrs. John A. Meiklejohn of Campbellford, who surrounded by all their family and a host of friends celebrated their golden wedding anniversary. The occasion was marked by these two pioneers and bride and bridegroom of fifty years ago being "at home" to their many friends in the afternoon and in the evening surrounded by their immediate family with a few intimate friends, celebrating the occasion in a happy family re-union.

Mr. and Mrs. Meiklejohn were married in Rawdon township on October 20, 1882, by the Rev. Robert Wallace of Stirling. Mr. Meiklejohn, who was a son of the late James and Margaret Meiklejohn, settlers to Canada from Scotland, was born on the 12th concession of Rawdon on March 24th, 1854, the farm his father bought when he came to this country ninety years ago.

It was to this farm he took his bride fifty years ago, where the family lived until 1910 when they came to Campbellford to reside. Mrs. Meiklejohn was Mary A., a daughter of the late John and Emily Morton, of Rawdon, who were Irish settlers to Canada, she being born in that township on July 18, 1856 and residing with her parents until her marriage.

Stalwart pioneers of this, one of the oldest settlements in this section of the province, they experienced the hardships of carving for themselves and family a home from the soil, and with that indomitable spirit that speaks of faith in God and the country, won out in the fight that often tried their patience and faith and helped to lay the foundation of that civilization of which we today as Canadians are so proud.

Of this union four children came to bless them. Mrs. John S. McKee, Mrs. Fred Barnum and Mrs. Percy Oddie of Seymour township and Miss Emma Meiklejohn at home. They are very proud of the fact that there are fourteen grand-children and one great-grandchild.

At the afternoon reception, which was very largely attended, Mrs. Meiklejohn, assisted by Mrs. (Rev.) R. C. Tait received the guests. Tea was poured by Mrs. G. A. Kingston and Mrs. A. D. Bennett; the door was attended by two grandchildren, Miss Jean Oddie and Miss Helen Barnum; and Miss Marjorie McKee, also grandchildren served.

In the evening the family reunion was held, the invited guests being the Rev. and Mrs. R. C. Tait, Mr. and Mrs. A. D. Bennett, Dr. and Mrs. H. E. Longmore, Mr. and Mrs. C. W. Palliser, Mr. and Mrs. Alf Hay and Mr. and Mrs. James Storie, all of Campbellford, and the following are all relatives from out of town: Lindsay Meiklejohn, Stirling; Andrew Meiklejohn of Centerville; Mrs. Wm. Morton and Mrs. Alex Morton, both of Stirling; Messrs Lindsay and Andrew Meiklejohn and Mrs. Alex Morton are the only three surviving, apart from a sister of the groom, now living in the States, who were present at the wedding of fifty years ago, out of a total of thirty-two guests.

A feature of the evening was the baptism by the Rev. R. C. Tait of little John Douglas Oddie, the great-grandchild. A beautiful three tier wedding cake was cut by the bride and a purse of gold was presented to them by the family. Decorations were carried out with chrysanthemums and yellow roses.

Mrs. Meiklejohn is the only surviving child out of a family of nine and this golden anniversary is the first to be held in Mr. Meiklejohn's side of the family, he being the only member to complete fifty years of married life. Many congratulations and a host of beautiful presents were received by this happy couple during the course of the day's celebration.

FREEDOM OF DISCUSSION

The following letter, under the above heading, written by Rev. S. F. Dixon, of Milford, appeared in the October 5th issue of "The New Outlook", the outstanding publication of the United Church of Canada:

To the Editor of the New Outlook:

Dear Sir—Recent letters re Prohibition and Temperance call attention to attitudes fostered in our Church. With its comprehensive scope, with its men and women of varying types and modes of thought and with its avowed ideal of a nation-wide Church, it is important that we "play cricket". As citizens our outlook is being broadened by our contacts with world problems. The Imperial Economic Conference revealed that questions cannot always be settled by magical incantations. There are many angles. So it is with the age-long liquor problem. Many of us have held theories that may not be altogether successful in practice. Many hoped the great experiment in the American Republic would, by its

success constitute an example that might be followed by all Christian countries. Unrest was manifest years ago, but Hoover declared the abuses would be investigated and he hoped for good results. The saloon was a curse, and geographically a large part of the nation was under State prohibition. It is true the speakeasy, the roadhouse and moonshine whiskey were tolerated in some of these states, but "national prohibition" would cure. Hoover today, after every possible effort by personal example and precept and by strengthening enforcement endeavors, declares he cannot support the present regime. The nation went from one extreme to the other with the almost inevitable result. Roosevelt, personally a dry, and who has had much experience with the ravages of liquor, stresses the cardinal value of temperance, but says the present method of dealing with it is a tragic failure. We are referring to the facts of the situation, not to "wet" or "dry" statistics, neither of which has much real value for statistics are not the final realities. But one dry leader has gleefully announced that two hundred and fifty legislators in thirteen small states can block repeal. Such is the cumbersome method of our cousins, in contrast to our British system of representative and responsible government. It seems almost certain there will be repeal, modification or nullification over large areas.

Finland had what was regarded as an impregnable prohibition law, but repeal has recently come. Every province in Canada, save one, and that with a population less than an average Ontario city, has discarded prohibition. These are facts which should lead us to careful consideration that we may achieve better results. Our Church needs to get on the highway. It is said that Russia is so busy with politics that it cannot grow wheat. Perhaps our Church is over-emphasizing legislation and thereby under-emphasizing some other necessary features. Our members are citizens, and if a Church undertakes to tell the State what it should do, it is bound to be fair to its members who may regard the questions at issue from one point of view or from another.

But we have one side of the question almost constantly presented and it is not too much to say that if the Ontario Churchman (or woman) had to depend on the information his church gives he could neither see straight nor see whole. We have those who speak with the assumption of papal infallibility and who evidently believe the Church should go forth with a "chip on its shoulder" to fight all and sundry who exercise the God-given right to study and think for themselves. The present writer has been gully.

The "Prohibitive spirit" being fostered in our Church is akin to that of darker ages when men were burned at the stake for their opinions. It

is partly a "left-over" from the section of the Church with which this writer was connected and which considered as "sin" the playing of a game of cards or attendance at a theatre. We have heard expressions about those benighted citizens who failed to support "prohibition" that resembled the denunciations of Fundamentalist orators in the United States. The United Church, following the New Testament principle, does not make abstinence from alcoholic beverages a condition of membership, but urges total abstinence. Prohibition as a political method cannot be made a religious dogma, nor should it be an idol before which we bow. Our "interlocked directorate", with a political propagandist organization, weakens our influence with a large section of the Church and Public. Commercial exploitation and the incentive to private gain should be eliminated, and Government control of the manufacture might be a long step in advance, if that were feasible; which may be doubted with the present economic situation. A group of men and women of good will who realize the ravages of the traffic and also the evils that come from an extremist position might, by thorough study, help to better conditions. But extremists, both "wet" and "dry" should have no place in that group. If our Church allow extremists to steer the car, or professional prohibitionists, or agitators in the back seat, we may land in the ditch and our legitimate influence in matters of national and world import be greatly weakened.

The present writer is old-fashioned enough to believe that the New Tes-

tament principles of self control, with proper applications to present needs, but divorced from propaganda as to political method, merits the most vigorous support and we should not then have Sunday school periods detoured by angry discussions. We owe a duty to our constituency in this regard. Public opinion might not yet warrant compulsory teaching and thorough teaching in tax-supported schools of scientific knowledge of the effects of alcohol, but the writer believes the State owes that to its future citizens. A flank attack is some times very effective. But dragging in controversial questions, such as the plebiscite, which has no place in our British Constitution, and bringing in other matters which get us nowhere except to befuddle the situation, is not consonant to the dignity of our Church Courts. And the fallacy that all those who are not convinced as to the feasibility of "prohibition" at present are therefore favorable to the traffic should be exposed. Our Church needs a "disarmament conference" in which we might participate as brethren and associates in the age-long fight against evils that menace, but for which no panacea has yet been found. Declarations, however eloquent, cannot do this work. And sometimes they wound the spiritual life of the Church. Let us not talk politics unless such life is wounded, but let us unite on weightier matters and go forward on all cylinders.

(Rev.) Sford F. Dixon.
Milford, Ontario.

MOUNT PLEASANT

We wish to say "thank you" to the Editor for his kindness in allowing plenty of space for the report of the Rally last week. Several interested W.M.S. workers who were unable to attend have phoned us to say how they appreciated the space which enabled them to read the report.

Mr. and Mrs. Edward Montgomery, Mrs. C. Stewart and baby attended Warkworth Fair last Wednesday.

A few from here attended a miscellaneous shower last Wednesday evening in honour of Mr. and Mrs. Clarence Seenev.

The children are back at school again after enjoying a holiday for the past five days. Monday was an ideal day for Thanksgiving and many different varieties of fowl were consumed along with all the other goods.

The Quarterly Board met at our church last Tuesday evening and it was decided to have congregational meetings at each of the three appointments at a later date.

Mr. and Mrs. John Johnson and Mrs. Emma Summers attended a Thanksgiving dinner at the home of Mr. Robert Summers, Warsaw, on

Monday.

Mrs. Garnet Bailey and Barbara, of Toronto were guests of Mr. and Mrs. Allan Bailey over the holiday.

Mount Pleasant was well represented at Salem Sixtieth anniversary on Sunday morning. Our pastor, Rev. F. G. Joblin, assisted Rev. H. Mellon with the preliminary service. Rev. J. D. P. Knox was the special speaker for the occasion. Mr. and Mrs. Roy Thrasher and Edna who were guests at the home of Mr. and Mrs. Ernest Sables; Mr. and Mrs. Irvin Reid and sons, Mr. and Mrs. Allen Reid, Mrs. John Reid, Mr. and Mrs. John Bailey, who visited at the home of Mr. and Mrs. Clifford Sine; Mr. and Mrs. Percy MacMullen, Eileen and Ormel, visited at the home of Mrs. Minnie Sine; Mr. and Mrs. Wilbert Hagerman were guests of Mr. and Mrs. Will Johnston; Mr. and Mrs. Fred Jeffs and Willie, Mrs. G. White and Mildred were the guests of Mr. and Mrs. John B. Hagerman. The church was beautifully decorated with potted plants and fall fruits and vegetables.

Mr. and Mrs. John Archer of St. Catharines called on Mr. and Mrs. John Bailey on Thanksgiving. They also called on other relatives during the afternoon.

Mr. and Mrs. Thos. McKeown and Redginald and Mrs. C. Sharp returned from their trip to the United States and while homeward bound they stopped in Toronto and were the guests of Mr. McKeown's sister.

Miss Edna Thrasher attended Salem entertainment on Tuesday evening and spent the balance of the week with her cousin Miss Lela Johnston.

The many friends and relatives here were very sorry to hear of the passing of the late Mr. George Iveson, of Fielding, Sask. Mr. Iveson was a veteran reader of the News-Arrow and this spring he sent your correspondent a renewal until 1934. The family have the deepest sympathy of friends and relatives in Ontario.

Mrs. Arthur Robertson is holidaying at the home of her brother, Mr. Darle McAdam and was a welcome visitor at the afternoon service on Sunday.

Mr. and Mrs. Donald Sharp and baby attended Madoc Fair last Wednesday and report the exhibits good.

Mr. and Mrs. Fred Jeffs and Willie, Messrs John Coggins and Herbert Higgs attended anniversary services at Zion Church, Petherick's Corners. The church was filled to an overflowing capacity. Rev. McTavish's brother was the special speaker. After the service the two brothers motored to Ripley to see their sister, who was seriously ill and little hopes held out for her recovery.

Mr. and Mrs. Roy Thrasher and Edna, Rev. F. G. Joblin, Mr. and Mrs. Percy MacMullen attended the West Huntingdon Fowl supper on Monday evening. Rev. Joblin delivered an address during the evening and Mrs. MacMullen gave three readings, one of them being a musical number and Miss Edna Thrasher played the accompaniment. The ladies of the church served a most delicious tea and a variety of talent assisted with the program.

Those of you who read the compiled report of Mrs. S. W. Spafford last week will have noticed that last year Mount Pleasant W.M.S. contributed at the rate of \$18.01 per member. As we believe in passing our bouquets

out to our living we wish to say that in our opinion this high average was reached by the very special work of Mrs. F. Joblin and her two assistants, Mrs. Frank Smith and Mrs. Thomas McKeown. These women worked hard all year and under Mrs. Joblin's great enthusiasm and guidance we were able to accomplish our very high average of givings.

BONARLAW

On Friday evening of last week the Grange Hall at Springbrook was filled almost to capacity when the friends and neighbors of Mr. and Mrs. William Prest gathered to present the newly married couple with a beautiful breakfast suite. After the guests had enjoyed a social hour or two, Mr. Roy Neal called the company to order and asked Mr. J. F. Baker to come to the platform, when he read the following address:

Bonarlaw, Ont., October 7, 1932

To Mr. and Mrs. Wm. Prest,—
We, your neighbors and friends have gathered here this evening to offer our congratulations and to wish you much joy, as we have learned that you have done as so many other young couples have done this fall, that is, entered the ranks of the married.

We also wish to take this opportunity of showing the esteem in which you are held. We regret that we do not know Mrs. Prest as well as we do "Bill", but the large number of friends attending the recent shower and the large number of presents there given, speaks louder than words as to the popularity of the bride.

We wish to say to Bill, who has been in this community all his life, that we appreciate his readiness at all times to assist in any way possible for the good of the community. He has proved himself a good sport and possesses dramatic ability. Under his management the Bonarlaw Baseball team has just completed a very successful year. Playing for the first time in the League, they were, of course, not successful in defeating the other teams of years' experience, but the season's play was rich in experience, good fellowship, and a development of those qualities that go to make a real sportsman.

As a slight token of our esteem we ask you to accept this breakfast suite, and may you both have a long, happy and prosperous wedded life.

Signed on behalf of your many friends,—Charlie Wellman, Roy Neal, W. J. Barlow, Anson Grant, S. G. Rembough.

Mr. Prest replied fittingly, thanking the company for their gift and giving all a hearty invitation to visit them sometime in the future. All sang "For they are jolly good fellows" and gave them three cheers and a tiger. An orchestra composed of Clarence McKeown, violin; Maurice Bell, banjo; and Fred Dorie, piano, furnished excellent music for both round and square dancing, and the floor was well filled every time. Mr. Leslie Baker acted as floor manager in his usual capable manner. Some clever step dancing was done by Mr. Thos. Hanna and others. Mr. Ken Bain and J. Baker each gave a couple of comic songs. A bounteous lunch was provided by the ladies, in the basement.

Mr. and Mrs. G. E. Reid and sons Max and Douglas who have been visiting friends in Bonarlaw, returned home last week to Ardberg, Ont.

Mrs. H. M. Caverley, of Toronto, is visiting Mr. and Mrs. J. F. Baker, for a few days.

Mr. Wm. Haggerty shipped two carloads of livestock to Toronto on Monday of this week.

BURNBRAE

The Women's Missionary Society and the Ladies' Aid Society of St. Andrew's Church met at the home of Mr. J. C. Thain on Thursday afternoon with an attendance of 40. The meeting opened by singing hymn 582 after which Miss Edith Wallace gave the Bible reading and Rev. D. A. McKenzie offered prayer. After considering some items of business in connection with the W.M.S. and making arrangements for the fowl supper the following program was presented: after singing hymn 374 Mrs. George Craighead read a chapter from the Mission Study Book. Miss Verna Cassan gave a solo and Mrs. Frank Little a reading. The next number was a duet by Mrs. G. V. Taylor and Mrs. Geo. Craighead, after which Mr. McKenzie made special reference to the work of Mrs. John Oddie, president of the Ladies' Aid, for the past seven years. The Society regretted that it was necessary for her to leave Burnbrae. She had been active and faithful in the work of the Society and will be greatly missed. All present joined in wishing Mrs. Oddie and Miss Helen Oddie every blessing in their new home. The hymn "Best Be the Tie" was sung, after which refreshments were served and a very

pleasant social hour was spent.

The Mission Band met on Saturday afternoon in the church. The Missionary program was interesting and instructive. After singing hymn 262 Gladys Whittin gave the Bible reading, and Mrs. McKenzie offered prayer. Reading, Clara Thain; Piano solo, Doreen Pollock; recitations, Evelyn Atkinson and Yvonne Little, reading, Annie Hobbs; piano solo, Violet Atkinson; reading, Edith Wallace; study book, Edna Whittin; hymn 282, Apostles' Creed. Refreshments were served.

Mr. Malcolm Hutcheon attended the Teachers' Convention in Warkworth on Thursday and Friday.

Miss Dorothy Watson is visiting her cousin, Miss Irene Russell, in Belleville.

Miss Geraldine McMullen, of Campbellford spent the week-end with Miss Clara Thain.

Mr. Grant Thain B.Sc. Mr. Donald Craighead, B.Sc., of Toronto, and the Misses Jean and Emily Craighead, of Belleville, spent Thanksgiving at home.

Mr. and Mrs. George Walker, of Cobourg spent Sunday at the home of Mr. James Nelson.

Mr. and Mrs. Morley Petherick, of Hamilton are visiting relatives at Burnbrae.

MINTO

The Salem United Church held their Sixtieth Anniversary on Sunday. Rev. J. D. P. Knox, of Belleville, had charge of the morning and evening services which were well attended.

Mrs. Richel and baby and Miss Sarah Johnston, of Belleville spent a few days with their mother, Mrs. E. Johnston.

Mr. and Mrs. John Bailey spent Sunday with Mr. and Mrs. Clifford Sine.

Miss Helen Spencer spent the week-end with Miss Edith Hagerman.

Mr. Alvin White and daughter, of Toronto, called on Mr. and Mrs. W. J. Hagerman and family on Sunday.

Mr. and Mrs. Cecil Bateman and family, Mrs. A. Bateman and Mr. J. White visited Mr. and Mrs. George McMaster on Sunday.

Misses Edna and Nellie Morrison spent Sunday with Miss Edith Hagerman.

Mr. and Mrs. Kenneth Belcour and Miss Violet Cook spent the week-end at Mr. Fred Cook's.

Miss Marguerite Polk spent a few days with Miss Ida Vance.

Miss Kathleen Johnston visited Miss Annis Johnston recently.

Miss Lola Heath visited Misses Laura and Irene Tucker on Sunday.

Mr. and Mrs. J. B. Hagerman entertained a number of friends on Sunday.

The church was beautifully decorated with flowers and fruits of the season. Many former members from different parts of Canada were present. Invitations had been sent out previously. The church was packed at both services and most inspirational sermons were delivered by Rev. Mr. Knox. Special music was rendered by the choir. Rev. F. G. Joblin, of Rawdon Circuit assisted in the morning service. On Tuesday evening a program was given in the church, with Rev. Mr. Mellow, chairman, consisting of addresses by Rev. J. M. Fraser, of Bancroft, a former pastor; Rev. J. D. P. Knox; Rev. H. A. Bunt, Springbrook. A musical program was also enjoyed, given by Miss Betty Conley and G. L. Clute, of Stirling; Campbellford mixed quartette; Mr. J. P. Hagerman, Mrs. John Reid, Mrs. Francis Jeffrey and Messrs. Lorne Hagerman and Delbert Sine, also readings by Miss Myrtle Reid, Ivanhoe. A pageant was also staged and much appreciated. Proceeds of the anniversary amounted to \$145. Greetings were received from different ministers, including former ministers of the church, also old friends.

RYLSTONE

The Rylstone Women's Institute held their October meeting at the home of Mrs. Alfred Barnum on Tuesday afternoon, October 4th. Owing to the death of one of the members of the Springbrook Institute, their branch did not attend. A short impromptu program was given and a social hour spent. Lunch was served. When returning from Madoc Fair on Wednesday, Will Allan had the misfortune to upset his truck, near the Spry Settlement. The truck rack was damaged, but neither Mr. Allan or the cattle were hurt.

Mr. George Finch spent a few days recently with his daughter, Mrs. Archie Samus at Dundonald.

There was no service at Rylstone church on Sunday, owing to Zion Anniversary services.

Visitors at the home of Mr. and Mrs. Alfred Barnum on Sunday were, Mr. and Mrs. Dan Petherick, Mr. and Mrs. Murray Petherick, Stanwood, Mr. and Mrs. Herbert Spencer and Winnie, Mr. and Mrs. Thos. Webb and Nellie, Bonarlaw, and Mr. and

Mrs. Ernest Sloggett and Gerald, Campbellford.

Mr. and Mrs. W. A. Bateman spent Sunday with their daughter, Mrs. Granville Melkjohn.

Mr. and Mrs. Garnet Redden and family had supper on Sunday night with Mr. and Mrs. Ernest Irwin.

Mr. John Rennie and Miss Emma Rennie, of Wellmans Corners, and Miss Evelyn Totten, of Toronto, were Sunday guests of Mr. and Mrs. Fred Barnum.

Mr. and Mrs. John S. McKeown and family and Mr. and Mrs. Fred Barnum and family attended the Golden Wedding of Mr. and Mrs. John Melkjohn in Campbellford on Monday evening. Best wishes to the bride and groom of 50 years are extended from many friends and relatives at Rylstone. Their early married life was spent in this place.

SPRINGBROOK

MAKERS DISCUSS PROBLEMS OF DAIRY INDUSTRY AND SHIPPING

Heartened by a gratifying interest which has been displayed this year by farmers all through the country, and highly pleased that this year's shipments from the central section of the province and particularly the County of Hastings have made a substantial gain over that exported to foreign markets last year, the cheesemakers of the central section of Ontario are once more renewing their attack on the listlessness of the industry which for a time seriously threatened to cripple it just a year or so ago. A determination is now apparent among not only members of the various associations for the protection of the industry, but farmers themselves who have come to realize just what cheesemaking means to them in the dollar and cents method of figuring.

This determination was no better exemplified than at the meeting held in the office of Mr. J. L. Irwin, Dominion cheese grader of this district. At this meeting, the most important one that has been held since the last convention of the Central Ontario Cheesemakers' Association, in Belleville last winter, illuminating facts on the cheese industry of this immediate district and other districts of the Central Ontario region were presented by executives of the Central Ontario Cheesemakers' Association, and by dairying instructors from all parts of the central section of Ontario.

Every district in Central Ontario from Peterborough to Kingston was represented at this meeting which was held for the purpose of comparing notes from the past season, and also for the purpose of making arrangements for the future convention of the association to be held in Napanee this winter.

Presiding over the meeting, Mr. J. N. West, president of the Central Ontario Cheesemakers' Association, welcomed the members in a short address, and particularly thanked Warden Chas. Bothe of the County of Lennox-Addington, and Reeve Campbell of Kalamarg for their appearance and the interest they displayed. He invited district instructors to an open discussion on ways and means to improve quality and make in the industry and also any other opinions relative to the good of the business.

Outside competition evidently seemed to trouble cheesemakers of the district of Peterboro, according to Mr. Moore, instructor of that district. "We," declared Mr. Moore, "have experienced a great deal of trouble with trucks from outside points coming into our territory and taking the best of the milk. What is left goes to our factories, but a high quality cannot

be maintained in the cheese if we are to take what is left by outsiders." Shipping facilities, or the lack of them, was being experienced in the district of Stirling, according to Mr. C. F. Linn. "Cheese are being trucked into Belleville and loaded into the store rooms at the dock to wait for the boat. Then they are taken from the store rooms and put on the boat some time after. In hot weather this is very hard on cheese and some way should be found to remedy it. About the only way cheesemakers can assist is to make their cheese just a little drier to avoid pastiness. Our cheese this year was not quite as good in 'make' as it was in the year 1931.

While Mr. Linn pointed to the fact that cheese in his district did not grade as high as last year, Mr. Fred Clarke, of Moscow, claimed that in his district higher grading this year was seen over that of the year before. "We have consistently graded higher this year," he declared. Some difficulty in organizing his cheesemakers was felt owing to the size of his district. A suggestion was made by him that his group might split up and be divided into other districts.

Mr. C. J. Brennan, of Deseronto, approved of this idea of taking over some of Mr. Clarke's group who might care to join up with that of the Deseronto district and declared himself willing to aid in that direction. Considerable enthusiasm was felt over the fact that Napanee had been chosen as the site for the next convention. "Publicity which past conventions have given the Belleville district," he commented, "has undoubtedly stimulated the farmers to take a greater interest in the work and has helped improve the milk supply even in our own section. The convention, which will be held in Napanee, will undoubtedly do a great deal more good."

Mr. W. Cooper, Sunbury, also voiced his willingness to take in as many of Mr. Clarke's members who wished to come. Factories in his district, he declared, were in the great majority privately owned. "Many of the farmers do not take as good care of their milk as they should."

"More attention should be paid to milk pails and cans," asserted Mr. W. Hicks of the Milford district. "Also a man should be appointed to visit the farms and look after conditions. The milk supply could be improved a great deal as some of the farmers are working under very bad conditions. Competition is very keen in Prince Edward County, with trucks going and coming in all directions. Grading and transportation are both very satisfactory."

In the Kalamarg district cheese factories have nearly all closed down because of the cost of milk drawing, according to Mr. Campbell of that district. "Cheese factories could be made to pay in that district," declared Mr. Campbell, "if they were arranged so that cheaper transportation could be offered."

High Scoring
Mr. W. V. Drewery of Northumberland was eminently pleased with the report he had to offer. "Cheese in our section showed a higher average score this season. We also had a good season for making it. To show the amount of interest which is evident now we had a total of 400 at the only meeting we had this season. All the farmers are taking a great deal more interest in the business. What the farmer likes at these meetings is more entertainment and less speaking."

Mr. Allen of Peterborough also reported a great deal more interest evident among farmers in his district this season. "Prospects look good for another year."

In Prince Edward County, Mr. J. E. Vandusen has had a good meeting in every factory this season with great success from every one. "The principal trouble, I believe, comes from the patron's milk cans and pails. Some steps should be taken to remedy this."

"Rancid flavors come mostly from dirty strainers and cloths," asserted Mr. Sandwith of Kingston district. "Unclean containers may help but the most trouble you will find will be from the other two causes." No cheesemaker should be let off without paying fees to the association was also advocated by Mr. Sandwith.

Mr. Fred Mallory, of Frankford, is trying hard to have a laboratory set up where patrons' milk can be sent and a bacterial count taken. Correction should come from officers and cheesemakers of a company. "I see no reason why plants could not be run twelve months a year," declared Mr. Mallory. "The plants could be dual purpose plants where butter and cheese could both be made. Farmers should be taught that the cheese business is their business and they should take pride in their product." It was contended by Mr. Mallory that the government grant given to the Eastern Dairymen's Association should be divided among cheesemakers and the Factory Patrons' Association. "The

transportation problem will have to be amended, and also the marketing," he said.

In a short address given by Mr. J. L. Irwin, he thanked the members for the good turnout and the excellent reports which had been received. Full co-operation would be needed from everyone to assure the success of the coming convention. So far 234 entries in the Herd Competition had been registered—Belleville Ontario-Intelligence.

TRENT VALLEY JUNIOR FARMERS RE-ORGANIZE

Burnbrae—This district was well represented at a recent meeting of the Trent Valley Junior Farmers held in the Ferris Hall, Campbellford for the purpose of re-organization. The meeting was opened by the retiring president, L. Anderson, who called upon the District Representative, Mr. Walter Smith, to conduct the business session. Harold Milne was appointed secretary for the evening and on motion all officers were declared vacant, and re-organization took place. The new slate of officers is as follows:

President—Stanley Nelson; Vice President, Grant Kerr; Secretary, Treasurer, Harold Milne; Directors, Chas. Ingram, Ted Peake, Gordon McCulloch.

Following the election, plans were laid for a junior plowing match, to be held on Friday, October 21st. The Grounds Committee, Messrs. Thos. Fry, James Stewart and Leo Fry, are looking over the prospects for a field and this will be announced soon.

To raise sufficient funds to match the grant from the Plowmen's Association, the local Juniors held a dance on Friday night in Lamb's Hall, Menie. The Finance Committee, L. Anderson, Crady Nelson, Fred Fry, with the executive committee, made arrangements for the event.

DOGS NOW BANNED FOR DEER HUNTING

Despite the fact that at the last session of the Legislature the Minister of Game and Fisheries, had legislation passed banning all dogs in connection with the hunting of deer, moose and caribou in the province of Ontario, and thereby putting this province in line with all other provinces in the Dominion and nearly all of the states south of the line, many people are yet of the opinion that the matter of running dogs in deer hunting is still under the jurisdiction of the Special Committee appointed over a year ago, to consider matters of conservation regarding our wild life within the province, and that this Special Game Committee has the power to change the law in this respect.

Such, of course, is not the case, and even the Government has no power to change the law, such change, if any can only be made by the Legislature in session, which does not meet until February of next year.

For the information of sportsmen we quote the regulations of the Game Laws in respect to the banishment of the dog, as follows:

"Sec. 31—(1) It shall be unlawful for any person to use or to be accompanied by a dog while hunting deer, moose or caribou."

"(2) It shall be unlawful for the owner of any dog to permit such dog to run at large in a locality which deer, moose or caribou usually inhabit or in which they are usually found."

"(3) Any person harbouring or claiming to be the owner thereof, and any dog found running deer, moose or caribou shall be deemed to be at large with the permission of the owner and may be killed on sight by any person, and he shall not be liable to any penalty or damage therefor."

Lindsay—Wolves in large numbers are coming farther south than ever before, reports throughout the district indicate. Between Burnt River and Cobocook they have been particularly active, and Reeve Joseph Handley, Jr., of Somerville Township, reports that 12 sheep have been killed, five are missing and four were found in a dying condition. Many deer have been driven to comparative protection around the villages by wolves in the past few years, and observers say that the wolves are following them south this year.

SUMMER RESORT FISH GO INTO WINTER QUARTERS

Toronto—If you think the much-fished-for fish of Canada are all to be pitted, make a note of what happens to some of the luckier varieties. They inhabit gay summer resorts in winter and fine city hotels in winter.

Now that Jasper Park Lodge, in the Canadian Rockies is closed, the cod fish that summured outdoors in Jasper have arrived, by railway express in milk cans, at the Hotel Macdonald in Edmonton and at the Fort Garry in Winnipeg, there to spend the

winter in luxurious indoor pools.

Less fortunate are the fish that summured at Minaki Lodge, another Canadian National Railways summer resort. They are of the species bass, and bass are considered incompatible with gold fish. The Minaki fish were put into the outdoor pools by children last spring and have been released into the Winnipeg river to spend the winter in deep waters, far from the maddening crowd.

Even less fortunate will be the Minaki bass of next year. It is planned to place numerous specimens in the outdoor pools next spring, to fatten them during the sunny months and to serve them as pieces de resistance on the dining room tables of the Lodge.

ROADS AND THE FARMER

Almost 30 per cent. of farms in Canada are situated between five and ten miles from a market town. Another 15 per cent. are 10 to 15 miles away; 11 per cent. are 15 to 25 miles; 12 per cent., or one in eight, are more than 25 miles from a town. Curiously enough, the province in which the largest proportion of farms is remote from any town is not in the west with its wide open spaces. Quebec reports 47,237 of its 135,957 farms as 25 miles or over from market town; 27,682 between 15 and 25 miles, and only 18,057 within a five-mile radius. Ontario, Prince Edward Island, Manitoba are the three provinces for which the totals are the largest in the under-five miles group and decrease steadily as the radius increases. Ontario has 192,174 farms of which 66,478 are within five miles of market towns. 62,507 five to nine miles and only 9,330 a greater distance than 25 miles.

Letters to the Editor

MEMORIES OF FIFTY YEARS AGO

To the Editor of the News-Argus, Stirling, Ontario.

Thorold, Oct. 8th, 1932
Dear Sir,—
In view of the recent death of Sir Gilbert Parker and of the early life he spent in your county, I thought a little reminiscent note might be of interest to your readers whose memories go back fifty years or more. As you probably know, I came to Stirling in the summer of 1879, and issued the first number of The News-Argus in September of that year. Among the first people with whom I became acquainted was a young school-teacher named Gilbert Parker, and I learned that he had been a clerk in Dr. Parker's drug store not long before my arrival in the village. Rev. J. T. Dow-

ling was pastor of the Baptist church then existing and he had strong artistic tastes, leaning mostly to bible subjects and illustration. He had a lecture, rather a series of lectures entitled "Voices from the Tabernacle", with large canvas illustrations, and he and I toured the surrounding country, meeting such engagements as we could make with churches and schools. Gilbert Parker was teaching down on the front of Sidney at the time, and with him we made an appointment. Arriving the evening of the date, we found a packed school house, the interest being so great as to cause remark. The answer was from the young teacher: "I visited forty families during the days previous, urging their support of this entertainment." That was Gilbert Parker. What he had undertaken to accomplish he accomplished, leaving no stone unturned to reach a successful end. That quality marked his life. After the lecture, he took us both to his boarding house, a nearby farm home, and after a lunch piled the artist lecturer with questions about his work and his gifts, illustrations, etc., almost to the point of weariness. We did not understand his eagerness to know, but in following his life through the years, and noting his uniform success in what he undertook, it was understood. Not many years later he went out among the Canadian Indians, lived their life and wrote what I believe was his first published story: "The Translation of a Savage" which was published in my paper, and which made a hit for its strength in delineating Indian and English character.

His thoroughness in action is evidenced by an anecdote which I read of him in London, characteristic of the man. He was walking home, when he saw a group of men loitering aimlessly around one spot, and approached them, saying: "Gentlemen,

you seem to have time hanging heavily on your hands. I would like to purchase some of it, if you can devise a way, as I cannot get enough of the day to do the work I have in mind. Here is my card, and I would like to hear if you can help in that way." He walked away, and the men were stupefied when observing the name on the card he gave them.

GOOD CROPS IN ALBERTA

Airways, Alta., Oct. 7th, 1932
To the Editor of The News-Argus, Stirling, Ontario.

Perhaps a line from this central Alberta, would prove interesting to some readers of this paper.

This has been a fairly good year for crop growing with very small percent. hailed and the fall has been quite favourable for harvesting and threshing. Wheat has averaged around 20 bushels to the acre in this district, but a 29 cent price does not help finances much. Threshing is practically ended. Combining was especially favourable, some farmers doing large acreage without a delay.

Yours respectfully,

R. Bruce McMullen

General News of Interest

Lindsay—At a recent meeting of the Hydro Commission the board refused to pay its share of the exchange to the Provincial Hydro Commission and the Secretary was instructed to inform the Provincial Commission of this decision. The regular bill for \$5,184.55 for August was ordered paid and a further bill for \$3,617.97.

Wellmans—Mr. Merle Todd, of Toronto Public School staff took suddenly ill early Friday morning and was conveyed to Belleville Hospital where he was operated on for appendicitis. Latest reports say he came through the operation successfully.

Bancroft—Norman Gilroy was re-elected president of the Liberal association of North Hastings at their annual meeting held here last Thursday. J. J. Duffus and Nelson Parmenter attended the meeting, at which arrangements were discussed for a convention at Madoc probably within the next month or six weeks. F. A. Bapty of Deloro was elected secretary.

Madoc—Lifting his gun from a wagon, John Hart, Jr., of Madoc, was shot in the arm above the elbow when the gun accidentally exploded. Medical attention was given and the injured man was removed to the Belleville General Hospital where it was decided that amputation of the arm was necessary. The accident occurred when Mr. Hart was hunting in woods just outside of Madoc. It is believed that the trigger of the gun became caught while Mr. Hart was lifting it from the wagon.

THE LATE MRS. J. T. CAMPBELL

Campbellford—The funeral of the late Nellie Rosebush, wife of Thos. G. Campbell, was held on Wednesday afternoon, last week, from the family residence, with interment being made in Mount Pleasant Cemetery, the Rev. J. C. Robinson, pastor of St. Andrew's Presbyterian Church, officiating. The pallbearers were: Jas. Malloy, John Simmons, John Peeling, George Bailey, James Russell and John Nelson.

The late Mrs. Campbell died on Monday in the Weston Hospital, Toronto, aged 43 years and 4 months. Born in Stirling, a daughter of Mr. Joseph Rosebush, of Toronto, she married Thomas Campbell twenty-eight years ago, coming to Campbellford to reside. She was highly respected for her many fine traits of character. Besides her husband she is survived by one son, Arthur, of Peterborough, and three daughters; Jessie, Edna and Ruth, at home. One other daughter, Ella, predeceased her mother last March.

Millie found time to take an active part in civic affairs. He was a past president of the Washingtonians, a member of the Seattle Chamber of Commerce, and always had interested himself in movements looking toward the betterment of his city and state. His fraternal affiliations included membership in Seattle Lodge, B.P.O.E.; Arctic Club and Marmora Lodge, No. 222, A.F. & A.M., Marmora, Ontario. He was also an ardent sportsman.

Surviving him are his widow, Mrs. Gertrude De Mille; two sons, C. R. and William J. DeMille; two brothers, Dr. A. C. DeMille, of Toronto and Dr. Carlyle De Mille of Los Angeles and his mother, Mrs. T. C. DeMille, also of Los Angeles.

RIVER VALLEY

(Too Late For Last Week)

Mr. and Mrs. Ross Bush and family were Sunday visitors at the home of Mr. Arthur Bush, Glen Miller.

The Uniondale Women's Institute visited River Valley Women's Institute on Friday evening, Sept. 30th, at the schoolhouse. There wasn't as good attendance from River Valley on account of unfavorable weather. The Uniondale Branch gave a splendid program and afterwards River Valley served the lunch. All enjoyed the meeting and hope Uniondale will visit us again before long.

We are pleased to report Mrs. Geo. Taugher, who has been seriously ill with erysipelas is gaining slowly.

Mr. and Mrs. Alex Bush, Adeline and Marjorie spent Sunday with Mr. and Mrs. George Burkitt, 4th concession Sidney.

Mr. Clarence Chard, who has been suffering from a carbuncle is able to work again.

Mr. and Mrs. Fred Heasman and children visited Mr. and Mrs. Frank Carr on Sunday.

Charged before Magistrate J. M. Bygott in Campbellford Police Court on Saturday, under the L.C.A., on a charge of permitting drunkenness in a private dwelling, John E. Brady, 32, Campbellford, was remanded for one week. Bail was refused and he was taken in custody to Cobourg gaol.

FIRST DELORO WOLF CUBS

The meeting opened with the Grand Howl taken by C. M. Kerr. A talk was given the boys on discipline, as they are finding it hard to settle down to earnest Cubbing. A series of games were played, led by C. M. Kerr and A.C.M. O'Neill. Attendance and dues were marked by A. C. M. Kerr and test work was discussed. A test meeting will be held next week. The boys were dismissed at 8:30 by the Grand Howl, taken by A.C.M. O'Neill.

FIRST DELORO GIRL GUIDES

Oct. 10—The meeting opened with the Guide prayer read by P. L. Doris McInroy. P. L. Jean O'Neill then read the log, also a letter from Mr. H. Smith, of Deloro, Iris Smith has been undergoing treatment at the Sick Children's Hospital, and we are very glad to report that she is able to be back again with us. A favourite game "Creep Mouse" was played. Attendance and dues were then reported to Lieut. Kerr. The winning of certain badges were then discussed and the first lecture on the ambulance badge was held. The younger girls were further instructed in second class work, knots and Morse. A new song was learned and several old songs were sung. The meeting closed with taps and dismissal. Meetings are now held for only one hour, 8 to 9.

SIDNEY COUNCIL

Council met in the Council Chamber, Wallbridge, on the 3rd inst. with all the members present. The minutes of the September session read and adopted.

A communication from the C.N.R. re removal of cattle guards on their lines in Sidney Township was presented to the Council but was laid over until the November session.

The Clerk was instructed to reply to Dr. McMullen's letter re Somerville Account and explain as to instructions given by the Reeve in the case.

The following were ordered to be paid: M. Jones, 18.00; Municipal World, 30c; Conger Lehigh Coal Co., \$12.50; Geo. M. Ketcheson, \$2.40; Dennis Carr, \$182.00; Fred Carr, \$12; Sidney Township School Fair grant, \$50.00; Belleville Agr. "Yes—we're both feeling fine"

Joe Thompson and his wife were glad when Gwen finished Business College and got a good position in the city. But Gwen was the last of the family and the house was pretty lonely.

Then they found they could call her on Long Distance telephone for as little as 30 cents. So now, every Friday evening, Gwen waits for their call and the weekly talks make them all feel better.

Long Distance is easy to use, dependable, and surprisingly inexpensive.

Low evening rates on station-to-station calls begin 7:00 p.m. Still lower night rates at 8:30 p.m.

A. Y. F. A.

A general meeting of St. John's A. Y.F.A. was held in the Vestry of the Church on Tuesday evening. Hymn 783 was sung, after which Mr. Byers led in prayer. The minutes of the last meeting were read and adopted, followed by roll call. It was decided that the social evening of the neighbouring branches would be held in Stirling Community Hall on Monday evening, October 24th. Miss Alice Morgan had charge of the program which was well prepared. Marie Heath gave a reading on the First Thanksgiving Day, dealing with the hardships of the Pilgrim Fathers from the time they left their native lands to settle in unknown regions until they held their first Thanksgiving Festival. Margaret Cooke then gave a reading on Thanksgiving that pointed out the things for which we have need to be thankful. Harry Morrow then spoke on a trip through the Lumber Camp, which proved very interesting as he outlined the movements of the men from morning to night, and their methods of obtaining lumber. Roy Bateman gave another reading on Thanksgiving which was followed by an educational address on "Poisonous Weeds" by Alice Morgan. She dealt chiefly with Poison Ivy, distinguishing it from other ivies, and in what manner it could be checked from reaching too severely. After this Miss Morgan also put on two contests, a weed and a bird contest. Four sides were chosen by Mrs. Gould, Mrs. Cooke, Mrs. Bateman and Mrs. Mitchell. Mrs. Cooke's and Mrs. Bateman's side tied for the Weed contest, and Mrs. Gould's side won the bird contest. The prize was donated by Alice Morgan and won by Marie Heath. The meeting was closed with the National Anthem.

ST. PAUL'S W. M. S.

The W.M.S. of St. Paul's United Church was held on Tuesday afternoon with a large number of members present and Mrs. Macklin, president, presiding. The meeting opened with the singing of "For the Beauty of the Earth", after which Mrs. Macklin offered prayer. The minutes of September meeting were read and approved. The reports of the different secretaries followed. Mrs. Sine reported that she had received a card thanking the Society for the bale which had reached its destination in good condition. Miss Currie, the Missionary Monthly Secretary, reminded the members that subscriptions for this magazine were due in November. It was decided that Miss Currie choose an assistant for this work. Mrs. H. C. Martin, Christian Stewardship Secretary, read a letter from Mrs. Parker, the wife of the minister stationed in the Peace River District, and in whom this auxiliary is much interested. The roll call was answered by a verse emphasizing service. The hymn "From Greenland's Icy Mountains" was sung and four members offered prayer. The Scripture lesson was read by Mrs. L. Munro and found in the 103rd Psalm. A solo, "The Shepherd" was rendered by Mrs. J. Butler in her usual pleasing manner and was well received. Mrs. W. H. Moise, the delegate to the Sectional Rally at Stone Church, Sidney, gave her report of the Rally, which was listened to with much interest by the members. The meeting was brought to a close with the singing of hymn "Day is Dying in the West", and all repeating the Mizpah Benediction.

C. E. HANNA, EX-M.P., DIES AT BELLEVILLE

Belleville — Charles E. Hanna, formerly a member of the Dominion parliament for this district and one of the city's most prominent men, died at his late residence here on Monday, following an illness which had extended over a period of two months. Mr. Hanna had served in almost every office in the various organizations throughout the city and district. He was an active Liberal and was a member of the Belleville Kiwanis club and president for one year. He was also a member of the chamber of commerce here and for many years past had been a member of the Odd Fellows and was affiliated with the Eureka lodge of the Masonic order. Deceased had been president of the unemployed relief association last winter and was past president of both the Retail Merchants' association and the Ontario Retail Hardware association. Mr. Hanna had been head council commissioner for the Woodmen of the World Lodge and was a member of the Orange Order. He served three years as an alderman and was mayor for two years. During the past three years he has acted as a Hydro Commissioner and for many years had acted on the local board of the Y.M.C.A. He also served on the board of education. Surviving are his two daughters, Mrs. George Brown and Miss Jennie, of Belleville, and a sister, Minnie, of Belleville.

Special News For Farmers

Western Ontario Leads

The County of Wentworth now leads Canada in the production of high-quality hogs. For the past seven months, 90.6 per cent. of all the pigs marketed from that county graded "select" or "bacon", the two top grades.

The seven leading counties are in Ontario. Waterloo was second with 89.3 per cent., Brant 89.1 per cent., Perth 88.2 per cent., Huron 87, and Wellington and Oxford both 86. Perth County, well up in quality, was the heaviest producer with 54,708 head in the seven months.

WARNING TO FARMERS

At the present time reports are coming into the Department that oats for which fabulous promises are made are selling at \$1.60 to \$1.80 per bushel, while the finest registered seed oats grown in Ontario can be purchased at less than half the price.

Farmers should take warning from the experiences of others. Losses caused by this form of exploitation by certain unscrupulous firms probably run into thousands of dollars yearly.

No so many years ago salesmen actually sold wheat represented to be from King Tut's Tomb to Ontario farmers at prices ranging from \$3 to \$6 per head. If this grain had actually come from the tomb of Egypt's famous king it would have been several thousand years old, and even the common mustard, which is credited with being the most retentive of life of all seeds, cannot hold life within the seed more than fifty to seventy-five years.

In February, March and April of 1932 nearly a carload of little-known and inferior variety of oats was sold in a well-known section of Central Ontario at \$1.35 to \$2 per bushel. These oats were marked Grade 3, which is the lowest grade that is permitted to be sold under the Federal Seeds Act, and a grade that is not suitable for seed at any price, let alone at prices four to eight times higher than the ordinary market price for good Ontario No. 1 oats of recognized standard variety.

Government institutions, such as the Central Experimental Farm, Ottawa, the Kemptville Agricultural School, the Ontario Agricultural College, Guelph, the Ridgeway Experimental Station at New Liskeard, test on all the known varieties of all kinds of grain commonly grown in Ontario and recommended for planters only those varieties proved to be high yielders and adapted to Ontario soils. Farmers who follow the results of experiments of these institutions do not as a rule give away hard-earned cash to smooth-tongued salesmen who are full of promises and never operate in the same district twice.

Time and again these "too good to be true" new varieties have been investigated by Government officials and have been found to be some standard variety sold under a new name. This scheme of exploitation is very old. Perhaps a word of warning to the unwary will very largely check the practice and save the farmer thousands of dollars.

Apple Crop Down

Recent estimates of the commercial apple crop show a decrease of 10 per cent. in production throughout Canada as compared with 1931. This means a decline of approximately 354,000 barrels. The British Columbia crop alone indicates an increase above that of last year. The greatest decrease is shown in Ontario, where the crop is expected to be 30

per cent lower than in 1931. The number of barrels last year was 975,000, while only 680,000 barrels are expected this year in this province.

White Grub Outbreak

White grubs at the rate of from 350,000 to 1,000,000 per acre are present in fields of timothy sod and threaten serious damage to crops in 1933 throughout the northern half of the counties of Glengarry, Stormont, Dundas, Grenville and Leeds and the southern portion of Prescott, Russell, Carleton and Lanark, according to a forecast by Mr. G. H. Hammond of the Federal Entomological Branch.

The prospect of crop losses from white grubs in infested districts in 1933 is extremely serious, according to officials, who state that cropping of infested land during next season must definitely take white grubs into account if losses are to be avoided. At the best there is bound to be some damage but if the known information is utilized the probable loss can be reduced to a small portion of that assured by the numbers of insects in the ground in many districts.

The losses can be cut down (1) by reducing the numbers of grubs in the land; and (2) by selecting the crop to be grown upon a given piece of land with its resistance to injury and the white grub population of the field in mind.

CENTRE HASTINGS TEACHERS CONVENE HERE

(Continued from Page One)

Miss Hilda Thompson, of Marmora Public School, discussed primary reading. This thoughtful paper proved very helpful to all those engaged in this work.

Miss Loreen Cannon, Madoc Public School, gave a number of devices which might be used in the teaching of primary number work. This subject was covered in a very thorough manner by Miss Cannon.

Miss Grace Houston, Tweed Consolidated School, followed with Primary Spelling. This should be taken in conjunction with Primary Reading and is closely allied to it.

Composition for the grades was discussed by Inspector McGuire who advised that teachers should begin written compositions in the first class. Mr. McGuire said that composition throughout the inspectorate is, in general, poorly taught and offered many helpful suggestions as to how it may be improved. He looked forward to marked improvement during the present year.

The last topic of the convention was Solutions in Arithmetic by Mr. A. E. Smith, Marmora High School principal, who suggested methods by which increased speed may be obtained in mechanical arithmetic. Mr. Smith advised omitting unnecessary statements in written solutions.

The convention closed with the National Anthem, to meet in Marmora in 1933.

MENIE

Mr. and Mrs. John Thompson, also Mr. and Mrs. James Thompson were entertained at the home of Rev. Mr. and Mrs. H. Shaw on Thursday evening.

Mr. and Mrs. S. Nix entertained visitors from Toronto on Sunday.

The Junior Farmers held a dance in Menie hall for the purpose of raising money for a plowing match. This will take place on the 21st of October on the premises of Mr. F. McMullen.

A number from here attended English Line Fowl Supper on Thursday evening.

There are a great many suffering with bad colds. This must be due to the changeable weather.

Mr. and Mrs. David Melkiejohn and children spent Sunday with Mrs. Whitton and family.

The Menie Softball girls were honoured at the home of their captain, Miss Edna Whitton, on Monday evening when a welter roast was held. The evening was spent in playing cards, games, and music. We trust that all the girls will be interested again in the game for 1933.

Mr. and Mrs. Percy Oddie and family spent Monday celebrating Mr. and Mrs. Melkiejohn's 50th wedding anniversary.

Mr. and Mrs. W. J. Wallace and Roy, of Toronto, were Sunday visitors in our community.

Mr. Geo. Wallace was in Belleville on Friday taking treatment for his eye. We hope this will soon be recovered.

MR. AND MRS. CLARENCE SEENEY SHOWERED

A miscellaneous shower in honour of Mr. and Mrs. Clarence Seeney was held at the home of the former's father, Mr. Jas. Cooney, on Wednesday evening last week. There were over fifty present. The following address was read:

Stirling, Ontario,

October 5th, 1932

Dear Clarence and Theda,—
We, your friends and neighbours, have gathered here this evening to do honour to one who has been a real friend to all. It is a pleasure, Clarence, to know that you will still be among us to share in the activities of social life, and we all join in wishing you true happiness, health and prosperity.

Now Theda, if you feel lonely, Just whistle and sing,
It makes the clouds brighten Like everything.

Just be to your husband A dear loving wife—
And then he will love you The rest of your life.

Please accept these few gifts, As a token, we pray,
Of the love and esteem We will bear you away.

Please kindly unwrap them, And we will stand by
And watch with delight As each one you untie.

Signed on behalf of your many friends — Oscar Merrick, Archie Bailey, Bill Montgomery, Fred Wannamaker.

Mr. Seeney most suitably replied, inviting all to visit them. The remainder of the evening was spent in dancing.

Ward's Store
Burglarized

F. T. Ward's Men's Clothing Store seems to be a popular centre for burglars. Last Friday night or early Saturday morning thieves forced their way into the store and removed about \$500 worth of overcoats, suits, ties, hats, etc. Entry was made by cutting a hole in the front door, with a glass cutter, large enough to enable the thief to put his hand through and unlock the Yale lock. This is the second time this store has been burglarized in two years and the guilty parties have never been apprehended for the previous "haul".

The break-in was first noticed by Wilfred Graver, baker for W. Wright, who was on his way to the bakery about 5:30 a.m. Saturday morning. Mr. Graver immediately notified Constable Harry Wickett, who after informing Mr. Ward investigated the robbery following which he called in the Provincial Police to assist.

No disturbance of any kind had been heard by any residents in adjoining buildings during the night, and everything seemed in perfect order when Mr. Wickett made his rounds late Friday night. No car was seen or heard in the immediate vicinity during the early hours of Saturday. The police are investigating but up to date no arrests have been made. This is a severe loss to Mr. Ward, particularly in these times, as we understand the goods were not insured against burglary.

Banquet At Springbrook

Springbrook Softball Team, Champions of Rawdon and Centre Leagues, will be banquetted in the Orange Hall at Springbrook tomorrow (Friday) evening, at 6 o'clock. The banquet will be open to the public and among the guest speakers will be the Hon. J. R. Cooke. No special invitations have been issued, and it is hoped the softball fans in the district will attend. There will be dance following the banquet. The tickets are 50 cents each which will include both banquet and dance.

MANY MOTORISTS
OUT FOR WEEK-END

Blessed with a delightful week-end of ideal weather, Indian Summer, in fact, many residents motored to the woods in the hills of the north, which were ablaze with the glorious tints of autumn. Beech nuts or butternuts were only a minor attraction to the scenery such as only a Canadian woods can produce at this season. Those who want to see some of this grandeur motor back north or up around the Cook Hills and their eyes will get a feast that will long be remembered.

FRACTURES COLLARBONE

On Tuesday afternoon, shortly after four o'clock, Miss Evelyn Lindenfield, daughter of Mr. and Mrs. Walter Lindenfield, Oak Lake, and a student of Stirling High School, had the misfortune to fracture her collar bone when she fell from a car driven by Gerald Frederick, while en route home from school. Just as the car swung around the corner at Burdick's Garage Miss Lindenfield attempted to close one of the doors and with the swaying of the car, the door flew open again and she lost her balance and tumbled out, with the above results. She also received other minor bruises which fortunately were not more serious. Miss Lindenfield is visiting her uncle, Mr. Fred Melbourne, Shannonville, while recuperating.

FOWL HAVE AUTO RIDE

On Tuesday night a farmer residing within a mile from Stirling motored into town. There is nothing unusual about this statement, yet when he drove through parts of the business section, chickens could be heard and some citizens kept pointing at the car, with the result that the driver stopped. Upon inspection it was discovered that a rooster and hen were perched on the bumper. Apparently the fowl had gone to roost on the bumper for the night, not suspecting that the owner would be removing it from the garage. Their remaining on the "auto perch" on the journey to Stirling demonstrates most pointedly that the said farmer is a most capable and careful motorist.

ON THE STREET

A subscriber handed in the following article yesterday, which may be applicable to Stirling:
ON THE STREET WE OBSERVE
—That there are few vacant houses in the village; that the best produce does not advance; that there are too many young men standing in the doorways on Front Street at night; that the police do not see them; that small boys and girls are out too late at night on the streets; that it is about time we heard again from the Atlanta; that boys continue to loaf at the bridge approaches; that racing cars on Mill Street is a dangerous pastime; that the rising generation does not show improved manners and that very young boys in this village smoke cigarettes.

LEGION POPPY DAY

The local Legion will hold a Poppy Day on Saturday, November 5th. Everybody is urged to support the Legion in this event, as all the funds received are used to aid veterans' wives and families.

CATCHES LARGE BASS

Mr. Wm. Simpson, shoemaker for F. N. McKee, concluded the bass fishing season on Saturday in great delight. He went to Coneseon Lake "to try his luck" and was successful in landing a bass that tipped the scales at 4½ pounds.

REAL ESTATE NEWS

Mr. George Rupert, of Huntingdon, has rented Mrs. J. Wannamaker's farm in Rawdon and will take possession at once.

Mr. S. Belshaw has rented Mr. Jas. Dunkley's house on the Campbellford road, and along with his daughter will move from his farm to reside.

Veterinary Johnston, who has conducted the Paisley House for the past year, has moved into Mrs. L. Vanderwater's house on Edward Street. Mr. Johnston's lease has expired and Mr. Wesley Baldson has leased it from Mr. T. E. McCaughen, owner, and took possession on Tuesday.

FARMHOUSE IS
DESTROYED BY FIRE

Mr. Raniel Bronson, of the tenth concession, Rawdon, had the misfortune to lose his house by fire, early Tuesday morning, last week. The cause is supposed to have been from a defective chimney. Practically all of the contents were saved. The loss was covered by insurance. The company in which the policy was carried proved most prompt in paying the claim, for a cheque for the entire sum was paid by the Gore Insurance Co. last Saturday, or three days after the conflagration. This speaks highly for that insurance company.

PERMANENT REPAIRS

On Friday the Raynor Construction Company repaired the holes in the amesite made when the waterworks were installed. It was thought that the material removed at the time the mains were installed could be replaced. The Council engaged two men to do this, but it was found unsatisfactory, and holes would have developed. As repairs had to be made to a spot on Mill Street east by this Amesite firm, the Council was fortunate in having all the bad spots repaired at the same time. The material was applied hot and rolled in, making the repaired section permanent, and water and frost proof, as well as eliminating "bumps" which otherwise would have been the case.

HORSESHOE PITCHING
CLUB ORGANIZED

Horseshoe pitching has become a most popular sport in Stirling. With cold weather near at hand, the enthusiasts have organized a club, and will stage their contests in the arena. Courts are being erected and no doubt much sport in this popular pastime will be enjoyed until ice-making time arrives. The first games will be played in the arena tonight. The membership fee is only 75 cents, which entitles a member to play day and night, except Sunday, of course. The fee is indeed small and it is hoped all those who enjoyed "flinging" behind Jeffrey's Mill during the summer, along with others interested, will join up. The following are the officers elected at a recent meeting:

President—Wm. Fitchett.
Vice-President—Walter Jeffrey.
Sec.-Treas.—A. S. Murdett.

HIGH SCHOOL SPORTS

The S. H. S. girls completed the postponed events of their field day and the following are the results:

Senior Standing Broad Jump, previously tied, for third place—Marjorie Hagerman.

Senior Running High Jump, previously tied for third place—Ruby Bray.
Junior Running High—Ruby Stapley, 4'; Pearl Stapley, Phyllis Mitchell.

Junior Basketball Throw—Pearl Stapley, 5' 10"; Ruby Stapley, Phyllis Mitchell.

Senior Basketball Throw—Marjorie McInroy, Lenora Ward, Ruby Bray.

Junior Softball Throw—Pearl Stapley, 129'; Ruby Stapley, Olive Munro.

Senior Softball Throw—Marjorie McKeown, Marjorie McInroy, Marion Bailey.

Boot and Shoe Race—Marion Bailey, Lenora Ward, Pearl Stapley.

Wheelbarrow Race—Marion Bailey and Jean Munro; Olive Stewart and Ruby Bray; Ruby Stapley and Pearl Stapley.

Senior Champion—Lenora Ward, 22 points.

Junior Champions—Ruby Stapley, Pearl Stapley, tied, each with 27 points.

In the girls' competition, Form III, leads the others with a total of 65 points.

United Church
Anniversary

With the fervent singing of the noble CXXI. Psalm, commonly called the Travellers' Psalm, the Sabbath morning service in St. Paul's United Church opened, celebrating, with gladness and trust the eighth anniversary since union. Long before the "call to worship" a large congregation thronged the House of God and members of other congregations came in the spirit of Christian fellowship and joined in praising the Lord for all His benefits. It is believed that all experienced "Blest be the tie that binds our hearts in Christian love". None will soon forget the atmosphere surcharged with expectancy and devotion as they tarried together in the Sanctuary. "And Heaven came down our souls to greet, while glory crowned the mercy seat."

ST. PAUL'S UNITED CHURCH

The choir under the direction of Mr. G. L. Clute, ably assisted by Miss Grace Pitman, who presided at the organ, nobly acquitted itself and added much to the success of both services, with "Who were these in Bright Array" and "In the Beginning was the Word". These numbers were given in splendid form. In precision of attack and sympathetic interpretation they were almost faultless. Mrs. Butler sang in her usual good voice "O, for a closer walk with God".

Dr. R. B. Cochrane, of Toronto, Secretary of the Home Missions Board of the United Church of Canada, preached a soul-stirring sermon taking as his subject "A church that is Big Enough for God." He earnestly contended that the church which is God-centred must be world-wide in its outlook and action. It must be inclusive and not exclusive. It must be free from bigotry and it must be democratic and it must have the passion of our Lord and Master to love and serve. This was Dr. Cochrane's first visit to Stirling and his morning message will long live in the lives of those who were privileged to hear him. This inspiring service was brought to a close by the hearty singing of the congregation "O God of Bethel by whose hand".

Again in the evening the church was filled to hear Dr. Cochrane tell the story of the United Church in Canada. He drew a graphic picture of our domestic missionaries going to the far-off places of civilization to carry the Gospel with its strange regenerating and healing power. It is the whole duty of the whole church to help make this a Christian country socially and economically. As followers of Christ we cannot evade our responsibility. The choir featured two well-rendered selections "Hail to the Lord's Anointed" and "Two Cities" while Miss Bessie Conley and Mr. Harold Ward were heard in fine voice, "Unto Thee O Lord" and "I Shall not pass again this way." Mr. Chas. Allen presided at the organ in his usual capable manner. The closing hymn was "From Ocean unto Ocean".

The Monday evening fowl supper furnished by the ladies of the congregation left nothing to be desired.

Promptly at 6 o'clock 121 guests were seated at the beautifully arranged tables. The staff of waiters were well organized and amid bright, happy surroundings everyone proceeded to supply the wants of the inner man. In all about 300 dined and all voted it "one of the best".

Should Stage Stirling Week

Trenton merchants are staging a big "Buy in Trenton Week", sponsored by the Chamber of Commerce, this week, and from reports it is a decided success. Stirling merchants should organize with the support of the "In-Active" Board of Trade, and stage a "Buy in Stirling Week" for the benefit of shoppers in the district.

THE LOST IS FOUND

Again the News-Argus classified advertisements have proven their worth. Last week a lost advertisement was inserted for a glove and on Saturday this office was informed it had been found. Classified advertisements pay—and the cost is small. Only \$1.00 for three insertions of 17 words or under—cash. If the same is not paid before the first of the following month an additional charge of 10c is made.

Wwks. Extensions
Will be Installed

At a special meeting of the Council held last Thursday morning, too late to be reported in last week's issue, it was decided to proceed with installation of permanent waterworks extensions. The Routley Construction Co., contractors for the system in the completed summer area, were given the contract at the same price. Work was started on Saturday morning on Church street, in charge of Wallace Findlay, of Toronto. When the extensions are completed, practically the entire village will be given service and hydrant fire protection. The streets in the extension were published in a recent issue. The additions have been approved by the Municipal Board at an estimated cost of \$18,000, making the total system approximately \$46,000. Debentures for the extensions will be issued at once at 6 per cent interest and the same is being advertised in a financial journal for bidders. It is expected the work will be completed in from four to six weeks.

FREAK CARROTS

This year seems to be an outstanding year for caroties in nature's growth. On Saturday a "quadruplet" carrot was presented to this office which was taken from the garden of James Donnan, Edward Street. Each one of these culinary vegetables was perfectly formed, a fair size, with only one stem.

Another odd formation in this vegetable was displayed on Monday afternoon, and was taken from P. S. Prin. S. L. Snowden's garden, Station street. It was composed of four distinct carrots, with separate stems, entwined together. The manner in which they grew around each other resembled the arms of an octopus.

Companions Visit Trenton

On Tuesday evening Officers and Companions of Keystone Chapter, to the number of twelve, paid a fraternal visit to St. Mark's Chapter, Trenton, and conferred the M.E.M. degree. Following the work in the Chapter a banquet was served in the dining hall and a most enjoyable evening of fraternal fellowship was spent. Trenton has one of the most artistic Masonic Temples in Eastern Ontario. It is an edifice that would do credit to any city. The following are the Companions from the local chapter: Ex. Com. (Rev.) M. J. C. Levanston, Z. (Dr.) E. A. Carleton, J. N. West, J. F. Baker, C. R. Bastedo, A. E. Dobbie and Comps. J. E. Salisbury, S. N. Snowden, Jerry Craven, J. C. Beacock, Geo. A. Bailey and Alf Williams.

ST. ANDREW'S GUILD

The attendance at the Guild on Monday evening showed renewed interest in its activities for the coming winter. The Musical vice-president, Mrs. Whitehead, put on a very interesting program. William Derindy presided over the meeting and Trevelde Eggleton read the Scripture Lesson. Mrs. Nolan gave a full sketch of the life and works of the great musical composer Beethoven. Chas. Allen again showed his great musical ability by playing Beethoven's "Moonlight Sonata". Mrs. McKeljohn put on a clever "Tree" contest in which all took part. The Committee in charge of the Increased Attendance Campaign feel very hopeful for the Guild's future. Brighter and more interesting programs, together with real enthusiasm and devotion by the Executive will surely convince every member of St. Andrew's that they are really missing much when they fail to attend the Guild. Some of the members are planning to attend the Young People's Rally in Belleville on Friday evening.

LOCAL ODDFELLOWS
GREET GRAND MASTER

Stirling Lodge L.O.O.F. was well represented in Belleville last night, when Madoc and Belleville districts united to do honour to the Grand Master of Ontario, Rev. A. S. Cooke, of London, on his visit to the local lodge. The nineteen members of the local lodge had the largest representation of any lodge in the two districts. Over one hundred and fifty Oddfellows were present and listened to one of the most inspiring and stimulating addresses ever delivered by the Grand Master. A banquet was served with D.D.G.M. Robt. Bristol, of Madoc, as Chairman. D.D.G.M. Rose was chairman for the meeting in the Lodgeroom. Addresses were given by brethren from different lodges and the gathering dispersed at midnight after spending a most profitable and enjoyable evening in the spirit of Oddfellowship. Those from Stirling Lodge were Bros. Geo. Carson, W. H. Patterson, J. B. Thompson, Karl Sine, E. Broadworth, Earnest Carlisle, A. Vandervoort, J. M. Magee, Harold Ashley, Harry Hulin, E. N. Eggleton, R. H. Williams, E. T. Ward, Elgin Wickham, Geo. Carlisle, Earl Searles, Roy Walker, J. M. Clark, and A. E. Dobbie.

BLUE RASPBERRIES

Mr. Dennis Welsh, Church Street, presented this office with a branch laden with ripe blue raspberries picked on Monday morning. The branch was taken from a bush in his garden. The berries were well formed and ripened.

BIG LEGION RALLY

A big Legion Rally for Zone 16, which extends from Trenton to Brockville and Stirling to Picton, will be held in the Agricultural office, Stirling next Wednesday, October 26th, commencing at 5 p.m. Following the rally a banquet will be held in the Community Hall with the Women's Institute members as caterers.

COAL DRAWING TENDERS
OPENED

Tenders for hauling coal from the depot to the Community Hall were opened by the Village Council on Monday afternoon. The following tenders were received: Fred McCutcheon, 60c per ton; F. McDonnell, 60c per ton; Carmen Pritchett, 55c per ton; Ezra Nicholson 33c per ton. Mr. Nicholson's tender was accepted.

PARTRIDGE SEASON
ENDS TODAY

The partridge season, which opened on October 10th, north of the Toronto-Ottawa C.P.R. line, and in this district north of Bonarlaw, Havelock and Tweed, closed today. It is reported that many hunters from this vicinity have taken part in the hunt for this game bird with success. On Tuesday evening the Editor enjoyed a roasted partridge, the first in years, through the courtesy of Dr. H. H. Alger. Thanks, Doctor, it was delicious.

SWALLOWS PIECE OF TIN

The following article relating to Mrs. Mason Clark, of Belleville, formerly of Stirling, appeared in last week's issue of the Havelock Standard:

Mrs. Mason Clark of Belleville, the guest of Mrs. P. McFall, of Blairton, partially swallowed a small piece of tin while eating sandwiches made from tinned salmon on Friday evening last, the metal lodging in her throat and causing intense pain and choking. Dr. Thompson, of town, was called to her aid and succeeded in removing the obstruction.

CORTEGE PASSES
THROUGH STIRLING

The funeral cortege of Eunice, Gladys, Shirley and Alice Wickens and George Keith Cronwright, victims of the drowning accident, when a car plunged into the Trent River near Glen Miller, early Monday morning, passed through Stirling yesterday afternoon enroute to White Lake cemetery for interment. There were two hearses to carry the bodies. A service was held in the United Church, Ivanhoe, prior to burial, conducted by Rev. W. Mellow, pastor. This terrible tragedy has cast a gloom over the entire countryside, and the sympathy of all is extended to the bereaved families.

A. Y. P. A.

A general meeting of St. John's A.Y.P.A. was held in the vestry of the church on Monday evening. Hymn 467 was sung, after which Mr. Byers led in prayer. The minutes of the last meeting were read and adopted, followed by roll call. Certain business pertaining to the social evening to be held on October 24th was discussed, after which a short literary program was put on. Marguerite Polk gave a reading on the life and works of Pauline E. Johnston, taken entitled by roll call. This was very interesting and displayed action of very well read and displayed action and romance. The last reading was given by Frances Cooke, "Grandpa's Aversion to Slang", while a very humorous and gave grand idea of modern slang. Ned Fairies then put on two contests. Stories were chosen by Arthur Bateman, Margaret Danford and Doris Tanner. Margaret Danford's team won the "Men" contest and Arthur Bateman's side won the "Comics" contest. The prize was donated by Arthur Gould and won by Annabelle Lawrence. The meeting closed with the National Anthem. The next meeting will be a social one held in the Stirling Community Hall on October 24th. The members of the A.Y.P.A. cordially invite all members of St. John's congregation.

Men's Club to
Start Meetings

At a meeting of the Executive of the Community Welfare Club on Tuesday afternoon plans were outlined for the first fall meeting of the Club to be held in the Community hall on Tuesday night, November 5. Meetings were suspended in April for the summer months. A banquet will be served commencing at 7 o'clock with the local Y.I. as caterers. At previous banquets a charge of 50c per plate was made, but it was decided to lower the price to 40c. Every member is urged to attend and start the first meeting in an enthusiastic and inspiring manner. A program of local talent will be given.

Y. P. Rally at Springbrook

A Young People's Rally for North and Centre Hastings will be held in Springbrook United Church next Monday, October 24. There will be an afternoon session commencing at 2:30 o'clock and an evening session at 7:30. Societies are requested to send delegates and vice-presidents. A supper will be served at 6 p.m. for 25c. Mr. Arthur Wilson, of West Huntingdon will be chairman of the afternoon session and Rev. W. J. Fletcher the evening session. The following are the officers:
Hon. Pres.—Rev. H. Neal.
Pres.—Rev. W. J. Fletcher.
Vice-Pres.—Mr. Clarence Bailey.
Sec.-Treas.—Miss Mae Reynolds.
Committee—Mr. Arthur Wilson, Conventor; Misses N. Fair, R. Harris and Mrs. N. Wescott.

CURRENT COMMENT

Isaac Walton of the district should bear in mind that last Saturday was the final day for bass and lunge fishing for this year.

A local resident states that we might have better times fiscal away if people would stop using their money for everything but paying their debts. How true!

You may be assured that the man who says "I run things at home," usually refers to the lawn mower, washing machines, vacuum sweeper and errands.

We have concluded that one thing the radio has done is save the parents many dollars that would have been wasted on piano lessons for their children who had no musical talent.

This is Ontario Farm Products Week. Housewives should see to it that they stick to Ontario products for their daily menus—not only this week, but every week of the year.

Oshawa Times—It is an almost unheard-of thing that fuel prices should be reduced at the beginning of winter. Nevertheless, this reduction in living costs will be greatly appreciated.

A lecturer says that mothers find it difficult to get modern children to believe fairy-stories. Some fathers of ten are faced with a similar difficulty in the case of modern mothers.

Speaking of low prices of farm produce, Stirling citizens are this week paying from 60 to 75 cents a bag for potatoes, which is 100 per cent. increase over the figure for which they were selling at this time last year.

Financial Post—A speaker in Toronto last week was very sarcastic about democracy as it is practised "in this country," but he was an American talking to a convention that was largely American and perhaps he just forgot for the moment where he was.

Another widely held idea seems to have been disabused by official records. Many people imagined that the population of Indians was fast dwindling and that ere many years the race would become extinct. Now, along

HARVEST DAYS ON THE PRAIRIES

(By Winnifred Davies, M.D., in New Outlook)

The Steck family confidently expected their crop to yield thirty bushels to the acre this year, for rain had been fairly plentiful and the hail menace had passed them by for once, but long before the grain commenced to pour in a thin stream from the hopper it became evident that the maximum to the acre would be the maximum. With characteristic prairie optimism they went on singing as they threshed. They came of a stolid, philosophic race in whose vocabulary there is no synonym for the term "quitter" and they are devoutly religious. If the good God saw fit to send them little more than half of their expectations, well and good. He must know best. And as the weary, hungry threshers gathered at the two long tables under the poplars for the evening meal, with a big plate like moon rising over the eastern rim of the world, old time jokes and fun-making prevailed and Mrs. Steck and her six daughters cut extra large slices of the herry pies, topping each with a goodly dollop of white cream. Likewise, each cup of red cheese tea was flavoured with a witticism or a say word and when later the indefatigable young folks played games and sang folksongs everything was much as it had been prior to the devastating drought.

Then too, the time has gone by when the wheat harvest constituted the prairie farmer's only hope. To principal crop, he still regards it as his sugar-beet harvest and it is now the man who will not make at least an effort to grow corn and potatoes sufficient for his family's requirements. Ketchup and also cabbage, cauliflower, and a few other vegetables raised for the winter's use on many farms, but these statements should not be taken to apply to every prairie section. Late summer and early autumn frosts nip many a hope in the bud, just as they have always done. Tomatoes, for example, cannot be raised excepting under glass, and this difficulty is circumvented by the

use of homemade hot-houses contrived of the family's storm windows. When a hail storm is looming one of the first things a farm woman remembers is to hurry and do it to throw potato hot-house, lest the stones break the glass. As hail is of frequent occurrence in summer some women have their coverings already tacked to the frames and thrown back. It is a noteworthy fact that the foreign-born settler in the West has suffered least from the prevailing hardships. This may be partly due to an originally sturdier physique and partly to his having been injured to hardships in Europe, but I think that a native economy has something to do with it too. He has a wholesome respect for the "nickel" and "dime" and does not degree of prosperity has been able to share. I was having tea with a Russian family the other day; Russian-style by the way—that is to say, it was served in glasses with a teaspoonful of strawberry jam on each glass—then my hostess, Mrs. Buschinski, noticed my eye straying to some ornaments on her shelf. One was an ordinary tin can such as one takes corned beef. She smiled, took it down and explained it, and figuring from Cracow, the carved corn basket, the brass candlesticks, the silver-plated photos in frames made of the humble tin, she showed me the humble tin which I could see, a special air of pride.

"Feel the heaviness," she said, "beating at me." My son Stefan's nickel and dime! See how he sold the salt over back on so neat, and each of my children has a bank. It is town the small money goes for candy and comes, yes? In a year Stefan will have enough money to buy himself a couple of pigs. My daughter Mascha already bought me a sewing-machine, see?"

Mrs. Buschinski's house had other evidences of the creative spirit. There were homemade chairs with rope seats, a couch made of poplar poles, a birdcage constructed with hay-wire and couple of corn husks painted bright yellow and woven very closely, and cushions to the windows that were

comes the 1931 census to show that there are 122,920 red men in the Dominion, compared with 108,012 at the time of the last census 10 years ago.

Indications point to a big drop in the sale of liquor in Ontario this year. It is estimated that sales will be \$7,000,000 below 1931 and \$13,000,000 below 1930. This means that instead of getting profits of \$10,000,000, the Government will get from this source a revenue of not over \$7,000,000. The Government will miss the revenue, but the people generally will not view the falling off in this business with any regret.

Public schools for some years have been receiving liberal grants from the Provincial Government, but the government has given notice that there will be a reduction of ten per cent in this year. This will prove a matter of much concern to many school boards who have already made requisitions to the councils for this year, and the school rate has already been fixed based on the usual legislative grant. As a result of the reduction in grants, there will be many who will face a deficit before the end of the financial year and will have to resort to borrowing.

An editorial in a California paper says that after fifteen years in the business a newspaperman becomes reconciled to the following facts: (1) He will always be regarded as some sort of freak; (2) that the favours he does will usually go unnoticed, but his mistakes never; (3) that when he gets in a crowd someone will say jocularly, "Don't talk in front of So-and-so, he'll put it in the paper"; (4) that once a week someone will remark that "newspaper work must be fascinating".

Farm Week Should Be Year Round

If the farmer can sell, he will buy. When the farmer receives a good price for his products, better times will come, for Canada's leading industry is Agriculture. This fact is accepted everywhere. To encourage the greater use of Ontario grown agricultural products, an Ontario Farm Products Week is being held this week, sponsored by the Ontario Department of Agriculture, which is ever mindful of the welfare of the farmers. This week should be observed by all stores locally, by featuring products of our country. There are many benefits to be derived if home-grown products are purchased. If the farmer can sell he will buy, and his buying will affect many others. "Ontario Farm Products Are Freshest and Best" is the slogan used in the daily radio talk by the Marketing Branch of the Ontario Department of Agriculture, and this will be one of the slogans used in the campaign to increase the consumption of Ontario-grown products. Citizens are urged not only to use Ontario-grown products during Farm Products Week but all the time.

Why Blame The Children?

Objecting to a 9 o'clock curfew in Ridgeway, Councilor T. Hore took the following grounds:

"Why pick on the children for the faults of their parents?" he asked. "Some years ago I used to deliver groceries at night in this town, and often found children sitting on door steps at 11 o'clock crying for parents who were not at home. To pass such a by-law would be to advertise to the rest of the country that you are not capable of bringing up your children. Such a by-law cannot be enforced, why pass it?" demanded Mr. Hore—and it was not passed.

There is much truth in what this councillor says, but when due reference to his objection, we believe there would be fewer heartbroken parents in all towns and villages if the curfew were in general use. The street after 9 o'clock at night is no place for any boy or girl under the age of fifteen years, unless they are accompanied by their parents. It is in the street after that hour where boys and girls get their first lessons in crookedness. Many a man and woman today contemplating their boy and girlhood freedom from parental control, when they were allowed to stay out until all hours of the night, do not cherish the same respect for those parents that they would if they had been subject to more rigid discipline, compelled to be at home after 9 o'clock at night.

of a shabby doll! The baby girl played casually with this doll on ship-board and across Canada, always under the watchful eye of either mother or father and the money for the doll was a fresh start in the land of their adoption.

The old system of hand-pounding grain is followed among some of the foreign-born of the prairie. The grain is poured into hollowed-out logs and threshed with mallets. During the extreme heat of summer some families carry their cookstove right outdoors and prepare all the meals al fresco, wind or no wind. The prairies are not precisely in the banana belt, but that makes little difference to people who love the open air. A friend of mine who travels for a firm dealing in plumbing fixtures once sold a foreign-born family a beautiful bath tub. After a splendid sales-talk, and apparent enthusiasm on the part of the purchasers, he expected to do more business in the district, but when on another bathing he inquired for a report on the apologetic grin. The family, had, it appeared, no room for the beautiful tub all right, but they guessed the slough was good enough for them. It was always there. Where then was the tub? Had they sold it to someone else? Oh, no, not at all. The traveler was invited to step to the rear of the house if he wished to see it. And there it was, filled to the brim with dirty water and with a small colony of ducks floating happily round on it. "Come over and stir the corn," invited Mrs. Rudka, who was busy getting ready for the boy's threshers.

A wash-bowl full of steaming ears stood on the outdoor stove, with a skillet of frying eggs and a large coffee-pot at the back. It had been very wet so Mrs. Rudka insisted that and don a pair of her shoes in the car advice was sound for as we stepped across the yard great chunks of grey jumbo clung affectionately to our feet. The corn-stirring ceremony is supposed to conciliate the gods of good fortune and bring a good harvest. Every person on the place goes out and takes the ceremonial fork and gives the corn a little stir with

made of sheep's wool, and woven and dyed on the farm. Always in September the wool curtains replaced with cheesecloth ones of summer. I observed hanging on the wall a curious old clock with a spray of brightly-colored flowers painted on its glass panel. The face was old and yellowed with age. My high-backed chair from which I had risen stood under it. Mrs. Buschinski, in reply to my question said that, oh, yes, the old clock kept time. It was four hundred years old, that clock. Its original works had long ago worn themselves out and been several times renewed from one generation to another, and the clever Stefan, though only twelve years old, had taken an old alarm clock to pieces last year and with the addition of some other odds and ends had put in "new works", so now the clock was as good as ever. Antiques one gathered, were all very well, but on the Buschinski farm they had to earn their keep.

While on the subject of banks, however, in the same district lives a family who fled from Russia some years ago with their whole fortune, in rubles, concealed in the sawdust body of even the hungry threshers before they sit down to the table. It is an old Galician custom. The money is there are to stir the greater will be the luck. At the same time you murmur a little couplet, which roughly translated goes something like this: "You sun from the fields on which the sun has smiled."

See that no shadow falls across our house this year." In some homes the ear of corn takes on a symbolic personality, as in the poem "Hiawatha", and the first ear plucked steaming out of the water is carried in state in a clean napkin and buried in the earth with suitable ceremony, a kind of sacrifice. In other homes the number of teeth on the first ear are carefully counted. If there are, say, 160, then just 160 days remain something of importance will be to the family or a member of it. Perhaps it will be a marriage, perhaps a sudden piece of good fortune such as a letter with money in it.

There are very few "bumper" crops this year, but those farmers who can are possibly announcing "business as usual" and Mrs. Rudka taking me on a tour of inspection of her larder, displayed the old-time harvest spectacle of washbowl filled with bread, and shelves containing dozens of pies, pails full of pickles and home-made jam, and milk-pans brimming with cottage cheese. For men who labour must be fed. As for eggs, at six cents a dozen everybody can have a fine large omelette at every meal if he wishes. The Rudka's crop will not, but ten bushels to the acre, I'm told, but there is still singing in the fields. "Why not?" says Mrs. Rudka, with a shrug. "It is better to sing than to grouch, yes?"

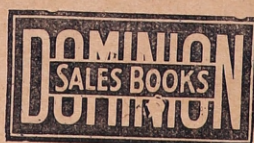

STAND STILL (Financial Post)

Many vitally important international matters are at a standstill until after the United States election. There is the World Economic and Monetary Conference, the discussions on the Lytton report on Cachucho, the St. Lawrence waterway, disarmament, etc.

If the Democrats win the election, and this is quite possible, if not probable, there will be a further delay of five months before a new administration can come into power. True there will be another meeting of Congress, but it will be a "lame duck" session that will include many representatives and Senators who will have been defeated at the November elections.

The United States constitutional and political system is hardly adapted to the needs of world politics at a time like this.

thorn Rhodesia. Besides these ordinary daily tasks they acted as Guards of Honour to His Excellency at the Gala Empire Concert on August 12th and also assisted at the reception at the Archives and at the big garden party at the Connaught Rifle Ranges. Letters of thanks and appreciation have been received from the different delegations and we are feeling rather proud that Scouts were able to be of real service on such an important occasion. One father of a Scout told me that the experience has made a marked change for good in his boy.

Twenty Years Ago

Springbrook
Mr. Thos. Reid has returned from the west.

Mary, daughter of Mr. Richard Green, of Springbrook, was married in Toronto, on October 14th, to Felix McGee, of Stirling. Mr. and Mrs. McGee spent a week here, returning on Monday to Toronto, taking Mrs. Green with them, where she will reside.

Mrs. Annie Boyle is very ill in Toronto hospital.
Mr. Fred Gibson and family returned to Toronto this week after a few days' visit with friends in the neighborhood.

Mrs. H. Laird has another son. This makes three boys the stock has dropped there.

Local and Personal
Miss Ethel Wood, of Ivanhoe, is the guest of Mrs. Arthurs.

Mrs. B. Richmond and Miss Ethel Richmond, of Madoc, spent the weekend in town, guests of Mrs. John Gordon.

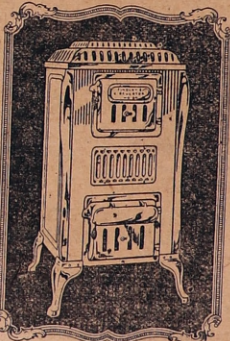

Mr. and Mrs. S. Patterson returned on Monday after spending the summer with relatives and friends in the North West.

Mr. and Mrs. J. L. Ashley spent the weekend in Toronto where Mrs. Ashley underwent an operation on Monday which was very successful. Mrs. Ashley was resting fine when Mr. Ashley returned on Tuesday night.

Mr. E. T. Williams' special prizes for writing, offered at the Stirling Fair, open to pupils of the III. and IV. Classes of Stirling Public School, were awarded as follows: 1st Kate Kennedy, 2nd John Ackers, 3rd Edna Gould.

On Wednesday morning Mrs. Walter Mitchell, who lives upstairs in the Parker block, became quite unwell, but was able to get up and arouse her neighbor, Mrs. Frank Conley, who found that the room was full of gas from a coal stove. Mrs. Mitchell's two children were also very ill from the effects of the gas, but all are now recovering. Mr. Mitchell, who is a painter, was away from home at the time.

A certain district young man shaved off his mustache the other day. A girl who recognized him afterwards said: "What on earth has happened? Have you had your face half-soled and healed?"

The boss probably made some of the same mistakes you are making—but he probably didn't make the same ones twice.

Old Maid—I'll swear I never had a sweetheart. Flapper—I should think you would swear.

Perseverance will not accomplish all things. For instance there is the old hen who tries to hatch out a door knob and a couple of corn cobs.

Shorty—So you call yourself a vegetarian and here you are working on a beefsteak and onions.

Fatty—Yes, you may call this a beefsteak, but I call it forbidden fruit.

Catherine—Jack Pool suggests I do my hair differently. What do you suggest?

Annabelle—If I were you, I'd dress it so it hangs down over the face just above the chin.

The trouble with a lot of "improvements," says Harper Rollins, is that they aren't as good as the original article.

Gusts of Wind—It is evident that the meek will inherit the earth just in time to turn it over to the tax collectors. * * * If Methuselah had run for office in his old age, what dirt could his opponents have dug up? * * * What a brilliant lot we would be if every man was half as smart as he thinks he is. * * * The prospect of a good time is usually the best part of an outdoor picnic. * * * A lot of children who "learned at mother's knee" did it in a reclining position. * * *

A kiss may make a girl lose her head for a few seconds, but it can make a boy lose his freedom for life. * * * Nothing gives a man that under dog feeling quite as much as having to share a woman's love with her pet poodle. * * * When a boy wants to pour out his love, he can always find a girl willing to drink it in. * * * The world trusts a man who admits

he likes onions. * * * The latest thing this country needs is a good five per cent. dividend. * * * Too many men are trying to feather their love nests.

Teacher—What is the difference between lightning and electricity?
Isaac—Well, you don't have to pay for lightning.

The great feminine gesture, some claim, is yanking down the corset. It should be coupled in the betting with pulling up the stocking. We say you're wrong again. It's fishing for the shoulder-straps.

Stirling Housewife—Yes, I have an old pair of my husband's trousers, but I'm afraid they are too large around the waist for you.

Hungry Tramp—Well, couldn't yer give me dinner enough to make them fit me?

What has become of the old-fashioned farmer whose sole ambition was to sell his farm, move to town and become a store-keeper?

Curiosity
"No, sir," said the clerk, "I can't give you a room. The best I can do for you is to give you half of a private dining room. There's a screen across it, and a lady has the other half, but I reckon she won't bother you."

"Thirty minutes later he ran into the lobby, wild-eyed and pale. "Hey," he yelled to the clerk, "that woman is dead!"

"I know it," said the clerk, "but how did you find out?"

Doctor (inquiring after boy who swallowed a half dollar): "How is the boy today?"

Anxious Mother—"No change yet".

A woman was having the upper rooms of her house painted and she fancied that the painter was slacking on the job.

"Painter, are you working?" she shouted at the foot of the stairs.

"Yes, ma'am" came the reply.

"I can't hear you."

"Well, do yer think I'm putting it on with a hammer?"

Biddy—"I suppose you've been in the navy so long that you are accustomed to sea legs?"

Middy—"Lady, I wasn't even looking."

Personal—"A young woman, to whom black is particularly becoming, would like to take a gentleman in

poor health; object widowhood."

A Long Wait

"My dad, who deals in beef and hogs Says trade is going to the dogs; My grandpa notes the world's worn cogs, And says we're going to the dogs. His grand-dad in his house of logs, Said things were going to the dogs. The caveman in his queer skin togs, Said things were going to the dogs. But this is what I wish to state— The dogs have had an awful wait."

They had been married only a year and were very much in love with each other. Upon the young husband's return home one evening the young wife coyly snuggled into his arms, and hiding her blushing face on his shoulder softly whispered: "Oh dearest, I have such a wonderful something to tell you. Soon—soon—there is someone coming, and then there will be three in our home."

"My precious one! Are you sure of this being true?"

"Oh, sure! Mother is coming to pay us a long visit."

IVANHOE W. I.

The Institute meeting gathered at the home of Mrs. Sam Tweedy on Tuesday, Oct. 11, at the usual hour, with a fair attendance. Mrs. G. Cooke presided and opened with the usual Ode and prayer. The minutes were read, signed and approved. The roll call was household hints, responded to by several. Some pieces of music, sung out of the community song book. After routine business had been disposed of, Miss Edna Reid gave an instrumental on the piano. Miss E. Tanner was called upon for a reading and that old familiar song, "Annie Laurie," was heartily sung. Some discussion was dealt with over a Halloween party for the youngsters, which they so greatly enjoy, but no definite plans were made. Mrs. J. B. Hagerman gave a reading. Mrs. Foster Wilson gave a demonstration on "Your Medicine Cabinet", and several points were very helpful lessons teaching how every mother should be able to use a thermometer. Mrs. Wilson pointed out several good points on being careful to label your bottles which were of a poisonous nature, and to arrange them in order to make no mistake in the bottle used in case of a hurried call in the night for quick relief, when so often a mistake is made. She also took pains to show how to swab or look into a child's throat, and had her material to explain. The president thanked those who had helped to make the meeting

interesting. Mrs. Tweedy served a very nice lunch, and as this is out of thanks for the lunch, which was seconded by Mrs. E. Sarles. Meeting was dismissed by singing. The next meeting will be at Mrs. Sam Donnan's.

MANY HUNTERS GOING NORTH

Toronto—The hunting season this year gives every promise of setting a new record for the railways in the point of transporting hunters to Northern Ontario. According to H. C. Bourlier, General Passenger Agent of the Canadian National Railways, never before have such a large number of enquiries been made as to hunting territory, or advanced bookings for guides and camps been so heavy as they are this fall. The interest shown this year far exceeds anything I have known in the past," Mr. Bourlier stated. "Possibly this is due to the excellent reports received from the north, which states that game is unusually plentiful, and also the early opening of the grouse season after eight years of closed hunting. The partridge hunters were out in force for the opening day and traffic to the Muskoka and Lake of Bays district was greater than anticipated. As practically all got their bag limit, and this fact may have helped in awakening an early interest in big game. In any event, conditions for hunting are stated to be ideal this year and every hunter apparently intends to profit by the unusual season."

With a view to accommodating the anticipated heavy traffic, Mr. Bourlier stated that the National System has completed its schedule for the operation of special hunters' trains. Northbound, these trains will leave for Capreol on November 2, 3, 4, and will stop at intermediate points for the convenience of passengers. Southbound, trains will leave Capreol on November 12, 15, 16 and 17, and will also make intermediate stops for the convenience of hunters. Train service on the North Bay line will be strengthened also to meet the requirements of the hunting season.

SCHOOL GRANTS CUT 10 PER CENT. BY GOVERNMENT

School Board throughout the province, including Stirling, are grieving over the announcement of the Department of Education that all grants to school boards have been cut ten per cent. this year. Faced by the cut

made by the Department in the interests of economy, and which has affected all other departments of the Provincial Government in like manner this year, the various boards are trying to evolve some plan by which they can meet planned expenditures on the decreased budget. It should be remembered that the Department is acting wholly within its rights in making the cut without any intimation to the boards, as in its regulations it has reserved the right to increase or decrease the grants as deemed necessary.

This much is clear, however, that unless the school boards are able to bring about a reduction in their expenditures to offset the loss in the grants, the amounts will have to come out of the pockets of the ratepayers who pay municipal taxes. As one of our exchanges says: "It is no late effect a ten per cent. reduction in the financial assistance extended to Ontario schools and therefore it should be more imperative that municipal expenditure on education, which constitutes the largest drain made up on taxes, should also be scaled down."

Havelock—Mrs. J. Pacey, an old resident of Belmont, was struck by an auto last week as she was crossing the road in front of her home and received injuries from which she died about an hour later without regaining consciousness. Ernest Seenev, a councillor of the village, was returning from Norwood where he and his family had attended the fair, when Mrs. Percy walked out in front of the car.

FALSE STANDARD OF LIVING OFTEN TO BLAME

It is a strange thing that some men in positions of trust seem to think they can steal money and get away with it forever. Such men surely do not read the newspapers to any extent else they would realize the inevitability of detection, of punishment and penitentiary sentences. Back of many of these thefts is a false standard of living. Many of these men have made for themselves false gods which they have set up and have adopted a too costly mode of life, stealing rather than dropping to simpler way of living. Yet children have far more respect for parents who live within their means than for those who "keep up with the Joneses", maintaining an impossible "front", until trouble comes as it always does come.

Hints for the Household

Save Paraffin
Save all paraffin from used jelly glasses. Don't throw it away. That's being wasteful. Simply take each piece out of the used jelly glass and wash and dry it. Put away in a covered dish and keep handy for use when again needed.

COOKING HINTS
Hallowe'en Cats
Make cats-out of cheese. Method: Mould two balls of cheese—one a little larger than the other. Place smaller one on top of larger one. Then on top of one—mark cat's face—eyes, nose, mouth and ears. A tail can easily be added. These are cute on salad plates.

Hallowe'en Salad
This is a pretty way to serve fruit salad. Method: Take a pretty red apple. Hollow out centre. Make a face on side. Fill with fruit salad.

Grape Juice Mousse
1 pint of whipping cream.
1/4 cup of powdered sugar.
Salt.

1 cup of grape juice.
Method: Whip cream. Add sugar, salt and grape juice. Mix well. Put in a chilled mould. Pack and let stand 3 hours. This recipe makes 3 pints.

BAKING HINTS
Baked Lima Beans and Salt Pork
Method: Cook lima beans until tender. Drain. Put in butter baking dish. Place thin strips of pork throughout and on top. Season. Sprinkle little brown sugar over all. If very dry add a little milk. Bake in a moderate oven until strips of pork are nicely browned.

Baked Steak
2 pounds of round steak.
1 gr. N. pepper.
1 lemon.
1 onion.
Little tobacco sauce.
1 tablespoon of Worcestershire sauce.

1 cup of catsup.
1 cup of hot water.
Little flour.
Little flour.
Pepper and salt.
Method: Pound flour into steak. Put in a pan of hot grease. Brown well on both sides. Season. Add onion, green pepper, lemon, tobacco and Worcestershire sauce. Pour catsup and water over all. Cover. Place in oven. Bake 2 hours.

MOUNT PLEASANT

Mr. and Mrs. George Weaver attended Stirling Anniversary on Sunday morning and enjoyed the address given by Rev. R. B. Cochrane. Mr. and Mrs. Frank Smith and Rev. Fred Joblin attended anniversary services at Bethesda on Sunday and the latter was in charge of the services. They also attended Fowl Supper on Monday evening. Mr. and Mrs. Albert Dunkley spent Monday with their daughter, Mrs. George Wickens, Glen Miller. Our community was shocked to hear of the tragedy at Glen Miller early Monday morning when four young daughters of Mr. and Mrs. Archie Wickens and a son of Mr. and Mrs. George Cronkright were drowned. Deepest sympathy is extended to the bereaved parents. (Additional News on Page Seven)

PETHERICK'S CORNERS

Miss Gladys Simpson and Miss Evelyn Barnum are spending the week in Peterboro visiting at the home of Rev. C. D. Daniel. Zion Ladies' Aid will serve dinner at the home of Mr. Lindsay Anderson on Friday in connection with the Junior Farmers' Plowing Match. As there was no preaching service at Zion last Sunday, some attended Burnbrae and others Stanwood anniversaries. Don Barnum won the Junior Cup at the High School Field Day held last week; also broke the record in the broad jump. Mrs. John Simpson is able to be around again having been on the sick list for a week or two. Arlmer Petherick was in charge of the league last Thursday night. Rev. Mr. MacTavish was unable to be present on account of the death of his sister. The leader took the topic, Laura Watson and Alma Simpson gave a duet, also the Bible spelling match between the married and the single folks was very interesting. It was decided to invite Mount Pleasant League back some time during this fall, the date not yet decided.

WELLMANS W. M. S.

A pie social was held under the auspices of the Wellman's Missionary Society in the church on Wednesday last week, when a good program was given by local talent. The president, Mrs. W. Dracup, presided and the meeting was opened with singing a hymn. Prayer by Mrs. Geo. Mayvee. Mrs. B. Rupert read the Scripture lesson, John, 21st chapter, followed by singing a hymn. Miss Dayman gave a reading entitled "The Road to Heaven." A solo accompanied by a guitar was given by Mr. Case. Mrs. J. Sharr gave a reading entitled "A previous engagement." Duet by the Misses Mina and Lucille Dracup entitled "What a friend we have in Jesus." Reading by Miss Dorothy Dunham entitled "How the organ was paid for." Guitar trio by Messrs. Case, Beckett and Baker. Solo by Miss Lula Hoover. Reading by Mrs. E. Todd "What the W.F.M.S. stands for." Singing a hymn and repeating the Mizpah Benediction brought the program to a close. After this an abundance of sandwiches, pie and coffee was served. Proceeds \$10.00.

WILL RE-OPEN STATION FOR HUNTERS

Toronto, October 20—Approved by W. A. Kinnaird, General Manager of the Central Region, Canadian National Railways, W. T. Moodie, General Superintendent, Northern Ontario district, announces that, effective October 29th, the Pickering River station will be re-opened as an agency for the duration of the hunting season. It will be closed again on November 26th.

RIOT IN PORTSMOUTH "PEN"

One of the greatest riots in the history of Canadian penal institutions was staged in Portsmouth (Kingston) penitentiary on Monday morning about 8:30 o'clock when 900 convicts ran wild. The militia was called, but the prison guards quelled the disorder with the use of tear gas and bullets. For more than three hours the ugly snarl of the concentrated rioters swept through the prison courtyard, with the convicts in possession of the blacksmith, stone, cutting and tailor shops and threatening to set fire to these quarters until warning shots brought them to their senses. While reports were conflicting, the official statement on the insurrection stated that only 10 rioters had been fired before the rioters capitulated. It is believed that the outbreak had its genesis in demands by the convicts for cigarette papers, tobacco and increased recreational privileges. A radio for the main corridor of the prisoner and outdoor recreation in the outer court are said to have been included in the demands. The prisoners also claimed they were

fed too much "mush" and poor food. When their requests were not complied with the trouble began. An investigation is being made by the Minister of Justice Department.

NO CRIMINAL CASES FOR FALL ASSIZES

Following the instructions issued to Crown Attorney B. C. Donnan by His Honour Judge Deroche, the Grand Jury for the annual Fall Assizes for Hastings County will not be called by Sheriff G. E. Stokes as there are no criminal cases listed on the docket for the court. There are eight civil jury cases, a non-jury case and a motion to be heard before the court listed on the docket. His Honour Mr. Justice Kelly of Toronto has been named the presiding judge for the assizes which will open in Belleville next Monday, the 24th of October, at the hour of 1 p.m.

The following is the list of cases to be entered for trial:

PARLIAMENT MAY NOT SIT LATER THAN END OF THE MONTH

Ottawa—Parliament now has its decks cleared for action and the fall part of the session may end sooner than expected. Yesterday Premier R. B. Bennett laid before the House of Commons the agreements negotiated at the Imperial Conference and the tariff changes necessitated by them. All that remains to be done is ratify the agreements, enact the tariff changes and end the debate on the Speech from the Throne. Conservative members are taking no part in debate but Liberal and Independent Oppositionists are taking advantage of the opportunity to get in a few shots at the Government. Even they, however, have no de-

The One Thing You Can Afford

The great national pastime this weather is squeezing the expenditure column so that it will remain in proportion to the revenue. The first step in this, of course, is making a decision as to what items are absolutely necessary to the well-being of our minds and bodies and consigning the balance to the limbo of "things we will have when times improve."

You cannot do without your local newspaper for several reasons, the first of which is that as an intelligent citizen of the community it is necessary that you keep informed about what is taking place in that community. Whether your interests are being cared for in the governing of municipal affairs; what is transpiring at the schools, the churches; if grants are being made from public funds, or cut off, and why; what the community proposes doing about relief measures; where foodstuffs, meat, wearing apparel, wood, coal may be bought to best advantage; where you may sell or trade some used article, or buy such an article to advantage. All the intimate personal news; the deaths, births, and marriages, and the thousand and one other occurrences that go to make up the life of a community.

That is the function of the weekly newspaper. Its news columns each week carry the story of the activities of the community and in addition the effective news of the world at large. Its advertising columns bring into your home the best offerings of the stores and shops with prices and description. The classified advertising column is a meeting place for buyers and sellers in every conceivable line.

The News-Argus costs you less than four cents a week if you are a subscriber. If you will read it thoroughly, intelligently, you will receive many, many times over a return in value. And the News-Argus is a good paper for the family to read. There are many things children may learn from its columns, but nothing they should shun. It's columns are clean, carefully edited and contain all the NEWS.

If you are not already a subscriber to The News-Argus take advantage of the three months' trial offer below. Do it today—NOW—while you think of it.

BURNBRAE

Burnbrae Congregation Celebrates
92nd Anniversary
At both morning and evening services on Sunday, Oct. 16th, St. Andrew's Presbyterian Church.

Burnbrae's Presbyterian Church, Burnbrae was filled to capacity on the occasion of the 92nd anniversary of the founding of Presbyterianism in this district. The minister for the occasion was the Rev. H. R. Williams, D.D., of Millbrook. He delivered two impressive and inspirational sermons. His text in the morning was Hebrews 1:1-12. "Which hope we have as an anchor of the soul." In the evening his text was Matthew 22:34 "That think ye of Christ." The musical part of the services was exceptional, under the leadership of Mrs. G. V. Taylor and Miss Helen Oddie as organist. In the morning the choir rendered two anthems and Mr. Malcolm Hutcheon gave a solo. In the evening there were two anthems and a solo by Miss Fern Weatherill.

On Tuesday night there was a fowl supper and entertainment. During the supper there were moving pictures illustrating educational institutions. Following the supper a splendid program was given in the auditorium of the church. Duet and encore, Messrs Malcolm and Howard Hutcheon; reading, Mrs. Frank Little; duet, Mrs. G. V. Taylor and Miss Fern Weatherill; address, Rev. F. G. McTavish, Campbellford; songs and encore, G. Johnstone, of Campbellford; readings and encore, by Mr. McEachern, of Campbellford; solo, Miss Fern Weatherill; address, Rev. J. C. Robinson, of Campbellford; duet, Messrs Malcolm and Howard Hutcheon; reading, Mrs. George Ingram; address, Rev. F. G. Joblin, of Stirling; solo, Mr. Maycock. Proceeds of Sunday offering and supper were \$944.00.

Messrs Alex Donald and James Dickson, of Campbellford, who assisted the choir were guests of Mr. and Mrs. G. V. Taylor, on Sunday.

Rev. H. R. Williams and son, Edward, were entertained at the Manse on Sunday.

Mr. and Mrs. Wm. White, of Roslin, spent Sunday at the home of Mr. Jas. Nelson.

RYLSTONE

Miss Bessie Melkjohn is visiting at the home of her uncle, Mr. George Melkjohn, in Tweed.

Mr. and Mrs. Herbert Spencer and Winnie, Mr. and Mrs. Wilfred Spencer and children, spent last Tuesday in Trenton.

Mr. and Mrs. John Stewart and family were Sunday guests of Mrs. Lily Anderson.

Quite a number from here attended the Anniversary Services at Stanwood on Sunday and were pleased to hear Rev. C. D. Daniel, of Peterboro, again.

Miss Evelyn Barnum is the guest of Rev. and Mrs. C. D. Daniels in Peterboro.

Mr. and Mrs. Fred Rutherford and daughters visited Mr. and Mrs. John Rowe, at Stanwood on Sunday.

Mr. and Mrs. Herbert Spencer were Sunday guests of Mr. and Mrs. Will

T. Allan.

Mrs. Fred Husband has returned to Campbellford after spending a few days with her parents, Mr. and Mrs. Herbert Spencer.

Miss Pauline Rutherford was the winner of the T. Eaton Trophy, a 20-piece set of Rogers' Empire Pattern Silverware, given at Norwood Fair on Wednesday of last week for the best Dairy Type Calf over 6 months and under one year, exhibited by a boy or girl over 10 years old and under 18. Miss Nona Rutherford won the same prize at Belleville Fair; also a Silver Pyrex baking dish, the T. Eaton trophy awarded at Campbellford Fair.

We note that Carlsbrook Farm Ayrshires were successful in winning 7 first and 2 special prizes at Norwood Fair in keen competition. Other exhibitors of Ayrshires were J. G. Maun, Peterboro; Alex Hume & Son; Mrs. T. R. Kerr. Mr. Rutherford also won 10 first and 4 second prizes at Roseneath Fair on Friday.

MENIE

Mrs. Stanley Nix had the misfortune to fall from a chair. She sustained a serious injury in her knee.

Mr. and Mrs. Geo. Wallace, Lorne, also Mr. and Mrs. Raymond Dunk spent Thursday in Kingston to see an eye specialist. Mr. Wallace had a barley beard removed from his eye. This was causing his suffering for the past three weeks.

Miss Jean Peake, English Line, spent the week-end with Miss Edna Whittin.

Mr. Alf Bennett received a second at Warkworth and a third at Norwood on his show team.

The stock has again visited our burg. This time it left a lovely baby girl for Mr. and Mrs. Jack Rennie. Congratulations.

A number from here attended the Roseneath Fair.

Those who spent Sunday at the home of Mr. and Mrs. Geo. Wallace were Mr. and Mrs. Chas. Dunham and Mr. and Mrs. Bob Wallace, of Wellmans; Mr. and Mrs. Raymond Dunk, Campbellford; Mrs. Thos. Mr. Harold Smith, of Almonte is spending a few days with Mr. Earl Whittin.

ALLAN'S MILL

The people of this vicinity were shocked to hear on Monday morning of the accident and drowning at Glen Miller as Mr. and Mrs. Wickens were residents of Bonarlaw a few years ago, and the sympathy of this community is extended to the bereaved families.

Mr. and Mrs. Harry Grills and Miss Liella Grills and Mr. and Mrs. T. M. Reid spent Sunday at A. Burditt's.

Rev. W. Jones spent the dinner hour on Sunday at Mr. Dave Wellman's.

Mr. Ewart Martin spent Saturday in Toronto.

Several from here attended Norwood and Roseneath Fairs and report large crowds.

We are sorry to report Mrs. Wm. Rutherford on the sick list.

Mr. and Mrs. Fred McKeown visited Mr. and Mrs. R. Morton on Sunday.

Mr. and Mrs. H. White, of Oshawa spent the week-end in this vicinity.

Mrs. Ketcheson, of Belleville is visiting her niece, Mrs. P. Bateman.

Several from here attended anniversary services at Stanwood on Sunday.

The thrashers are busy in this vicinity.

WEST HUNTINGDON

Mr. and Mrs. Clayton Tammor's little daughter has been quite ill with pneumonia but we are pleased to report her condition much improved.

A number of our St. Andrew's people attended a social evening at Mr. William Shaw's, Ivanhoe.

Mr. George Ripert has rented the Vannamaker farm, west of Stirling, and expects to move there in February next.

Miss Gertrude Pitman is visiting relatives in Millbrook.

Mrs. J. J. Wilson is visiting her daughter, Mrs. Arthur Dunn, of Kendall.

The Endeavorers S. S. Class held their monthly meeting at Mr. William Fitchett's.

SPRINGBROOK

Mr. and Mrs. H. White, of Oshawa spent Sunday with the latter's parents, Mr. and Mrs. F. Fenn.

Mr. and Mrs. D. Phillips of Madoc visited at the home of Mr. and Mrs. K. Thompson on Sunday.

Mr. C. McMillan of Portland spent the week-end at his home here.

Mr. and Mrs. J. Boyle and family spent Sunday with friends at West Huntingdon.

Mr. and Mrs. Alec Bateman spent Sunday at the home of Mr. and Mrs. R. Joyce.

Rev. H. A. Bunt spent Sunday in Peterboro, taking the services in one of the churches.

Mr. and Mrs. R. Fleming and daughters Grace and Doris enjoyed a trip to Gananoque on Sunday.

HOARDS

Mr. and Mrs. Chester Hoard, near Glen Ross, spent one day last week with Mr. and Mrs. Jas. Dunkley.

"Is satisfied that any preferences granted on any particular class of commodities are likely to be frustrated by reason of maintenance of prices for such commodities through State action on the part of a foreign country" that government will exercise the power it has "to prohibit the entry from such foreign country of such commodities for such time as may be necessary to maintain the preference" granted at Ottawa.

Canada and Australia were particularly concerned during the negotiations at Ottawa that the British Government should adopt effective means to prevent resumption of Russian dumping on the wheat market.

The Government benches cheered when Mr. Thomas declared today that the Government, having undertaken an obligation to give preferences within the British Commonwealth must take all steps necessary to see that "no country shall frustrate this obligation by dumping sweated goods in Great Britain."

Five Children Drowned in Trent River

Glen Miller — A gloom was cast over this district on Monday when it was learned that five children were drowned in the Trent River near here about 6.15 o'clock that morning, when an automobile driven by George Cronkright got out of control and plunged into the river into about twelve feet of water, after striking several guard posts along the bank. Five other occupants were saved. The dead were:

Shirley Jacqueline Wickens, aged 18 months.

Gladys Doreen Wickens, aged 3.
Eunice Irene Wickens, aged 5.
Alice Annetta Wickens, aged 7.
George Keith Cronkright, aged 7.

The other occupants were: George Cronkright, owner and driver of the ill-fated machine, and his wife.
Mr. and Mrs. Archie Wickens, parents of four of the dead children.
Arnold Cronkright, son of the driver.

The party left on Sunday for a visit to Mr. William Nicholson at Murphy's Corners, north of Millbridge. Enroute Arnold and Keith Cronkright and Alice and Eunice Wickens were left with friends in Ivanhoe. On the return trip early Monday morning the youngsters were picked up.

When they approached a difficult turn in the Stirling-Trenton highway near here, it is thought that the steering wheel seized and was uncontrollable.

According to the police the car, had travelled 25 yards along the wrong side of the road before eventually starting its fatal dive. It then hit a fence post, caromed against a telephone post, just scraped two more fence posts and then smashed into the depths of the stream. What happened after that was so confused the survivors could not describe it. Bearing the marks of a terrific fight, Wickens was hardly able to talk. Apparently he had smashed the windows of the submerged machine with his bare hands, for they were badly cut and bruised. Somehow he managed to get the other four to shore, where assistance was promptly forthcoming. Three bodies were recovered, almost immediately, and the other two shortly after.

Wickens was taken to the hospital to have his hands treated at noon, while the five children were taken to the morgue at Trenton.

Mrs. Cronkright's only other son, the only child surviving the tragedy, heaped only his mother's life. The boy, Arnold, nine years old, was the only one of the 10 persons in the car able to swim, and he gave a helping hand to his mother, who was struggling frantically in the water.

E. A. Heagle, storekeeper here, told a reporter that the Cronkright boy deserved much credit for helping to save his mother and swimming to shore with her. "It was a tough break that the two families got so close to home, just a few more yards and they would have been safe," he said.

At the Trent Valley canal office it was stated that there was no wall or other protection along the river bank.

AUTHORITIES OF CHURCHES DIFFER ON UNION CHARGES

The question of what proportion of the Presbyterian Church in Canada united with the Methodist Church and the Congregational Church to form the United Church of Canada is one over which church officials continue to disagree.

W. M. Rochester, editor of the Presbyterian Record, has told The Canadian Press that "85 per cent was publicly claimed for the uniting section by the Presbyterian Commission appointed to distribute the general property of the Presbyterian Church, namely 64 per cent, and division was made accordingly."

Mr. Rochester submitted the following statement to the Dominion Census, 1931, compels a revision of that estimate, for it gives the number of Presbyterians as 870,482. At the previous census, 1921, the number was 1,409,407. Therefore the number in 1931 is in excess of 50 per cent of that in 1921.

Allowing for growth between 1921 and 1925, in keeping with the previous decade, a larger proportion than 40 per cent cannot be conceded as the part of the Presbyterian Church entering Union. Two able analysts of the census, a former minister of the Crown, and the Deputy Registrar of the Provincial Supreme Court support this conclusion, the former fixing 38 per cent, as the proportion of Presbyterians who went into the Union. Thus the Dominion Census has turned the tables, demonstrating that the general property should have been distributed in almost reverse proportions, that is, instead of 84 per cent to the United Church it should have been 38 per cent, to the United Church and 62 per cent to the Presbyterians.

FULLER

(Too Late for Last Week)

The rain on fair days made some rather disappointed folks.
Mrs. Fred Goodman, Mr. and Mrs. Lorne Goodman, of Millford, spent one day this week with Mrs. I. J. Brough.

Mr. Frank Palmer carried off first prize on his cheese at Madoc Fair.

Mrs. M. J. Hallett got a nasty bite from a dog on Thursday, but is doing nicely now.

Fuller was well represented at the West Huntingdon anniversary, conducted by the Rev. J. F. Lane, of Frankford.

Wedding bells are ringing loudly these days.

Everybody must will be chicken hearted after the fowl supper on Monday night. Oh boy, that's where to get chicken — at West Huntingdon!

Mrs. Martha Wilson and Mrs. J. Wilson spent one day recently with Mrs. Hallett.

Mr. and Mrs. Frank Kellar and family spent Sunday with Mr. and Mrs. Tom Moore, Springbrook.

We hear so much these days about apple blossoms and pear blossoms, and fresh raspberries, but not a word about "Mayflowers", and Mr. Arthur Wilson is just wearing out his shoes going to and from Foxboro looking for some. Oh, well, it's an old adage, but true nevertheless: "It's an ill wind that doesn't bring someone some good." Now Arthur will be patronizing Reynolds' shoe store maybe.

MADOC JUNCTION

The Eggleton W.M.S. met at the home of Mrs. George Clarke on Friday last. Mrs. Clarence Fitchett had charge of the program. Mrs. Oliver Stapley gave a report of the Convention held at the Stone Church, Sidney, on October 4th. Mrs. Russell Stapley sang a pleasing solo "Who is on the Lord's side." Mrs. Clarke was appointed leader for the November meeting. Plans were made to have a social evening at Russell Stapley's early in November. After the meeting the hostess served a dainty lunch.

A number from here attended the anniversary services in Stirling on Sunday.

Mr. and Mrs. Russell Stapley attended the fowl supper at Salem on Tuesday night.

The Misses Beaudrie of Madoc are visiting their brother, Mr. Phil Beaudrie.

Mr. and Mrs. Harry Jones and family of Stirling, and Mr. and Mrs. E. Hough, and Francis, of Frankford, were guests on Sunday of Mr. and Mrs. George Eggleton.

Mr. and Mrs. Hiram Ashley took in Norwood Fair last week.

Mr. and Mrs. Phil Beaudrie motored to Yarker on Sunday.

FRANKFORD MAN FACING
CHARGE

Harold Rogers, 35, of Frankford, appeared in police court, Belleville, last Friday, charged with neglecting to provide necessary medical attention for his child and was remanded one week on bail provided by friends. Harold Rogers, 35, of Frankford, was struck down Tuesday evening while playing by a truck driven by Cecil Tripp, Frankford. It is alleged the father, because of religious beliefs, refused to allow a physician into the home to make an examination. He was arrested on Saturday night when Dr. McMullen, of Frankford entered the house with a constable. The child was taken to Belleville hospital where it was found the right leg was fractured in two places below the knee. He is progressing favourably. Since his arrest the father sits in his cell reading the Bible and giving argument for refusal of proffered medical attention.

Reid to Hang in Peterboro, Jan. 6

Peterborough — The grim extreme penalty of the law, the death sentence, was Saturday morning imposed upon Henry Walter Reid, 36-year-old unemployed derelict transient for the murder of his companion Harry Thomas, in Peterborough's hobo jungle, on the night of Saturday, September 3. Mr. Justice Wright, presiding trial judge at the Autumn Assizes of the Supreme Court of Ontario in pronouncing sentence set the date of execution for January 6 next.

In answer to the formal question by His Lordship, as to whether he had anything to say before sentence of the court was passed, a pathetic, diminutive figure as he stood alone in the prisoner's dock surrounded by all the majesty and dignity of a British Court of Justice, replied: "Yes sir, I don't think I had a fair trial on the part of the jury." His words came thickly and trailed almost to a whisper.

"Anything further," asked His Lordship.

"I would like to appeal," Reid urged.

"Do you wish to say anything else?" Mr. Justice Wright asked.

"Have mercy on me," was the anguished plea of the accused man, who now articulated in a hoarse whisper.

Special News For Farmers

Britain Buys Barley

Receipts of Canadian barley on the British market for the past five or six weeks are as follows:

1596 tons for the week of August 16; 1249 tons for September 2, 1931; 1081 tons for September 9, 1931; 1081 tons for September 16, 1931; and 396 tons for the week September 30.

Seed Industry

The seed growing industry in Canada has been gradually developed and improved during the period of the past thirty years. It now embraces the production and improvement of approved varieties of cereals of pedigreed stock, the production of forage crop seeds, and the production of field root, garden vegetable, and flower seeds. It is estimated that in 1931, 3,774 farms were producing seed crops subject to federal inspection, and that around 12,000 persons were engaged in the production and marketing of the improved seed.

Honey Prices Going Up

Honey producers throughout the Province are considerably gratified with the recent steady rise in price for their product. As a result of heavy exportations totalling over one quarter of a million pounds in September alone, the domestic price has risen from one cent to a cent and a half, and most producers are now refusing to sell for less than six and a half cents per pound net. With reports of further heavy export shipments going forward in October, large beekeepers are watching the situation with keen interest. Meanwhile smaller producers are preparing to take advantage of an improved domestic market, which now freed of the pressure of large individual lots of honey, has lost most of its former bearishness.

Ontario honey is now handled through a commercial sales promotion representative, and is bottled and sold under the industry's own brand and trademark. In this way its identity is retained through to the consumer and the advantage taken of the powerful "buy British" sentiment in Great Britain.

Mixing Infected Potatoes Increases Marketing Cost

J. T. Cassin, Ontario Marketing Board, says that, if the portion of the potato rot is mixed with the remaining good potatoes, the entire lot will become affected. This, of course, calls for a needless picking over of potatoes, a practice which does not reconcile itself with the policy of cutting down marketing costs.

Definite Export Market If Quality Is Right

According to Garnet Duncan, Ontario Marketing Board, only two carloads of calves have been exported to Buffalo during the past month. Mr. Duncan states that there is a definite market for a much larger number, providing the quality is right. Little more than ten per cent of calves being offered, however, meet export requirements. Mr. Duncan said that fully 50 per cent of the animals offered, while being of suitable type, lacked proper finish.

Harvesting of mangels and turnips is well advanced, with excellent yields on both being reported from many parts of Western and Eastern Ontario. A considerable percentage of the crop is found in the potato crop, particularly in the potato crop, particularly in the potato crop, particularly in the potato crop.

British Apple Market

Reporting on prospects for Ontario apples in the British market, Mr. Andrew Fulton, growers' overseas representative, states that there is no doubt that the new tariff against foreign apples provided for by the Ottawa Conference agreements, amounting to six shillings per barrel, will have a stimulating effect upon the market for Canadian apples, but that it is doubtful whether the full benefit of the tariff will be felt until the next year is well advanced, probably not until next February. At present large quantities of Nova Scotia apples of a windfall character are being shipped to England and also large shipments of Virginia apples have been rushed over before the new tariff comes into effect. Therefore the general supply of apples from now until December will greatly exceed the demand and

it will be difficult to realise satisfactory prices at the prevailing rate of exchange, which today means that £1 is worth only \$3.85. However, lighter arrivals and more remunerative prices are expected after the New Year and Mr. Fulton advises growers to hold back a good percentage of the best-keeping varieties until that time, and meanwhile to export only well-coloured, attractive varieties, as only outstanding quality can compete against the cheap fruit that is on the market, and make satisfactory returns to the growers.

Mr. Fulton reports a ready market for well-coloured, good quality Scarlet Pippins, Jonathans and Snows, provided that they are properly packed and arrive in hard condition, and he looks for these varieties to sell as high as 27 or 28 shillings per barrel. Large quantities of Ontario pears have arrived in England in good condition. Ontario Bartlett's packed in hampers have been very popular. In conclusion Mr. Fulton warns that Certificates of Origin must be sent with all shipments.

PLAN REDISTRIBUTION FOR FEDERAL SEATS

Ottawa—It is understood that the government proposes to appoint at once a special committee on redistribution of parliamentary representation based upon the recent figures. No change is contemplated in the total membership of the House, which will stand at 245, but the decrease of population shown in the maritimes would cause Nova Scotia to lose two members and New Brunswick one, whilst Alberta would gain one and British Columbia two.

A shuffling of constituencies might take place in Quebec and Ontario, but the respective strengths of these provinces would not be affected.

When the redistribution bill is dealt with in committee, Liberals will urge the introduction of the alternative vote in single-member constituencies, and of proportional representation in cities like Toronto, Winnipeg, Montreal and Vancouver, which have more than two members. Whether the committee can be brought to accept these suggestions or not, the Liberal leader, Mr. Mackenzie King believes that all shades of Liberal opinion should be united in regard to these major policies.

Mr. King favours some change in the electoral laws that would enable those of Liberal, Progressive or Independent thought to register their preferences when casting their ballots.

With Quebec as the key province in fixing the representation in the commons, the unit of representation is now 44,000, based on the population of Quebec and the 45 members which that province must always have. But in the present parliament the unit of representation is 36,000, based upon the 1921 census.

Fifty-seven of the eighty-two federal constituencies in Ontario have less than 44,000 population, whilst certain congested electoral districts in West York, have three times that number in the unit of representation.

On the basis of population, Toronto is inadequately represented at Ottawa and this is equally true of Montreal. There are 996,000 people on Montreal Island, which would give them twice the membership in the House of Commons is representation were based on population.

It is hardly likely that the present government, which stands to benefit by the splitting of the opposition vote amongst Liberals, Progressives, United Farmers and Independents will be enthusiastic about the alternative vote and proportional representation.

Alleged Slayer of Toronto Dentist is Marmora Boy

Marmora—Ewart G. Warren, alleged slayer jointly charged with his brother-in-law, Harold Hicks, with the murder of Dr. W. G. More, a Toronto dentist, was born here twenty-six years ago, and is married to Mildred Brown, a local girl.

His wife is now residing on an east-end street in Toronto. The couple have one child, Mary Josephine.

"He has been a tragedy to me. The story of my daughter's marriage to Ewart Warren is an unhappy one!" Mrs. Brown sobbed when interviewed by a reporter.

The home of Mrs. Brown is a tidy little brick residence located on the border of the village. The land on which it stands was purchased by Mrs. Brown for fifty dollars — the hard-earned savings from her labours as a washerwoman. She is an industrious, thrifty woman, whose only support is her youngest son, still a mere lad.

Mrs. Brown related that the marriage of her daughter to Ewart Warren took place on August 15th, 1927. On the day following the couple left for the West where they stayed for over a year. Then they went to Toronto and stayed a while. During berry time Mrs. Brown's daughter returned to Marmora. Her son-in-law came up for a week only.

"The next summer she came back again," Mrs. Brown said, "and that summer Ewart Warren was arrested with two other men for trying to rob a grave in our cemetery here. The day the three of them desecrated the grave they took us all out for an automobile drive. It was in the fall that the little girl came to live with me, and two years ago, on the thirtieth of this month, he took her back again. I have never seen him since he took the baby. I tried to tell you not to get the baby back, and I have not seen my daughter either for three years, but I know where the baby is now. She is with some cousins of ours at Trenton. They have adopted her, and she has come home."

Provincial Officer Percy Gray remembered Ewart Warren's wedding. "Two years ago this summer he took the child Mary, aged three, away from her grandmother, Mrs. Martha

Brown. As I remember Warren he was always a bit wild, even as a boy he was wild. He was a heavy-set, dark complexioned fellow. He had money when he came for the child, and was very well dressed. I wondered at the time how he managed to appear so well off."

The story of the desecration of the grave of Mrs. B. C. Hubbell and of the jewels that were said to have been buried with her, which motivated the outrage, is well-known in Marmora.

C. H. Gillen, local chief of police, related the details of the incident which at the time of its occurrence stirred the village and surrounding countryside to a high pitch of excitement.

Ewart Warren returned to Marmora and brought with him two ladies from Toronto. The ostensible reason for their coming was to paint chimney stacks and they brought a lot of tools with them in their car, presumably for this purpose.

The night after they came here, though, they went down to the cemetery to the Hubbell family plot and there dug up the grave of Mrs. B. C. Hubbell because they had an idea that many valuable jewels had been buried with her. We were able to prove that in the afternoon Ewart Warren went alone to the cemetery and asked the caretaker to show him the Hubbell plot, which the caretaker did, thinking he was merely curious. The three of them dug right down to the casket, which they found was enclosed in a steel case and was too heavy for them to get to the surface. Despite this, in a most determined manner, they tried to pry open the solid steel, as the marks of the instruments they used clearly showed.

"After careful inquiry into the case I sent a telegram to Toronto and Ewart Warren came back with a Salvation Army Officer and confessed. The Salvation Army officer did not want me to arrest him, but I told him I must do my duty. At the trial Warren turned King's evidence and got off. The other two men got a year off. I knew Ewart Warren from the early days," continued Chief Gillen. "His mother lives now in Toronto and none of the family are here now. For a time after the home where he was born was pulled down he lived with his grandmother, who is now dead. After he lived in Waverley, I remember, too, when he married Martha Brown's girl. He was in

the local militia then, the Hastings-Prince Edward regiment, camped at Marmora for their annual training."

General News of Interest

Campbellford—Thirty days in Campbellford gaoled was the sentence handed out to John E. Brady, 33, of Campbellford on Friday afternoon in the Campbellford police court, when he appeared before Magistrate J. M. Bygott, charged with assaulting his wife and causing bodily harm. Brady was remanded from October 8, from which date his term of imprisonment will commence.

New York—Climbing to heights untouched since late last summer, the Canadian dollar was in demand at 93 1/2 cents in United States funds on the local foreign exchanges on Monday. The opening quotation represented a gain of one cent compared to Saturday's closing figure and was 2 1/2 cents higher than a week ago. The pound sterling was also fractionally stronger, opening at \$3.44, up 1/4 cents.

Mr. A. P. Kellar of Bancroft village while engaged in repairing a telephone line in Carlow township narrowly escaped being killed when a pole on which he was working snapped off carrying him to the ground. Strapped to the pole the weight of his body caused the pole to fall across him. He sustained painful injuries, having several ribs fractured and a broken ankle. Kellar was unconscious when picked up by a fellow workman. His condition is said to be critical.

Suddenly swerving his car to the right to avoid a head-on collision with an approaching speeding outfit, Mr. James A. Cokers of Belleville apparently, for the moment, lost control of his car, after which it completely turned over in the ditch some ten miles north of that city on the Madoc road early Saturday evening. The car came to rest on its side in the ditch and the occupants were forced to crawl from underneath the wreckage. Mr. Cokers was badly bruised about the head and face, but apparently not injured to any great extent. The other occupants of the car escaped injury. It is alleged that the threatening outfit was owned by a Mr. Holgate and was without a light. The police are investigating.

Havelock—A shooting accident which cost the life of Clara D. Fowler, Toronto, occurred at Belmont Lake, Friday morning, the death occurring about 8.30 Saturday morning. There was no eye-witness to the fatality, but Mr. Fowler's fishing companion, Robert Williamson, also of Toronto, heard the shot and ran

to his aid. The two, who had been stopping at Mr. Fowler's cottage at Enns King's shore of the lake, were leaving Friday in a boat to go fishing. Mr. Fowler taking along his gun. Mr. Williamson stated that just after they had started, they found they had forgotten their bait. He returned, but just before leaving Mr. Fowler, the latter pointed a flock of crows flying over and said he was going to take a shot at them. Bob Williamson was half-way to the cottage when he heard the shot, but paid no attention until he heard his companion shout "I'm shot". He ran back and found the other floundering in the water, and pulling him out, he went for aid immediately. Mr. Fowler had been struck in the left arm, which was badly shattered. At first it was thought this member would have to be amputated. He died Saturday morning, believed by attending doctors from shock and loss of blood.

WREATHS FOR ARMISTICE DAY

Toronto—The Ontario Government will provide memorial wreaths to be presented at each community service to be held throughout the province on Armistice Day, Hon. G. W. Martin, Minister of Public Welfare announced on Tuesday. Arrangements have been made with the Vetscraft Association for the wreaths to be manufactured at Christie Street Hospital here. Mr. Martin said. All organizations or communities which contemplate holding such services are asked to communicate with the department as soon as possible and give definite information as to the time and place of the services in order that the department may complete the necessary arrangements.

CONTROLLING THE AIR

Since the report of the radio situation was presented, nothing has been announced as to the intention of the government in this matter. It is not unlikely, however, that the premier may announce, as soon as parliament is opened after today, the appointment of a radio commission for Canada. It is hinted that the director of radio will be Major Gladstone Murray, one of the British Broadcasting Commission. The intention is to follow in this Dominion the lines along which the British broadcasting system has been developed. Whether that will mean more interesting programs here remains to be seen, or heard. It is probable the radio listeners will be able to enjoy outside entertainment if the Canadian program fails to please them at any time. If the restrictions are to be enforced in Canada, there may be some improvements in local reception. The license receipts justify a larger protection from interference now so galling to local set-owners. At present there is quite an adventure in tuning in on your radio. You may hear something or you may tune in on your neighbor's sweeping machine, or his old set. You may get the domestic purr

of an electric sewing machine, a welding plant, an ice cream freezer or a dentist's drill as it strikes the heart of a hollow tooth. These little irritations are discouraged in Britain, where the habit is to have laws enforced. On the other hand, the British system is bettered by trained and intelligent announcers with selected voices. But state ownership may not work out as well in Canada.

ABOLISH HOME WORK

Abolition of all public school homework up to the senior fourth or entrance classes, with only a limited amount to be prescribed for pupils in this grade or standing, is reported to be the aim of the Ontario department of Education and on which action will be taken in the comparatively near future.

Institution of the suggested abolition by regulation is not likely, because the department has always hesitated to interfere with local school authorities, but at least some campaign of educating local boards to the value of such a ban will probably be set in motion from Queen's Park, Toronto.

Officials of the department are convinced that 90 per cent. of all home work is dishonest, in that it is done not by the pupils for whom it is set, but by their parents or older brothers and sisters. Given the same tasks in properly allotted school periods under proper supervision of teachers, the pupils, in the department's opinion, would accomplish far more learning than they do by passing their problems along to others for solutions.

During Canon Coffey's regime as minister of Education of the province there was an agitation launched to reduce homework to a minimum. The same view of it was entertained by Hon. G. Howard Ferguson when he headed the department, and now Premier Henry, although he has not actually committed himself on the point, is said to endorse the abolition policy which his subordinates have under advisement.

As previously indicated, there are no regulations governing the age or class at which homework shall begin setting tasks for pupils immediately they are out of the first book. Small as those tasks may be, they are reported to constitute, in the eyes of Queen's Park, Toronto, a lamentable and mistaken policy.

JOBLESS REGISTRATION NOW READY

Hon. W. G. Martin, minister of public welfare, has announced that registration cards for the workless, to be used by all Ontario municipalities are now ready.

These cards and the order voucher form were the result of an order-in-council recently passed by the cabinet, and Mr. Martin urges that all municipalities adopt and follow them closely.

In every case where relief is sought the applicant must make an affidavit to the effect that he is in actual need. Mr. Martin declared.

Under the order-in-council recently passed, it is required that all unemployed shall carry a registration card," stated the minister of welfare.

CHILD INFORMATION

There are several bits of fundamental information which you should teach to your children as soon as they are old enough to learn them; their own name, their father's name, street, town, county and province. Get a toy telephone for your children and have them call central and rehearse their telephone number until they know it perfectly, even automatically, and know how to carry on a telephone conversation.

Impress upon them that they must never go for a walk or a ride with anyone without asking permission, even though the person is someone they know, for though the reward be candy or money or anything else. Teach them never to fear a policeman but to look to him as a friend. This information may prove very useful if your child gets lost or falls in to any difficulty.

WELLMANS

Miss Olive Watson, of Trenton, is spending a few days at her home here.

Mr. and Mrs. Charles Johnston and family of Trenton visited Mr. and Mrs. Alex Johnston and Mr. and Mrs. Wilfred Johnston on Sunday.

Mr. T. W. Sparr returned home on Monday after spending a few days at the home of his daughter, Mrs. Ray Armstrong, Belleville.

Several from here attended anniversary services at Bethel and Burnside on Sunday last and enjoyed two splendid services.

Miss Leta Kingston of Oak Lake is visiting her sister, Mrs. Wilfred Johnston.

Messrs Leslie Maybue, Lindsay Pollock, Ernest Thain and Sam Wallace attended the Plowing Match near Ottawa last week.

OAK HILLS

(Too late for last week)
Friends here were shocked to hear of the death of Ex-M.P. Charles E. Hannah. Belleville has lost a splendid citizen and we who knew Mr. Hannah personally feel that his was the passing of a true and loyal friend and we extend our sincere sympathy to his bereaved family.

Miss Pansy Lansing's many friends will be pleased to know she is gaining nicely after a serious operation in Belleville hospital. We all hope Pansy has a speedy and complete recovery.

Mr. Patrick Maloney's Sale on Wednesday was well attended although it rained steadily all afternoon. Quite a number also attended the Madoc Fair that day from here.

Mrs. Jack Lyons and baby Everett, of Trenton, and Mrs. Will Cooke and daughter Laura, of Fairfield's Bridge were Sunday visitors at Mr. Jas. Stapley's.

Miss Mona Wright spent Wednesday evening with Mr. and Mrs. Raymond Chambers.

Mr. and Mrs. Shaw, from Stirling, are moving into Mr. Nelson Stapley's house, which was vacated some time ago by Mr. Jack Gallivan.

Miss Dorothy McMullen, of Peterboro, spent the holidays at her home here.

Mr. and Mrs. H. Chutfield, of Syracuse, N.Y., called on Mr. and Mrs. Jack Gallivan on Sunday.

Mrs. Roy Wilson attended the District Meeting of the L.O.B.A. officers in Belleville on Saturday night, and reports splendid addresses given by the Most Worthy Grand Mistress of British America, Sister Darracott, and a number of others.

Rev. Mr. Lane, of Frankford, had charge of the service on Sunday and delivered a splendid address to his old friends here.

Mr. and Mrs. Ernest Wilson and Harold, of Holloway, were Sunday guests at Mr. Jas. Stapley's.

Mr. and Mrs. Frank Sables and Helen, of Stirling, accompanied by Mrs. Hannah Clark, visited Mrs. Holland, at Ivanhoe, on Sunday.

Mr. P. J. Maloney and daughters entertained a party of friends on Friday evening.

Mrs. Roy Belcour and Miss Goldie Broadworth, of Madoc, spent Thanksgiving with friends here.

Mr. and Mrs. Sam Danford and Mr. and Mrs. Douglas Stapley attended the convention in Bancroft on Friday.

Miss M. Chambers has returned to her home near Ivanhoe, after spending some time at Mr. Robert Chambers'.

Master Seymour Ashley spent the holidays at Madoc Junction with his grandparents, Mr. and Mrs. Sam Danford.

Picking apples and getting in spuds seems to be the order of the day. We also notice the old mitten coming to light again these cold mornings after frosty frosts through the night.

MOUNT PLEASANT

The monthly meeting of Mount Pleasant W.M.S. was held at the church on Wednesday afternoon with an attendance of eleven. Mrs. Rosa Hoard occupied the chair and Mrs. Thomas McKeown offered prayer. Opening hymn "Listen the Master Be seetheth". Arrangements were made to quilt three quilts at the Hall on Wednesday, October 26th, for our Cos Hill bair. Mrs. Phillips and Mrs. Frank Smith are to arrange for lunch, which the older members of the M. Band will serve and charge a fee of ten cents. Nine more quilt blocks were needed and several volunteered to make extra. As our Society has not received their World Peace literature the Cor. Sec. was asked to write Mrs. P. L. Hooper for more. The study book "His Dominion of Canada" will be introduced at the November meeting by Mesdames Phillips and MacMullen. Roll call of the members in November by a verse of Scripture beginning with letter N and a few sentences giving the connecting link. The date of the autumn thankoffering will be arranged later. Mrs. Blake Sharp read the Scripture Lesson found in Jonah. The Secretary read the minutes and called the roll. Mrs. Hoard and Mrs. P. L. Smith sang an appropriate duet "The Cross is not Greater than His Grace". Mrs. Cyrus Summers read a leaflet on Christian Stewardship. Mrs. Rosa Hoard gave a splendid report of the Sectional Rally and was tendered a hearty vote of thanks. Systematic giving by envelope amounted to two dollars and fifty-three cents. Closing hymn "I am thine, O Lord" and Mizpah.

Lewis Napoleon McMullen
The obsequies of the late Lewis N. McMullen, in his 82nd year, oldest son of the late Alexander McMullen and Nancy Johnston, was held at the home of his son John McMullen, fifth concession of Rawdon, on Monday afternoon, with a large attendance of relatives and friends. His pastor, Rev. M. J. C. Levason, of Bonarlaw, conducted the service, based on Matthew 24-44 "Be ye also ready", assisted by Rev. F. G. Joblin, of Rawdon circuit. Following the service the funeral cortege proceeded to Wellmans cemetery where burial was made. Rev. Levason conducted the Anglican rites and then the Orange ritual was read by Brother Fred Bateman, Master of Springbrook L.O.L. No. 442. The deceased was an honored life member of this lodge. Orange brethren were also present from Tanner 509 and Wellmans 172, including Brother Fred Thain, Master of Wellmans Lodge and Brother Conger McConnell, District Master. Brother George Thompson was Director and the pallbearers were Messrs Edward Preston, Alex Martin and Will Preston, neighbors of the deceased, and Messrs Wm. F. Bateman and Samuel McComb, of Bonarlaw, representatives of No. 442. Many beautiful floral tributes covered the casket being chrysanthemums, carnations and dahlias. Wreaths, John McMullen and family, daughters and grandchildren; L.O.L. 442, Springbrook; Sheaf, Mr. and Mrs. Clarence Reid, Stirling, Dukes Rebecas, Havelock; Sprays, Mr. and Mrs. Wm. McMullen, Harold, Mr. and Mrs. Percy MacMullen and family.

Deceased suffered a severe illness in August from which he never fully recovered, but was able to be around the house until Thanksgiving, when he suddenly grew worse and despite medical aid he passed away at an early hour on Saturday. He was the oldest of a family of thirteen and was born on September 13th, 1851, and lived practically all of his life on the fourth and fifth concessions of Rawdon. Four of his brothers have predeceased him—John, Alexander, Washington and Wellington. The surviving brothers and sisters are Elijah of Stirling; Elias, of Oskawa; William, second concession of Sidney; Boulier of Winnipeg; (Mary Ann) Mrs. Will Kent, Belleville; (Maggie) Mrs. M. McKee, Phillips, Wisconsin; (Fanny) Mrs. Sidney Smith and (Ida)

Partridges are very common on the fourth line. One day last week a bird walked into the kitchen and parked behind the stove, and on Monday another family saw one of the feathery flock in their back yard.

Messrs John Johnson, Conger McConnell, Wm. H. Scott, and Murney Scott represented Mount Pleasant Orangemen at the funeral of Mr. L. McMullen on Monday.

WITH THE BOY SCOUTS

The first Scout meeting of the 1932-33 season was held in the School auditorium on Thursday, last week, with eighteen scouts present. After the opening ceremonies Rev. E. W. Rowland, A.S.M., gave a very interesting talk on Scouting. He also stressed the value of each Scout putting forth a great effort to make the troop a greater success. After a few games the meeting was brought to a close in the usual manner.

The Court of Honour met after the regular meeting, at which it was decided to start the work in earnest on Thursday, October 27. All Patrol Leaders are responsible for having their Scouts to the meeting at 7.30 sharp. It was proposed to have a march through town, so every Scout must be present. Other interesting features to make the meeting most enjoyable have been arranged. So let every Scout be present in full uniform on Thursday, October 20th at 7.30 p.m., at the school.

STIRLING GIRL GUIDES

The first regular meeting of the Stirling Girl Guides was held in the Assembly Hall of the High School on Friday evening, last week, taking the form of an organization meeting for the work of the coming year. Preparations are being made to order new hats for those not supplied, in anticipation of a church parade in the near future. Christmas work was also planned and plans for earning money and entertaining neighboring Guide companies were discussed.

On Monday afternoon the Second Class Guides met again to try the tests for the Athletes' Badge. The following have practically completed this work: Jean Munro, Olive Munro, Phyllis Mitchell, Marion Bailey, Ruth Martin, Pearl Stapley, Madeline Lucy and Lenora Ward, (Lieutenant).

FIRST DELORO GIRL GUIDES

Oct. 17—The meeting opened with the Lord's Prayer. Log was read by P.L. Doris McNary. Attendance reported to Lieutenant Kerr. A discussion of winter amusements followed. Badge work was also taken up, reviewing last week's ambulance work. A new song, "Jim O'Shea" was begun. Old songs were gone over and the meeting closed with Taps and dismissal.

FIRST DELORO WOLF CUBS

The meeting opened with the Grand Howl taken by A.C.M. Kerr. Attendance was then marked. Donald Reagan was made Sixer of the Browns, with Jim Loveless for his second. Ewart Haack remains sixer, Claire O'Neill second of the Blacks. The other boys dismissed for games while Wilfred Gray passed his Tenderfoot test. Second star tests passed were cleaning and polishing boots, Willie Reynolds, Jim Loveless and Tom McNally. A new Cub chart has been procured and will be posted next week. Games were then taken by A.C.M. O'Neill, including Tunnels, the Snake Dance, Shere Khan and the Jackals and so on. The meeting closed with the Grand Howl taken by A.C.M. O'Neill.

WILSON — CURRIE

Miss Grace Currie, of Almonte, Ont., was joined in marriage to Mr. Robert Wilson, of Trenton, at eight o'clock on Tuesday evening, the ceremony being performed in the Manse by Rev. C. K. Nicoll, minister of St. Andrew's Presbyterian Church. Trenton Courier-Advocate. The groom is well known in Stirling and district, as he was employed in Rollins' Barber Shop for some time prior to going to Trenton.

Rebekahs Instal Officers

Tuesday evening, October 11, was one that will long be remembered by members of Laurel Rebekah Lodge, No. 211. Sister M. Wallace, D.D. President and Suite, of Tweed Lodge, paid their official visit to Laurel Rebekah Lodge for the purpose of installing their officers into their respective chairs for the current term. The following were installed:

I. N. G. — Sister Hattie Hubble, N.G. — Sister Grace Vandervoort, V.G. — Sister Florence Maynes, F. Sec. — Sister Effie Bailey, Treas. — Sister Agnes Hammond, R.S.N.G. — Sister Mabel Meggison, L.S.N.G. — Sister Alice Sine, R.S.V.G. — Sister Annie Bailey (Treas.).

L.S.V.G. — Sister Freda Sine, Warden — Sister Edith Utman, Conductor — Sister Evelyn Bailey, I.S. Guardian — Sister Annie Bailey, (Charles).

O. S. Guardian — Sister Malvina Maynes.

Chaplin — Sister Gladys Elliott, Program — Sister Mildred Elliott, Degree Captain — Bro. G. Carlisle.

Sister Hattie Hubble was presented with a beautiful P. G.'s Jewel as a reward for faithful services rendered during the past year.

The D. D. President gave a wonderful address which showed an inspiration to all Rebekahs who heard it. The work done was presented in a highly creditable manner and many were the expressions of congratulation extended to the visitors. At the close of the meeting a dainty lunch was served.

United Church Anniversary

(Continued from Page One)

Not satisfied at appeasing the physical hunger of the many friends, the program committee arranged for the Sunday School orchestra to entertain the waiting visitors while the tables were being prepared. Under the leadership of Mr. T. Furnival this organization played again and again to the delight of everybody.

To many the real feast of the evening was yet to come. In the auditorium of the church those present sat and listened to a programme of choir numbers, organ and vocal solos, violin and piano selections and readings which would quite disarm the critic. At the close one person was heard to remark that "the good wine had been kept until the last." Miss Vermilyea, of Belleville, quite captured her audience in all her numbers. Mr. Chas. Allen, who so kindly assisted the choir, rendered a splendid organ solo. The Misses Calow and McCubbin were listened to in rapt attention in a violin and a piano selection and Miss Bessie Conley and Mr. Harold Way sang their way to the hearts of the audience while the choir came forth with three offerings that were inspiring.

And so St. Paul's United Church has passed another milestone and the congregation faces the future with faith and hope and courage.

ST. ANDREW'S W.M.S.

St. Andrew's Presbyterian Church Missionary Society held its Thanksgiving meeting in the church on Wednesday afternoon. Meeting opened in regular form. Minutes of last meeting were read and approved. The speaker for this meeting was Miss Irene Stringer of the Gwalior Mission in India. She is located at Jhansi. It is a British possession. This mission was started in 1906 by Dr. Wilkie. Whatever power wishes to gain the loyalty of India must convince the people that it will do more for them than Britain has already done. This Gandhi and Congress have utterly failed to do. Soul-sick for the spiritual because Indians are intensely spiritual, we believe that the eternal promises of God are the only solution for this struggling, awakening nation and through our evangelists and teachers and our nurses we are doing there that should expand with all the strength we can muster for the cause. Miss Stringer teaches in the "Missions National" Girls' School, Gwalior, erected by the late Mr. J. K. Macdonald, Toronto, in memory of his daughter. Girls are admitted from five years to eighteen years in this school. They are taught ten months in the year without holidays. In 1926 there were seven girls and now there are 106 girls. Montblat is the Matron, which means wonderful mind. She is well named for she is more like a mother than a servant. She had a chance of another position with double salary, but she refused the offer. When this school began there were only 2 teachers. Now they have a fine bunch of teachers and the girls can receive a normal school training. They are then able to go out among their own people to teach and Christianize them. These children, when admitted to the school, do not even know how to play and have to be taught. A Girl Guide group was started and that helped them to learn. They are taught to give to help others and to know about God and His goodness. They had no money to give and they bought rice, wheat and chickens. The W. M. S. women brought 15 rupees, which is about five dollars. This money was often saved by going without meat for weeks. And the women often do the road work. The main aim is to teach girls to be Bible women as the Christian work in India depends on native teachers, and the biggest need at the present time is a hospital.

Mrs. Reid, of Belleville spoke of the use of the mite boxes to increase the gifts, separate from the usual method.

A vote of thanks was tendered Miss Stringer for the interesting talk on Gwalior Mission. The meeting closed with a hymn and benediction. A lunch was served to the visitors and a pleasant half hour spent.

Between news of murder trials, accidents and shootings, the daily press has not been giving the present session of parliament much prominence in its news columns.

Bradford Washburn, Jr., president of the Harvard Mountaineering Club, who returned on Canadian Pacific "Imperial" train to his Alma Mater recently. "We had bad luck with weather and snow," said Mr. Washburn, but otherwise the party is bringing back some very interesting moving pictures of their experiences. (873)

THE LATE THOMAS BURKE

The death occurred at the General Hospital, Niagara Falls, Ont., on Tuesday, October 4th, of Thomas Burke, an old resident of Niagara Falls, aged 54 years. He had lived in the city thirty years. Mr. Burke was born in Rodan, Ont. He was a carpenter and a member of Our Lady of Peace Church, and of the Sacred Heart Society of the Church. Surviving are his widow, Mrs. Mary Burke; one son William, of Niagara Falls; four brothers, John of Sault Ste. Marie, Ont.; James of Duluth, Minn.; William of Ottawa; and Patrick, of Niagara Falls; three sisters, Mrs. M. Maloney, Niagara Falls, N.Y.; Mrs. James Fitzpatrick, of Stirling, and Mrs. Charles Jandrew, of Frankford, Ont.

IS CRIME INCREASING?

There seems to be a rapidly increasing amount of crime in Canada of the hold-up nature, with all too frequent fatalities to those attacked. The murder last week of a Toronto dentist in his office by two thugs was one of the most shockingly heartless yet reported. And now the mutiny in Portsmouth penitentiary, Kingston, has gone one step further in placing our record far past the danger mark as a national characteristic. Certainly, conditions are such as to warrant the utmost consideration being given to law enforcement by those who should have authority in these matters. All this does not mean working at the top of our law administration alone, but the effective detecting of crime, even in such smaller communities as Stirling, with its robbery last week, and the proper follow-up procedure in the courts and prisons is of the utmost importance in these trying days.

D.D.G.M. Instals
I.O.O.F. Officers

Another important event in Oddfellowship in this district was held in Stirling Lodge I.O.O.F. last night when Bro. R. F. Bristol, D.D.G.M. of Macleod District No. 45 paid his official visit and installed the officers for the current term. Accompanying the D.D.G.M. and assisting in the installation ceremony were Bros. C. J. Ross, Marshall, T. E. Walker, Warden; Chas. Conley, Sec. Y. Embury, Treas.; W. H. McEln, Chaplain; E. Phillips, guardian; A. Smith, Herald; and Geo. W. White, Noble Grand of Macleod Lodge No. 179. The ceremony was performed in a splendid manner and Bro. Bristol and his staff were highly commended for the capable and efficient way in which the work was performed. The following are the newly installed officers of Stirling Lodge.

J. P. G.—Bro. Geo. Carlisle.
N.G.—Bro. W. H. Patterson.
V.G.—Bro. K. L. Naylor.
R.S.—Bro. F. Thompson.
F.S.—Bro. F. T. Ward.
Treas.—Bro. J. W. Sares.
Wor.—Bro. E. Broadworth.
Con.—Bro. H. Ashley.
R.S.N.G.—Bro. E. R. Carlisle.
L.S.N.G.—Bro. E. Jackson.
R.S.M.G.—Bro. R. Walker.
L.S.M.G.—Bro. G. Thrasher.
R.S.S.—Bro. R. R. Searies.
L.S.S.—Bro. A. Vandervoort.
J.G.—Bro. J. R. Carlisle.
O.G.—Bro. G. Sine.
Chap.—Bro. Geo. Weaver.

Following installation the mysteries of the First Degree were conferred upon two candidates by the Degree Team from Thomastown Lodge, No. 293, who paid a fraternal visit for that purpose. The members of the degree team, with Bro. J. E. Bateman, captain, excused their different parts in an inspiring manner and the "floor work" was perfect. Their forming the letters "I.O.O.F." and "E.L.T." was quite unique and worthy of special mention. The team is ranked amongst the best in the conferring of this degree. The members were as follows: Bros. J. E. Bateman, A. C. Porter, Murray Gem, Lewis Morton, J. H. Blakey, Fred Coulter, Thos. Emerson, F. P. Shear, Wm. Evans, W. A. Morton, Ray Oliver, J. R. Dunsen, Harry Coulter, Geo. Embury, R. English, W. R. Harrison, Leslie Adams, Albert Martin, P. F. McTaggart, Harry Sayers, Willard McTaggart, Joe Smith, Glen Ish, J. H. Dunsen, Harry Kennedy, Stanley Webb, Muelian R. L. Carlisle.

ANGLICANS HOLD
SOCIAL EVENING

A social gathering of the A.Y.P.A. of the neighbouring districts, including Tweed, Belleville, Trenton, Frankford, Marmora, Rawdon and Stirling was held in Stirling Community Hall on Monday evening, October 24, with about 450 members present. The hall was decorated for the occasion and the program was supplied by Stirling A.Y.P.A. which was as follows: A piano duet by Misses A. Calow and Jean McCubbin; a violin solo by Miss Calow; a quartette, Misses Margaret Cooke, Frances Cooke, Margaret Bateman and Doris Tanner; reading by Miss Myrtle Reid; songs by Arthur Bateman and Margaret Bateman; selections on the mandolin by Mr. F. Houchin; piano solo by Miss Lorene Scott. A play entitled "Henry's Mother's Wife" was staged by Miss A. Calow, Miss A. Morgan, Jerry Craven, Harry Morgan, Gerald Coombs and Arthur Gould. Every member of the program was appreciated by all, especially the play, which was very humorous. The remainder of the evening was spent in dancing, the music being furnished by Mr. Chas. Allen, Stirling, and St. Thomas Anglican Church orchestra. Bally's A. Birthday Novelty dance was given and was won by Miss Helen Dixon, Belleville. Lunch was served by the Stirling members, and after singing God Save the King, everyone departed, feeling that the evening had been a success in every way.

POPPY DAY NOVEMBER 5

Saturday, November 5th, is the day chosen for the appeal of the Stirling Branch of the Canadian Legion, and on that day the poppy canvass and tag day will be held. Arrangements for this affair are now being made. It is expected that every house in the village will be canvassed by poppy sellers and taggers will be on the streets all day with their flowers to sell these emblems of sacrifice to the public. The poppies are made by members of the Yetscraft, and the proceeds go to aid Soldiers' widows and children. It is also requested that all who buy poppies will retain them and wear them on November 11.

SERIOUS ACCIDENT
AT WELLMANS

A serious accident occurred on Mr. Roy Walker's farm, Wellmans, on Friday, when Walter Wilson, employed by Mr. Percy Hubble, Anson, fell on a threshing separator and was badly cut in the leg and abdomen. The accident occurred when the threshing machine was being installed. The injured man jumped from the top of the machine and landed on the projection. He was immediately brought to Dr. W. H. Pedley's office here where it required eleven stitches to close the wound. Mr. Wilson is still undergoing treatment and well on the way to recovery from the near fatal accident.

ST. PAUL'S Y.P.S.

St. Paul's Y. P. S. met as usual on Monday evening, under the direction of the Literary department, and with an attendance of 93. The President presided over the devotional period, which was unusually interesting. After singing the hymn "Jesus calls us o'er the tumult", Miss Dorothea Thompson gave a brief synopsis of Cecil Frances Alexander, the hymn author's life, who was the wife of the primate of the Church of England, in Ireland, and related that Mrs. Alexander wished to write a hymn for use on St. Andrew's Day, so wrote the two incidents of Simon Peter, and Andrew casting a net into the sea of Galilee and Jesus saying to them "Follow Me", also, a later scene by the Lake, when the risen Jesus said to Peter "Lovest thou me more than these?" The author wrote these two incidents together and wrote this favorite hymn. Mrs. S. Williams commented on Isaac Watts' life and related in closing the incident of the origin of the hymn "O God our help in ages past." This hymn, one of the greatest we have, was written for the use of the humble folk of the Independent congregations, but has now become a hymn universal. This inspiring hymn was sung most heartily by all present. Ruth Martin read the Scripture reading, Psalm 46, and the President led in prayer. Mrs. Lawrence Munro, 3rd Vice-Pres., presided over the remaining program. Maurice Bell delighted the audience with a banjo solo, accompanied at the piano by Mrs. E. W. Rowland. The topic of the evening "Nation Builders" was ably taken by Mr. Fred Hulin. The first man dealt with by the speaker was James McGregor, who lived in Scotland, came to Pictou, Nova Scotia, in 1789, and dealt with religious conditions in Nova Scotia upon his arrival. The speaker told of the first Sunday service he held in a barn and also of the rapid growth of starting churches throughout Nova Scotia, Cape Breton Island and New Brunswick. Possibly James McGregor was an obscure man, but such (Continued on Page Eight)

Legion Rally and Banquet
Is Outstanding Success

Held in Agricultural Office and Community Hall Last Night for Zone 16—About 100 Legionnaires Present—Many Questions Dealt with at Rally—Spirit of Unity and Brotherhood Expressed in Speeches at Banquet

An important event in the Legion organization was held here last evening when approximately one hundred Legionnaires of Zone 16 "captured" the village and held their annual rally. Zone 16 comprises the district between Stirling and Pictou and Trenton and Elgin. The rally was held in the Agricultural office, commencing at 6 p.m. with Cde. R. McHeath, of Trenton, Chairman. The following delegates were present: Kingston—Cdes. Metcalfe and J. Connor, Zone Secretary; Belleville—Cde. Jeffs; Trenton—Cdes. G. LaBrash and Fitzgerald; Wellington—Cdes. J. H. Rutten and I. C. Bird; Pictou—Cdes. Judge MacLean and J. Hurlig.

Stirling—Cdes. E. Wannamaker and Floyd Armstrong.

Gananogue, Napanee and Elgin were not represented. Following the usual routine business of minutes, etc., a discussion took place relating to "The Legionary," a publication in the interests of the veterans. It was stated that it was now under new management and in future would be an improved magazine, composed of 38 pages. Special subscription rates to Legionnaires were announced. One delegate moved that in Zone 16 a year's subscription should be included in membership dues and that Dominion Com. be requested to consider the proposition. This proposition did not meet with the approval of the meeting and was carried: "That the members of the different branches take an active part in increasing the Legionary circulation and subscribe and pay individually instead of being a burden to the fund of the local Legion."

Kingston delegates spoke of Communist literature being distributed in that city since the Portsmouth "pen" riot and stated that their branch had gone on record requesting police to take necessary steps to check same. A couple of the delegates felt that this question should be left entirely with the police and while others felt that they should get behind and support our constitutional laws. No definite action, however, was taken regarding the matter.

The question of re-organizing Post 90 in Belleville, which formerly had a membership of 360, created a lengthy discussion. A committee was finally appointed. Cde. Metcalfe, of Cde. Heath, Zone Chairman; Cde. Jeffs, of Belleville and Cde. Dainard, of Stirling to investigate the Belleville situation and report to the Zone branches as to when action will be taken. The committee has power to add other members to same.

Reports from provincial headquarters were outlined and after deciding to hold the next rally in Kingston in April 1933, the meeting adjourned and the gathering proceeded to the Community Hall, where the banquet was being served.

About 8.30 the members of the visiting branches, visitors from Stirling and outside points, and the members of the local Legion were seated at tables piled high with good things to eat. The Women's Institute had very artistically arranged the spread, and the dining hall was beautifully decorated with flags, etc. Everyone present seemed to be possessed of a spirit of fellowship and good-will and it was with a merry heart that each individual went about the business of satisfying the inner man. Nothing had been overlooked, and the participants in this part of the program did full justice to the occasion. Rev. B. F. Byers pronounced "Grace". During the supper hour the orchestra of St. Paul's Sunday School furnished excellent music, while Cde. Bob Patterson led in a "march around" which only helped to "make room for more" of the tasty viands.

President E. J. Dainard, of the local branch of the Canadian Legion, acting in the capacity of chairman, proposed the toast to The King, and it was well responded to by the singing of the National Anthem. A two-minute silence was observed in honour of the fallen comrades.

In proposing the toast to the British Empire, Dr. W. H. Pedley very ably pointed out that though other empires had been held together by the rule of the iron hand, by despotism and other forceful means, the British Empire was bound by a spirit of love, "distinct," he said, "makes

us all willing to love our homes and ready to die for them, and it is reasonable to expect that the British Empire." In a masterly manner he dealt with the after effects of the Great War. No Empire is in a state of perfection. Even our own Empire has many distinct flaws, such as the forces of the "Red" invader, inequitable distribution of wealth, high taxes, autocracy in high places, but even these flaws are not so prominent as in other countries, even our nearest neighbors. For this we should be thankful. It is our duty as citizens to endeavor to increase the greatness of an already great Empire.

At this point all present joined heartily in the singing of "Three Cheers for the Red, White and Blue." Cde. W. G. Ketcheson responded to this toast. He had had considerable experience in the militia. He felt that military training should be fostered. At present there seems to be a movement in the direction of doing away with summer training camps for soldiers. This he felt was not as it should be. He was proud to step into the place held by his father and grandfather. They had come to this country, as did many others, simply because they were trying to be loyal to the British Empire. This same spirit of loyalty still trickles through the veins of their children. All members of this great Empire are proud to be a component part of it. There is no need for the "hard times" cry these days. Things now are a virtual paradise to what those brave pioneers of the past faced with hope and optimism.

A banjo trio, and encore by Messrs. Bell, Stapley and Pitman was thoroughly enjoyed, and received a great hand from their listeners.

The chairman called upon Cde. Hepburn, Pictou for a few remarks. He was glad to have the honour of being present with such a fine body of men. "Occasions such as this one," he said, "go far towards keeping unity within the Empire."

Judge MacLean, Pictou, was the next speaker, proposing a toast to the Canadian Legion. He was pleased to find a former Prince Edward man, in the person of E. J. Dainard, at the head of the Stirling Legion. His opening remarks and illustrations were most entertaining, and his able comparisons were witty and interesting.

"It is up to us," said Judge MacLean, "to generate those who did not come back. It is up to us, as members of the Legion, to see that the deeds of valor of fallen comrades are kept green in memory." Every citizen of this great Empire is proud to hold a position as part of the Commonwealth of Nations. It is fitting that memories of the Great War should be kept fresh. "It is up to the Legion," said the speaker, "to protect the honour of those who sacrificed themselves in the Great War. Their traditions must be honoured, and the Legion must be a living example of the deeds of heroism of those men." The motto should be the same as that of a certain great rowing club—"Pull Together."

"O, Canada" was sung at the conclusion of Judge MacLean's address. Zone Chairman R. M. Heath introduced the next speaker, Rev. Mr. Nicoll, Trenton, who responded to the toast to the Legion.

Rev. Mr. Nicoll gave a brief resume of the common trials of the men overseas. They all had the same experiences and they are back to face common problems of life. There, they were happy to receive even the most simple favour. After the mud-rat rations, discomfort of the trenches and other hardships, they were glad to be able to read by a candle in a tin can, a book sent from home—probably one that in former days would have held no attraction for them. Ten days' leave was looked forward to with the greatest of excitement. Men must now come back to the place where they can live within their means—enjoy the smaller things of this life, as did the men at the front. Prosperity would soon return if all men would unite in an effort to bring back the time when they could enjoy the more simple life. Happiness abounds in the enjoyment of the simpler things.

CROWDED OUT

Owing to a congestion in our news columns this week the following articles were held over until next week: St. Paul's Mission Band and Wellmans W. I. reports, budgets from Wellmans, Pethericks Corners and Menle.

CARRIER PIGEON FOUND

Last Thursday morning Lorne Johnston, son of Mr. and Mrs. Boulton Johnston, Rawdon, displayed a carrier pigeon to this office that he had found dead at the rear of the bath on his father's farm. The bird had a band with "Ottawa 2176" on one leg and a rubber band on the other. It is thought it strayed from its course and died from exhaustion. No message was found on the little "air mail" carrier.

Open Only Saturday Nights

Commencing next week the local stores will close every evening at six o'clock, with the exception of Saturday night. The barber shops, however, will remain open until 9 o'clock on Tuesday and Thursday nights. The open nights were adopted by the merchants for the accommodation of rural buyers throughout the summer and early fall months, but with harvests and threshing over open nights are not so necessary. The stores however will remain open for business on a night before a holiday.

ST. ANDREW'S GUILD

Guild on Monday evening was under the direction of the Citizenship Vice-President, David Lamb. Evelyn Dewey read the story of the Good Samaritan as Scripture Lesson, after which the meeting united in repeating the Lord's Prayer. A shag-songs of two old gospel hymns added much to the worship time of the meeting. Mauleta McKee favoured the meeting with a piano solo. This young musical artist is greatly appreciated by her friends at St. Andrews. Mrs. Hammond gave a reading "The Second Psalm." Even the pain of waiting for the account of the success of the Guild for the hungry child, William Dermid, once again proved his willingness to help and sang very feelingly "The Old Rugged Cross," accompanied at the piano by Mrs. H. Williams. David Lamb then gave a talk on Citizenship. Citizens may be divided into two classes, namely, desirable and undesirable. The Good Samaritan was truly typical of the desirable although the social order of things did not grant it. Our environment in childhood and our early training do much to make of us good citizens. The work of the Guild therefore is a strong factor in the training for good citizenship. Ray Williams played a Guitar Solo "Carolina Moon" and Chas. Allen played a piano solo "Flower Garden Tales." The meeting closed by repeating the Mizpah Benediction. Mrs. Melkjohn put on a clever car contest in which all took part. The Executive are anxious for greater interest in the work of the Guild and would remind the members of St. Andrews that the success of the Guild depends upon each one of them. "Are you willing to do your part?"

Former Stirlingite Elected
Leader of Alberta Liberals

W. R. Howson, M.P.P. of Edmonton, son of Mrs. W. R. Howson, Queen Street, Norwood, has been elected Alberta's Liberal Leader by acclamation of 400 delegates at the Provincial Liberal Convention held in Edmonton on October 21.

He succeeds J. W. McDonald, K. C., of Macleod, who was chosen as Leader two years ago, and who tendered his resignation some months ago on account of not being able to obtain a seat in the Legislature. Mr. Howson received his early education at Norwood Public School, a short time at Mother's Corners, near Keene, he entered the service of the Sovereign Bank at Havelock, of which he later became manager at Stirling. Following his connection with the bank in 1911, he went west, entering Manitoba University, and after graduation was associated for some years with the law firm of the late G. L. McKay, a former Liberal Leader in the Ontario Legislature, and later he became a partner of the law firm of Pavlis, Freeman & Howson, Edmonton. He was elected to the Alberta Legislature in 1930, and has been an active debater at all subsequent sessions of Parliament. His many old Stirling friends and acquaintances will be pleased to hear of his promotion.

Stirling Masons
Visit Toronto

On Saturday night, Oct. 22nd the W. Master, Officers and several members of Stirling Lodge No. 69, A.F. & A.M. paid a fraternal visit to Bay of Quinte Lodge, Toronto. This was the happy occasion when seven lodges from the Bay of Quinte District, including Stirling, Minden of Kingston; Eureka, Belleville; Prince Edward, Pictou; Union, of Napanee; Tweed and Lake Lodge of Ameliasburg, joined in returning fraternal greetings with their Toronto brethren who were Bay of Quinte Boys. The reception was held in the Masonic Temple, Yonge St., when W. I. Taylor, of Bay of Quinte Lodge, extended a warm welcome to all the guests. The first degree was exemplified by the W. M. of the seven lodges and two U.S. Masters from Bay of Quinte. A pleasant part of the evening's program was the presentation by W. Bro. Wilson, of Napanee, of a set of working tools to the Bay of Quinte Lodge on behalf of the seven visiting lodges. W. Bro. Geo. A. Kingston acknowledged the gift on behalf of Bay of Quinte Lodge. Following the Lodge meeting a banquet was given in the dining room of the Temple where plates were set for three hundred, and a fine program of toasts and musical numbers followed. Rt. W. Bro. J. O. Herlihy, in his usual manner responded to the toast to the visitors from the Bay of Quinte District. Those attending from Stirling Lodge No. 49 were W. Bros. C. R. Bastedo, W. Bro. Dr. E. A. Carleton; W. Bro. Thos. W. Solmes, W. Bro. R. W. Melkjohn; W. Bro. G. B. Bedford; W. Bro. H. Rollins; W. Bro. T. E. Yeats, W. B. G. Rose, and Bros. J. C. McGuire, W. H. Moise, Walter Wright, J. E. Salisbury, Thos. Montgomery, C. N. Baker, Morris Ross, Wm. West, and a number of brethren living in Toronto.

DR. HERBERT A. BRUCE NEW
LIEUTENANT-GOVERNOR

Col. Dr. Herbert Alexander Bruce, a prominent Toronto surgeon, has been appointed lieutenant-governor of Ontario. The post has been vacant since early this year, when the term of Hon. W. D. Ross expired. Hon. Mr. Ross had been on leave of absence for some months before this, and the duties of the office have been discharged in the interim by Sir William Mulock, chief justice of the province. The new Governor-General received his official appointment on Tuesday.

CURRENT COMMENT

The open nights season in the local stores ends this week. Commencing next week the stores will close every night at six o'clock with the exception of Saturday.

After next Monday man may throw away his liquor permit, but this action is not necessary because of a belief in prohibition — you see the 1931-32 "Pars" expire then.

What about hockey in Stirling this coming winter? It's about time to re-organize the hockey club and investigate the situation. It is to be hoped this King of Sports will not die in Stirling.

We do not hear or read so much about the Doukhobors in the West. However, we would suggest that as a compromise between decency and nudity the Doukhobor damsels be required to encase themselves in cellophane wrappers.

We noticed an article in a contemporary last week where a man dropped his laundry on the sidewalk and broke both bottles — then the police stepped in. Perhaps it is fortunate that in Stirling most of the "wash" is done at home.

Conditions seem to be improving and there is an increasing activity in Church organizations, which may be considered a healthy sign. In these days of trials and tribulations, termed as depression, people are turning more to the Church for solace for their minds.

Remember folks, a smile cannot be bought, begged, borrowed or stolen, for it is something that is of no value to anyone until it is given away. Some people are too tired to give you a smile. Give them one of yours, as none needs a smile so much as he who has no more to give.

Oshawa Times—Instead of decreasing, as has been usual for the month of October each year, employment statistics for Canada show that industrial employment in October increased by 5,193 persons over September 1.

HYDRO HAS AN EXCHANGE PROBLEM

(Huntsville Reporter)

The passing to Hydro municipalities for payment of a bill of \$1,016,000, representing the loss incurred by the Provincial Commission on exchange on Hydro obligations met in New York, has aroused dissent among the municipalities which constitute the hydro chain in Ontario. It is contended that the amount ought to be paid out of the huge reserve fund held by the commission. The obligation which has resulted from an exchange situation for which the Provincial Commission is in no way responsible, would appear to be a legitimate charge against the future revenues of the system, if the reserves are sufficient only to cover ordinary contingencies. The financial structure of a system operated on a basis of cost, could scarcely be expected to provide for an unforeseen contingency touching the million mark.

BURNBRAE

At the home of Mrs. John Oddie on Friday night, over a hundred friends and neighbors assembled to bid farewell to Mrs. Oddie and Miss Helen Oddie, before their removal to Campbellford. Rev. D. A. McKenzie acted as chairman. The following address and presentations were given:

Mrs. John Oddie and Miss Helen Oddie—
Dear Friends,—
Your friends and neighbors of Burnbrae, having learned that you soon leave this community, have at this evening to express our regret at your removal and to show our appreciation of your valuable services.

For many years you have resided here and have always taken a great

That is a sign that industrial activity is really becoming greater.

Kingsville Reporter — Prices are going higher this fall, all along the line from stocks to staples and from beans to bonds, which means, of course, that all the people who have been waiting for still lower prices will be trapped and will feel like kicking themselves because they didn't spend money when it went further.

It is claimed that male teachers would contribute an improvement to our school system. This is only a matter of opinion, for we believe, particularly after viewing some of the "members" at the Centre Hastings teachers' convention, held here recently, that improvement on the lady teachers in Hastings County is well nigh impossible.

Much excitement was created last week over the riot at Portsmouth (Kingston) penitentiary. No doubt, now that the frenzy has subsided, that it must have been more galling to the prisoners to have to clean up the mess they made — than the charges that were stated to have caused the eruption.

"Without me you can do nothing," says ex-Kaiser Bill in answer to a call for his return to throne of Germany. He is just as egotistical now as he was at the outset of the Great War. He made a sad mess of things then, and is only waiting for a chance to do it again. A bad case of "swell head" is the most dangerous affliction that could ever attack a monarch.

In his election campaigning, President Hoover of the U.S.A. says that the world expenditure on armaments is now nearly \$5,000,000,000 yearly, an increase of about 70 per cent. over that previous to the Great War. Evidently the Great War did not abolish war. It simply stimulated the production of armaments. And who pays for this vast sum for war material? Why, the people, who do not want war!

Celebrating Armistice Day

How will Armistice Day be celebrated in Stirling? As yet this paper has received no definite announcement as to whether it will be celebrated as a holiday or if only the two minutes' silence will be observed.

Considerable discussion throughout the County has surrounded the subject of the observation of Armistice Day this year. Some merchants claim that another holiday is bad for business, while others claim that Armistice Day is too solemn an occasion to be observed as a general holiday.

In our mind Armistice Day may be a dual purpose day. It can be what it is named, a Remembrance Day, and also a day of rejoicing in one. Most of us can recall the first Armistice Day and it was not a day of remembrance, it was a day of great rejoicing that the four years and three months of hostilities had at last come to an end. In later years it became a remembrance day.

We believe that the problem can be best solved in this manner. The morning could be given over to a Remembrance Day, and services could be held in the churches and at soldiers' memorials throughout the country. These services would be services of memorial to those who gave their all for the cause of liberty and peace. The afternoon could be made into an observation of the joyous occasion when the glad news of peace was flashed to every corner of the world. Armistice Day was originally a day of great rejoicing so why not make it serve the purpose, both as a memorial to those who gave their lives, and as a day of rejoicing in memory of the close of the world's greatest conflict.

As far as the business end of the matter is concerned we are of the opinion that if people want to spend money and cannot do it on Armistice Day through the closing of stores and offices this business may be just as well done the day before or the day after. We do not believe that business stands to lose or gain anything by the holiday.

interest not only in the religious life of the people, but also in their social and material welfare. You have been faithful and zealous in the discharge of your duties in the church and in the community. Your kindness and help in time of need and trouble gave cheer and strength to many. We shall miss you very much. Your Christian character and service have done us good. Since you are going to live in town we hope to see you often. We assure you that a hearty welcome awaits you whenever you return to Burnbrae.

As a slight token of our appreciation of your kind and helpful service in the Church and in the community we ask you to accept these gifts. We wish you the best of health and much happiness in your new home. Our prayer is that God may bless you both and that you may be long spared to work for Christ and the extension of his Kingdom.

Signed on behalf of friends and neighbors—Herbert Watson, George Craighead, Fred Bennett.
They were presented with a beautiful electric floor lamp, walnut finish and a Gifford solid walnut magazine cabinet. Miss Jean Craighead read the address and the presentations were made by Mrs. Alvin Pollock and Mr. Fred Bennett.

The Mission Band of St. Andrew's Church gave the following address and gift to Miss Helen Oddie:

Dear Helen,—
Soon you will be leaving us, Helen, and we have come here tonight to express our feelings of regret at your removal from our midst. During your years of sojourn among us you have proved yourself a valued friend and a faithful co-worker in all our mission work, always striving with untiring effort to obtain the best for our Mission Band. Even though we shall miss you from our circle of friends we trust that the magic web of friendship that has woven our lives together

or here will still continue with a joy that will shine forth in golden beams of sunshine from the threshold of your new home.

Now Helen we'll miss you
When from us you part,
A new venture facing
A new home to start.
So here's to the future—
May it with blessing abound,
And the friendship and love
Of all your old pals
Will go with you and
As you journey forward
On life's fiftful way
May these blessings ever
Keep your heart gay.
Sometimes you may long
For the home you have left,
Sometimes you may feel that
Of friends you are bereft.
But if you are lonely
Just whistle and sing—
For that makes the clouds bright
Just like everything.
May your pathway be joyous
As onward you go.
And the burdens you bear
Always be few.

Remember your Saviour
Be loyal and true
To Him and your Church
Whatever you do.
And may God's richest blessing
Crown your home with delight,
All these good things
We wish you tonight.

We ask you to receive this present, and as you use it may it bring back golden memories of your friends from the Willing Workers' Mission Band, Burnbrae.
Signed on behalf of the Mission Band—Edith Wallace, President; Edna Whitton, Secretary; Clara Thain.

The farmer owned fields on each side of the golf course. It so happened that he was taking a short cut from one field to another when the golf club's worst member was addressing his ball. The worst member wagged his driver to and fro several minutes, missed four swings, and finally hit the ball, knocking it about a dozen feet. Then he glanced up and saw the farmer watching him.

Worst Golfer—I say, only golfers are allowed on this course, you know.
The Farmer (nodding)—I know it. But I won't say nuthin' if you don't.

RAILWAY TRAVEL SAFER THAN AUTO

Toronto—Railway travel continues to be the safest method of getting from one point to another in Canada, according to accident statistics which have been worked out by the various transportation authorities. Canadian railways which last year carried almost three times as many people on their trains as comprise to population of the Dominion established a remarkable safety record. Only three persons out of 26,550,656 passengers were killed while passengers on a Canadian railroad, thanks to the modern equipment employed and to the eternal vigilance of Canadian railwaymen and others charged with the safe operation of trains.

According to Canadian National Railway statisticians, the odds are 8,550,185 to 1 against being killed while a passenger on a Canadian railroad train and 71,953 to 1 against being the victim of an accident which will cause injury while a passenger. As compared with railway fatalities and accidents there were 1,369 automobile accident fatalities and an estimated 25,190 automobile accident injuries in Canada during 1931.

The marked success of the railroads in reducing the number of accidental

deaths and injuries among both passengers and employees did not result from chance but systematic plans and an intensive drive made by the safety organizations of the railroads of Canada designed to bring about a reduction in all kinds of accidents on the railroads. Railway executives have come to the conclusion that safety has not only a human value, but definitely affects the drain on the financial resources of the railways.

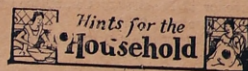

DUMPING DUTIES ON GASOLINE CANCELLED - PRICE MAY DROP

Ottawa—All the dumping duties against gasoline coming into Canada from the United States have been cancelled. Instructions went forward from the Department of National Revenue to collectors of customs on Friday, giving such instructions. It is estimated that it really means a lowering of the imports against U. S. gasoline by two cents a gallon. The tax against gasoline coming from the United States into Canada is 2½ cents a gallon but in addition a dumping duty was applied. By this method the fair market value of gasoline in various U. S. centres was fixed and the difference between that price and the actual price was added as dumping duties. It is estimated that this has averaged around two cents a gallon, varying slightly for different U. S. gasoline centres. The net result will be that importers of U. S. gasoline will be able to bring it in at two cents a gallon less and it is not unlikely that it will affect the retail prices in Canada.

THE FIRST YEAR

That the romantic troubles of young love during the first year are mostly fleeting is the dramatic thesis of the latest Janet Gaynor and Charles Farrell comedy drama, "The First Year", to be shown in Stirling Theatre tomorrow (Friday) night and Saturday matinee and night. Adapted

from the Frank Craven stage play of the same name, it presents Janet and Charles as two entirely understandable youngsters of the present day. Director William K. Howard is said to have followed closely the unique camera methods and swift-paced dramatic technique that have marked his recent successes, notably "Transatlantic" and "The Trial of Vivienne Ware." As a result of this the Gaynor-Farrell team are said to contribute the crowning performance of their careers. Miss Gaynor, as the charming, marriageable young daughter of average American parents in an average American town, is said to combine her characteristic wistfulness with a deep understanding of dramatic values. Charles Farrell is her lover again, but this time he marries her and starts an era of hilarious life. Events, taking the stars to two typical American cities in the Middle West and putting them through the usual difficulties of two young people madly in love with each other, quickly come to a climax. There is the matter of a going business given up for the sake of the young wife, a big real estate deal, a spat, a parting and a reconciliation. The adjustment of their differences is said to provide one of the most humorous episodes in Gaynor-Farrell screen history. The cast in support of the two stars is a notable one, including as it does, Minna Gombel, Lella Bennett, Dudley Digges and others.

Squab Trim

A novel way of trimming squab—truly an appetizing departure from the usual store of frills—is to use stuffed olives. That is, using the large stuffed olives by simply removing the fillings and placing the green olive caps on the bones. This also gives a tempting touch of color to the dish.

Cheese Dreams
½ pound of grated Canadian cheese
2 eggs.
Little cream if too thick.
Salt and paprika.
Rounds of buttered toast.
Method: Beat eggs light—mix well with cheese—add seasoning. Add cream if necessary. Spread on bread. Toast in hot oven. Serve immediately.

Lobster Omelette Souffle
Nice Luncheon Dish
4 tablespoons of thick white sauce.
4 eggs beaten separately.
Method: Beat eggs separately. Add yolks to white sauce. Fold in whites of eggs beaten stiff. Bake in a slow oven. Serve with lobster sauce.

Lobster Sauce
½ cups of thin white sauce seasoned with 1 cup of lobster.

BAKING HINTS
Sponge Cake Pans
With sponge cake, angel food and all cakes that depend on air—do not grease pans.

Pie Crust
Where baking powder is used in pie crust it is necessary to prick pie crust with a fork before baking.

Ham Souffle
1½ cups of milk.

1½ cups of dry bread crumbs.
4 tablespoons of melted butter.
1 cup of cooked, chopped ham.
2 egg whites beaten stiff.

Method: Scald milk. Pour hot milk over bread crumbs and let stand until soft. Add butter, ham and last of all beaten whites. Season. Bake in buttered dish or dishes 20 minutes in a moderate oven. Fill dish or dishes two thirds full. Serve hot with cream sauce.

HASTINGS COUNTY JUNIOR FARMERS WIN PROVINCIAL HONOURS AT TORONTO

During the past year some fifteen junior farmers' swine clubs, with a membership of over 150 were conducted in the Province. The members of the clubs each bought a pair of select weanling pigs. These were cared for and raised and careful records were kept. At the end of the season fairs were held and prizes awarded. The boys showing the best judgment in hog selection, from each club, went to Toronto to judge in a competition for provincial honours. Hastings clubs were represented by Ray Mallory and William Gay of Foxboro and John Thompson and Earnest Holland of Madoc. These boys did exceptionally well; first place was won by Ray Mallory and William Gay and third place by John Thompson and Earnest Holland.

The winning team will compete at the Royal Winter Fair with teams from other provinces of the Dominion.

PRESBYTERIAN YOUNG PEOPLE'S RALLY

The fourth annual rally of the Presbyterian Sunday Schools and Young Peoples' Societies of the western division of the Presbytery of Kingston, was held on Friday, October 21st, at 8 o'clock in St. Andrew's Church, Belleville. There was a good attendance of the young people from Madoc, Trenton, Pictou Stirling and other nearby places.

The meeting was in charge of Mr. George West, of Madoc, the President of the Association. The opening devotional exercises were conducted by the Stirling Y.P.S. Reports from the convenors of the various committees

were received after which the Reverend S. M. Scott, B.A., of Pictou, who is the Presbytery's convenor of this department of the church's work, addressed the gathering briefly. He stressed especially the need of having a definite objective for the year's work and called upon the stronger groups to feel a responsibility in helping to organize Young People's Societies in other places where none exist at present.

The main speaker of the evening was the Rev. Allan S. Reid, D.D., of Toronto. He reviewed some of the events of the past few years and said that, in spite of the present financial depression, there was reason for the young people to advance and not consider retrenchment. He challenged them to "Go Forward" not only in accepting the financial responsibility but especially in the matter of the Home and Foreign Missionary work, the task for which the Church was especially responsible.

The Honorary President, Rev. S. M. Scott was then requested to take charge of the meeting and conduct the nomination and election of officers for the ensuing year, which resulted as follows:

President—Mr. Vernon Weir, Belleville.

Vice-President—Mr. W. H. White, Roslin.

Secretary—Rev. W. Harold, Reid, Belleville.

Treasurer—Miss Easton, Pictou.

Convenor of Business Committee—Mr. C. V. Wilkins, Trenton.

Convenor of Missionary Committee—Mrs. H. Robbins, Stirling.

Convenor of Extension Committee—Rev. S. M. Scott, Pictou.

Convenor of Cradle Roll Committee—Mrs. A. Hammond, Stirling.

Convenor of Educational Committee—Miss May MacIntosh, Madoc.

The new officers were then installed by the Rev. Dr. Reid, of Toronto, after which the newly-elected President took charge of the meeting. An invitation was received and accepted to hold the next annual rally at Foxboro. The meeting was closed by Rev. Dr. J. A. Seymour, who pronounced the benediction.

HUNTINGDON TOWNSHIP SUNDAY SCHOOL CONVENTION

The Huntingdon Township Sunday School Convention was held at St. Andrew's Church, West Huntingdon, last Thursday afternoon and evening, with a splendid representation of ministers, officials, teachers, delegates and interested friends. Mr. Archie Jones, President, was in the chair. The chart representing the credits obtained by the various Sunday Schools was on view, and showed the high standard achieved by the Association in Centre Hastings. Rev. R. M. Patterson was the representative from the Ontario Religious Education Council and his addresses were of real benefit to all present. The reports were received from the Superintendents of the various departments of Young People's and Sunday School work. These were remarkably good, and the presentation of reports was followed by a round table conference dealing with the problems of the work. This conference was led by the Provincial Representatives and was very helpful. During the afternoon Rev. H. A. and Mrs. M. Mellow rendered a duet, which was appreciated.

Shortly before eight o'clock Rev. H. A. Mellow conducted a song service and at the hour Mr. Phillip Carr conducted worship. Mr. Jones then introduced matters of business. The report of the Resolutions Committee was given by Mrs. McCauley, Secretary of the Association, provided expression of thanks to the friends of St. Andrew's for the use of the building, to the ladies for their hospitality, to Rev. R. M. Patterson for his assistance and to Mr. A. Jones for his services during the year.

The report of the Nominating Committee was then called for and the names presented and subsequently elected were:

President—Mr. Harold Ashley.

First Vice-President—Mrs. Harry Redcliffe.

Second Vice-President—Mr. Ward Holland.

Secretary-Treasurer—Mrs. F. McCauley.

Children's Division—Mrs. J. Wallace.

Boys' Work—Mr. Arthur Wilson.

Girls' Work—Mrs. H. Emerson.

Young People's Work—Mr. A. Wood.

Adult Work—Mr. H. Wood.

Home Department—Mrs. John Clement.

Teacher Training—Mr. Phillip Carr.

Missionary Training—Mrs. John Morton.

Temperance Training—Mr. H. Burke.

The retiring President then called upon Rev. C. A. Sales, to install the newly appointed officers, and the new President, Mr. H. Ashley, took the chair. The convention much enjoyed a reading by Mrs. H. A. Mellow, also a quartette, the singers being Mrs. Mellow, soprano; Miss Fleming, contralto; Rev. R. M. Patterson, bass; and Rev. H. A. Mellow, tenor. The address by Rev. Patterson, stressing the worthwhileness of Sunday School work was listened to with much interest. Rev. H. A. Mellow conducted the closing period of worship. At the close of the convention a meeting of the Executive was held to consider the matter of holding a Standard Training School for Leadership, in the Township this fall, and it was agreed to do so.

AIR-FIELDS WORK WILL START NOVEMBER 1

Ottawa—Actual operations on the establishment of the trans-Canada chain of airfields will begin on Nov. 1, according to information given out by high officials of the National Defence Department. At present a number of survey parties are working on the sites of the proposed landing fields getting things prepared.

The department will have nothing to do with recruiting the 2,000 unemployed men who will be given jobs for the winter on these works, this matter being left to the agencies established in the various provincial centres by the Department of Labour. When the men have been recruited they will be divided into eleven units each operating within the eleven military districts of Canada.

Details of their work, camp regulations and the like will be under the district officer commanding, the whole supervised by the quarter-master general.

In addition to the establishment of the airfields, work will be done on the Citadel walls at Quebec and on the Halifax Citadel. The men will be maintained throughout the winter and will receive an allowance not exceeding 20 cents a day.

The Young People's Rally, held on Monday, Oct. 24, in the church, was a decided success. Although the attendance was somewhat small in the afternoon the meeting was a very helpful one. Mr. Forsythe, of Montreal led the discussion. The Ladies' Aid served a sumptuous supper. The Church was filled for the evening session. Rev. Mr. G. A. Williams of Toronto, and Rev. Mr. Forsythe gave inspiring addresses. The Rawdon boys' quartette, and Miss G. Dayman, of Wellmans, assisted in the program.

An outstanding event was held in the Orange Hall on Friday night when a banquet and dance was given in honor of the softball team, winners of the Rawdon and Centre Leagues Championship. Our team captured three trophies this year. After the banquet a program of speeches was given in the assembly hall. Rev. Mr. Bunt was chairman. He called upon Hon. J. R. Cooke to present the trophy donated by him to the winners of the Rawdon League. Mr. Tom Ward presented the Berger trophy, donated by Ward's Clothing Store, and the other trophy was emblematic of the championship at the Junior Farmers' picnic held at Iroquois pavilion. Geo. Williams, captain, accepted the cups on behalf of the team. Mr. Wm. Jones, Stirling, who officiated as umpire at several games in the Rawdon League, T. J. Thompson, Councillor Geo. Thompson, W. H. Glen Miller.

The River Valley Study Group of the W.M.S. held their October meeting at the home of Mrs. Frank Wannamaker on Wednesday afternoon, October 19th. There was a good attendance. Mrs. Ross Bush was in charge of the program which was held along the lines of Thanksgiving. The November meeting will be held at the home of Mrs. Sarah Rosebush.

Mr. and Mrs. Alex Bush, Adeline and Marjorie visited at the home of Mr. Arthur Burditt, Rawdon, on Sunday.

Mrs. Harry Hulin and Bobby are spending a few days at the home of Mrs. Sarah Rosebush.

MOUNT PLEASANT

Mrs. Emma Sommers is spending a few days with her daughter, Mrs. Will Johnson, Sine, who we are sorry to report is on the sick list.

Mr. and Mrs. Frank Hutchinson, Mr. and Mrs. Will Potts, Messrs Blake Sharp, John Coggins and Herbert Higgs, Misses Olive McConnell and Frances McKeown were among those who attended Burnbrae Anniversary supper last Tuesday evening.

Mount Pleasant Y.P.S. are holding their re-organization meeting on Friday evening, Oct. 28th and it is hoped a large number will be in attendance for this initial meeting.

On Sunday morning Rev. A. Poulter, of Wooler, took charge of the service here and chose as his text one of Paul's precious promises, taken from Philippians 4, 19: "But my God shall supply all your need according to His riches in Glory, by Christ Jesus." Rev. Joblin conducted anniversary services on the Wooler circuit. Next Sunday Rev. H. B. Herrington, of Thomasburg, will conduct services here in the afternoon.

Pleased to report that the party who was affected last week with a bad case of nervousness is much improved and hopes never to undergo another such experience.

Mr. Gilbert Conley and son, of Lindsay are holidaying with Mr. and Mrs. Frank Hutchinson.

Our Sunday School came low in number of points attained during the year as we do not have organized classes, although we have a large number of pupils enrolled. We heartily congratulate Bethel on their success in winning the Banner and on their high standard of work accomplished during the past year. As they have a flourishing C.G.I.T. in connection with their school they were awarded an extra bonus of five points making a total of 105.

Mount Pleasant was well represented at Salem on Friday as nineteen were in attendance: Mr. and Mrs. Jas. Shorp, Mr. and Mrs. Roy Thrasher, Mr. and Mrs. Frank Spencer, Mr. and Mrs. Frank Smith, Mr. and Mrs. John Holmes and Clifford, Mrs. Allan Bailey, Mrs. Ernest White, Mrs. Percy MacMullen, Misses Edna Thrasher, Myrtle McKeown, Maggie Guernsey, Helen Spencer and Helen Smith and Rev. Joblin represented the Circuit.

Miss Eva Chambers of Eldorado spent last week with Mr. and Mrs. John Holmes and family.

Mount Pleasant Y.P.S. was well represented at Springbrook on Monday evening at the Rally. Those attending from here were Misses Myrtle McKeown, Frances McKeown, Olive McConnell, Edna Thrasher, Marguerite White, Messrs. David Bell, John Coggins, Willie Jeffs, Clifford and Kenneth Holmes, Herbert Higgs. The quartette, Messrs Higgs, Coggins, Bell and Clifford Holmes contributed a number "The Church in the Wilderness", with Miss Edna Thrasher accompanying. Mr. Fletcher presided and the special speakers were Mr. Forsythe, of Montreal, and the Missionary, Mr. Williams.

Mr. and Mrs. John Holmes were guests of Mr. and Mrs. Bert Eggleston, Stirling, on Sunday.

For National Advantage—For Individual Benefit

Plan Now to Buy DOMINION OF CANADA BONDS 1932

On Monday, October 31, Canadians will have an opportunity to invest in a new issue of \$80,000,000 Dominion of Canada Bonds. By buying these Bonds you will accomplish two things:

1. You will obtain the soundest investment available to Canadians, secured by the resources and integrity of the Dominion.
2. You will assist in further strengthening Canada's financial position, with favourable effect upon general business.

NOTWITHSTANDING the trying conditions which have prevailed during the past three years, Canada has established an enviable record of financing. For example, among other accomplishments, the Dominion has refinanced—before maturity and at a reduced interest rate—\$640,000,000 of its public obligations, due in 1931, 1932, 1933 and 1934.

The new Dominion of Canada Bonds, which will bear 4% coupons, will be offered at a sufficient discount to provide an income

yield in line with current interest rates. Within the last few months Great Britain and other countries have arranged important financial operations. In each case, these have met with marked success, investors having quickly recognized the trend toward lower interest rates.

The success of the new Canadian loan is important. It will further demonstrate the confidence of Canadians in their own country and this confidence will be reflected in the money markets of the world.

For national advantage—and for your individual benefit—plan now to buy Dominion of Canada 4% Bonds, 1932, when they are offered next Monday

This preliminary advertisement is published by THE DEPARTMENT OF FINANCE to enable Canadian investors to make arrangements to participate in this offering.

Special News For Farmers

Made Fine Showing

The dairy cattle-judging team from O.A.C. stood second in the National Dairy Cattle Judging competition in Waterloo, Iowa, early this month. The O.A.C. team achieved first place in the judging of several breeds and captured the trophies put up by the breed association. The O.A.C. team, coached by Prof. G. E. Rathby, was first in Ayrshire judging, first in Jerseys and first in Brown Swiss. In the entire work they were just four marks behind the winning Iowa team.

Big Prizes for Barley

Out of a total barley crop of 20,000,000 bushels, Ontario grows only 1,200,000. The brews of Ontario and Quebec use 2,500,000 bushels annually and they are anxious to have more attention paid to the crop by Ontario growers. For this reason they have given \$1,000 that will be distributed in prizes for barley at the Royal Winter Fair.

In addition to a cash prize of \$500 for first place, a gold medal will be awarded. Second prize will be \$200; third, \$100; fourth, \$50, and the next six \$25 each, a total of \$1,000.

The exhibits are to consist of 100 lbs. of six-rowed barley grown in Ontario during the season of 1932 and suitable for malting. The points on which the entries will be judged include soundness, size and uniformity of kernel, and freedom from other grains, weed seed and inert matter.

Ridging in the Fall

One of the best methods of killing weeds is to ridge the land in the fall. There are men who claim that there is no benefit in the way of killing rootstalks of sow thistle and couch grass remaining in the soil after summer cultivation. Others regard ridging as supplementary to early after-harvesting cultivation in the eradication of weeds. At the Kemptville Agricultural School in Ontario ridging is considered an important tillage practice, all land ploughed early and subsequently top worked being drilled up in the early fall. Another advantage of ridging is that it aids in getting on the land a few days earlier in the spring, which is a decided gain on low or heavy land. Some clays tend to run together if left in a highly cultivated state all winter, but ridging up corrects this.

Mice Injure Orchards

One of the greatest hazards in the growing of an apple orchard is the danger of girdling by mice. This is especially true in orchards under sod culture, although even orchards under clear cultivation are frequently subject to considerable damage from this cause. The amount of damage caused by these animals varies greatly from year to year, depending largely upon their available supply of food.

Galvanized wire screen makes the most effective protection. The initial cost is high, but as it only has to be placed once and will last a large number of years, it will be found cheaper in the long run. This wire should be cut into pieces large enough to encircle the trunk, and leave room for expansion of the trunk as the tree grows. The lower end of the screen should be buried about one inch in the soil, in order to prevent mice from working underneath.

Value of Crops

Crop production in Ontario, owing chiefly to climatic conditions, was slightly below the yield of 1931, according to official statistics, but the

results are quite satisfactory. This report is noteworthy in face of the drastic decline in prices which reduced the incomes of farmers during the past two or three years. Although the gross value of the agricultural output was reduced by \$111,000,000 from the previous year, the total estimated value of farm production, \$305,624,000 was a decisive factor in sustaining purchasing power and it prevented business in Ontario from falling to levels experienced elsewhere.

A Successful Campaign

"Ontario Farm Products Week" met with general co-operation on the part of merchants and the people of towns and cities throughout the province such that it proved successful beyond the expectations of its sponsors. Its principal result will be to fasten in Ontario householders the idea of using products from Ontario farms in preference to imported foodstuffs. It is one link in the program to create keener demand for home-grown fruits, vegetables, etc., and thus enhance the prices received by farmers in Ontario. As an example of the unusual methods adopted to stimulate interest in the campaign, an essay competition was conducted among the public school pupils of Peel County on the subject "Advantages of Using Ontario Farm Products."

Cutting Hen Rations Is Unwise Retrenchment

Many Ontario egg distributors are claiming that, in spite of firmer prices it is impossible to obtain sufficient quantities of top quality eggs.

While in conversation with a member of the Ontario Marketing Board staff, T. A. Benson, Federal Government, who is senior poultry promoter for Ontario, related an experience which might possibly be the answer to the Ontario situation.

While visiting Prince Edward Island recently, at the time when the egg market was more or less demoralized, Mr. Benson attended a meeting of representative egg producers. One of this group advised his colleagues to cut down their hen's rations, giving as a reason that nothing was to be gained by producing eggs in view of prevailing depressed prices. This plan was adopted quite generally, and when a market reaction set in, the egg producers found themselves unable to take advantage of the firmer prices.

Pointing out the seriousness of this method of expense cutting, Mr. Benson said that not only is it impossible to get the hens into production again overnight, and thus be in a position to take advantage of better prices, but cutting down the rations has a decidedly bad effect on the quality of the eggs produced.

DON'T TROUBLE

Don't you trouble trouble
Till trouble troubles you.
Don't you look for trouble;
Let trouble look for you.

Don't you borrow sorrow;
You'll surely have your share.
He who dreams of sorrow
Will find that sorrow's there.

If care you've got to carry,
Wait till 'tis at the door,
For he who runs to meet it
Takes up the load before.

If minding will not mend it,
Then, better not to mind;
The best thing is to end it,
Just leave it all behind.

Then don't you trouble trouble,
Till trouble troubles you;
You'll only double trouble,
And trouble others too.

S. S. Convention Held at Minto

(By Mrs. P. MacMullen)

On Friday, October 21st, a large number of interested Sunday School workers from Rawdon Township gathered at Salem United Church for their annual convention. Representatives were there from Wellmans United, St. Paul's United, Salem United, Carmel United, Springbrook United, Bethel United, St. Mark's Anglican, St. John's Anglican, St. Thomas Anglican, St. Andrew's Presbyterian. The three Sunday schools at Mar-Mora did not send any representative to this gathering. At 2 p.m. Rev. H. A. Mellow, of Ivanhoe Circuit conducted the opening service of worship and Mrs. Ernest Sables presided at the organ. Mr. George Carlisle, 1st vice-President, occupied the chair in the absence of the President, Mr. J. F. Baker. Mr. Wm. Johnson who has been Superintendent of Salem Sunday School for the past sixteen years gave an address of welcome, and reviewed the history of Salem. The first Supt. was Mr. Stephen Badgley, and he planted three maple trees at the church, which clothed in their gorgeous mantle of varied hues were a silent tribute to his memory. Mr. Robert Johnson succeeded him and during his regime a clock was bought. Following these men came Mr. Richard Clements, Mr. Jacob Sine. Again Mr. Robert Johnson was elected, then Mr. Paul Hagerman, Mr. Ernest Sables and then the speaker. He thought it very fitting to have the convention meet at their church as they recently celebrated their sixtieth milestone of Church activities. Mr. Carlisle pleasingly replied, thanking the folks of Salem for their kind invitation. Nine of the schools out of fifteen gave splendid reports of their year's activities. The choir sang a pleasing anthem "Be A Helper." The Department Secretaries outlined their work along the different lines of work: Children's Division—Miss Kathleen McComb; Boys' Work, Rev. H. A. Bunt; Girls' Work, Mrs. B. C. Tucker; Young People, Mrs. Thos. McMullen; Adult Division, Mr. Arthur Brown; Teacher Training, Mrs. Harper Rollins; Missionary, Mrs. W. J. Sharp; Temperance, Mr. E. Sables. No report was given on the Department of Home Religion. Mrs. H. Mumby, in her statistical report of Secretary-Treasurer gave a splendid outline and from it we gathered that there are over 1200 members enrolled. Thirty-five of these linked up with the church last year. Bethel headed the list with 105 points and Wellmans and St. Paul's, Stirling, each had 100 points. During the afternoon and evening four pastors were in attendance, Revs. Mellow, Patterson, Bunt and Joblin. Eleven Sunday School Superintendents and one County officer were present. Rev. R. M. Patterson of Sunderland conducted the Round Table Conference in a very pleasing manner. He first paid tribute to Mr. and Mrs. Robert Kemp and family who removed from Salem several years ago and took up their abode at Tabernacle, Murray Township. He explained the primary object of organized classes. The Standard Chart is the framework around which to build for greater efficiency. He laid emphasis on "How much are we doing for the girls, boys, and adults of the community. The speaker gave some splendid suggestions for a workers' conference and said the Superintendent of each dept. should be well versed on her work in order to give inspirational help to others. Messrs. A. Brown, A. Barnum and G. F. Spencer were appointed as a Resolution Committee. At six o'clock the ladies of Salem served a most delicious and appetizing luncheon to the delegates and the supper hour proved to be very worthwhile. Mr. Baker presided and Rev. Patterson was in charge of the evening opening service and then the slate of officers was read and declared elected. Rev. Fred Joblin installed the new officers in a very solemn service and each officer was given a copy of the worker's manual. The new officers are: President, Mr. George Carlisle, Carmel; 1st vice-president, Mr. Gerald Craven, Stirling; 2nd vice-president, Mr. Roger Laine, Bonarlaw, R.R. 1; Secretary-Treasurer, Mrs. H. Mumby, Springbrook; assistant, Mr. J. F. Baker, Bonarlaw. The Department Superintendents were re-elected excepting the Girls' Work, and Mrs. H. A. Mellow was appointed to that office. The new president addressed the gathering and filled the chair for the balance of the session. The choir rendered an anthem, "Stand up for Jesus." Mr. Fred Hulin, of Stirling, reporting for the Library Committee said anyone in the township could use the books in Stirling Public Library placed there by the Ontario Religious Education Council by paying the sum of ten cents. He urged every member to make use of these

books. Mr. B. C. Tucker, the donor of the Banner fittingly presented it to Bethel Sunday School and hoped it would be a stimulus for doing even better work in the coming year. Mr. John Farrell, Superintendent of Bethel, received it and said he appreciated the splendid help of every member of the Sunday School, pupils, officers and teachers. Mrs. Mumby invited the "convention to meet in Springbrook in 1933 and this was accepted. Rev. and Mrs. H. A. Mellow rendered a pleasing duet and then the Resolutions were outlined by Mr. A. Brown. They consisted of appreciations to Salem for entertaining; to Rev. R. M. Patterson for his splendid help and that a Committee composed of Messrs. Baker, Tucker and Bunt be appointed to draw a new standard for attaining the banner. Rev. R. M. Patterson was the special guest speaker and paid tribute to the worthy work of the Sunday School and hoped to be able to help others to help themselves. He said we have a great tradition to maintain and we owe a great deal to the noble men and women who laid the foundation and then passed on. He chose as his subject "The Worship Period of the Sunday School", and said this is the vital element of the work. True the lessons should inspire worship, but the whole session should have a sense of divine presence while teachers are expected to put a great deal of time on the lessons, still it is absolutely necessary for every Superintendent of a Sunday School to expend energy and brain power to prepare a worship service which will benefit those in attendance. It is the task of those in office to reveal to the boys and girls that they are children of the heavenly Father and to bring to these young people a direct consciousness of their vocation to God. We must remember that prayer is the greatest force in our Church life. He advocated the use of pictures to explain reverence, and closed his wonderful address with a touching story emphasizing that with proper teaching to boys and girls they will want to share what they have with God. Mr. Baker stressed that each school send their five cents per member collection as soon as possible after Mothers' Day to Mrs. Mumby. B. C. Tucker closed this very worthwhile convention with the Mizpah Benediction.

INQUEST HELD ON 5 CHILDREN

Trenton—At the inquest of Eunice, Shirley, Gladys and Alice Wickens and George Keith Cronkright, who were drowned in the Trent River at Glen Miller on Monday last week, a coroner's jury last Wednesday night returned a verdict of "death due to drowning when the car in which they were riding crashed into the Trent River in Sidney Township, County of Hastings, from causes unknown."

Thirteen witnesses were called at the Trenton Police Court, including G. Ernest Cronkright, driver of the car; Archie Wickens, an occupant of the automobile and his brother, George Wickens, Frank Patrick and James Sheppard of Glen Miller were also called and related how they had dragged the river for the bodies of the children. Blain Young was called and stated that he was first on the scene following the accident and saw the survivors struggling in 12 feet of cold water. Dr. McQuade of Trenton gave medical evidence.

"I'll see if Ella can come"

The very day visitors were coming, Bob Emery's wife caught a bad chill. She tried to keep going, but it was obvious that she would have to go to bed.

"Now don't worry," Bob said, "Ella's only 30 miles away. I'll just get her on the telephone and see if she can't come and help us out."

A few minutes later they had Ella's cheery promise. Once more, in an emergency, Long Distance had proved quick, dependable — and surprisingly inexpensive.

General News of Interest

It is reported that cattle can be bought very cheap in the northern part of Hastings County at the present time. Lack of rain there has caused a scarcity of hay and farmers have nothing to keep their stock over the winter and must sell. Gullies have dried up and pasturage is poor. Good stock can be had at \$10 a head.

Peterboro—George B. Nichols, ex-Warden of the County of Peterborough and prominent farmer and rancher, died at his residence, 205 Brock street, early Sunday morning, in his 62nd year.

Bancroft—Making a quick turn in his yacht on Paudash Lake endeavoring to shoot a duck, Mr. G. W. Jones, slipped and fell across the side of the craft fracturing two ribs. As a result of the mishap he will be confined to the house for a few days.

Kinston—Persistent reports couple the name of Tim Buck, former leader of the Communist party in Canada, with the recent riot in the Portsmouth Penitentiary. According to these reports, Buck and a prisoner named Croft incited the prisoners to disturbance with fiery speeches.

Kitchener—Charles M. Bowman, Chairman of the Board of Directors of the Mutual Life Assurance Company of Canada, died here on Monday following a heart seizure Saturday. He was 69 years old and is survived by his widow, one son and two daughters.

Tweed News—Miss Enid Connor, a pupil of Tweed Consolidated School, obtained the highest marks at the Entrance Examination in Centre Hastings last June. Miss Connor will receive the medal donated by the Warden of Hastings County. This medal will be presented at the December session of the County Council.

Kinston—William Clifford Clark, director of courses in Commerce and Administration, Queen's, has been appointed Deputy Minister of Finance. Official announcement to this effect was made early Monday morning by Prime Minister R. B. Bennett. The new appointee succeeds the late J. C. Saunders. Mr. Saunders died in Ottawa two and one-half years ago.

Foxboro—Betty Elizabeth Lowe, six-year-old daughter of Mr. and Mrs. Jas. D. Lowe, passed away at her parents' home Saturday afternoon last, from an attack of diphtheria. The funeral was held Sunday morning to the Belleville cemetery where the Rev. Mr. Mutton conducted the committal service. A memorial service will be held in Foxboro United Church at a later date.

Campbellford—Fire which broke out about eight o'clock Sunday evening totally destroyed a frame house on the outskirts of Campbellford, the residence of Mr. and Mrs. Jack Parsons. Only a few personal effects were saved. Although the local fire department immediately responded to the alarm, the flames spread with such rapidity that it was impossible to save the building. The origin of the fire is thought to have been an overheated stove pipe.

The Women's Institute convention, (Belleville Area) will be held in St. Thomas' Parish Hall, Belleville, Nov. 10 and 11. Among those who will speak from Northumberland are: Mrs. J. Deviney, Vernonville; Mrs. F. J. McArthur and Mrs. H. L. Wicks, Cobourg; Mrs. James Black, Warkworth; Mrs. Howard Clark, Campbellford; and Miss E. Post, Brighton. Miss Mulholland, of Grafton, will give a report on "Legislation" on the second day of the convention.

Bonarlaw—Mr. and Mrs. John Leonard of Tiffin, north of here, spent the evening with friends in Marumora last Thursday night, and returned to find their farm home and its contents destroyed by fire. The flames when first noticed by neighbors had gained such headway that in spite of all efforts the large frame house was a total loss. Other farm buildings, including a new barn were endangered but were saved. The cause of the fire is unknown.

Deseronto—W. J. Bowen, Mayor of Deseronto, died very suddenly last Thursday. With Mrs. Bowen he was driving to their summer home at West-lamackoon when he collapsed and died in the car. Mrs. Bowen applied the brakes in time to prevent the car going into the ditch. Mayor Bowen's death came as a great surprise. He had attended a meeting of the Utilities Commission the day before his death. It was his first term as Mayor.

Tweed—Leo Kouri, Syrian of this village, was sentenced to serve three months determinate and a further sentence of one year indeterminate in the Ontario Reformatory after being found guilty of a charge of obtaining credit under false pretences in the county court held before His

Honour Judge Deroche, Belleville, on Friday afternoon. Kouri, who operated a general store in Tweed, was arrested some two months ago, following information which led to the charge, and he appeared in police court some time later, electing trial by Judge.

Campbellford—The following is the report of cheese graded at the Campbellford station on Friday last registered by factories: Brickley 20, Victoria 15, Burnley 24, Spring Valley 15, Beaver 34, Trent Valley 64, Brae 20, Prince of Wales 32, New Model 32, Warkworth 87, Seymour West 23, Kimberley 44, I.X.L. 31, Woodland 22, Rosemeath 50, Trent Bridge 43, Stanwood 29, Crow Bay 33, Empire 48, Norham 32, Minie 46, Morganston 45—a total of 788 boxes of cheese graded as compared with the same period last season, which registered 623 boxes.

Just as threshing operations were being completed on the farm of John Lewis, Herschel Township, North Hastings, a fire thought to have been caused by a spark from the friction of the machine or from some substance which may have been in the clean-up around the separator, destroyed his large frame barn, the season's hay and grain crop and the separator. So quickly did the flames spread the workmen had to make a hurried exit from the raging inferno. As well as the loss of the barn about five hundred bushels of threshed grain, is also a total loss. Mr. Vardy, who was threshing when the fire broke out, did not have time to get his separator out. This was also destroyed together with a set of harness. Neither parties carried insurance.

SUSPENDED SENTENCE FOR FRANKFORD MAN

Belleville—Harold Rogers, of Frankford, pleaded guilty in police court here last Friday to a charge that he failed to provide necessary medical attention for his three-year-old son, Harold Jr. Rogers was given a suspended sentence and fined the costs of the court. The boy suffered a broken leg while playing last week and the doctor refused permission for a doctor to enter his home owing to religious beliefs. Provincial Police were called in and the child taken to a hospital 48 hours after the accident.

CHILDREN ARE THROWN ON ROAD

Burnbrae—What might have been a very serious accident occurred on Tuesday evening, last week, in the Burnbrae district of Seymour township when two children, a two-year-old girl and a two months old baby were thrown from a buggy after the horse had shied at a passing car and taken to the ditch where the buggy was practically wrecked before the animal could be got under control. The children belonged to Mr. and Mrs. Albert Hay and were in the buggy with their parents, the father driving with the baby on his knee, when a passing car frightened the horse. Hay's attention was rivetted on the animal in an attempt to get under control and in the melee the baby fell from the vehicle, the little girl also being thrown to the road. The children however seemed to have suffered no serious injury. Mrs. N. A. MacColl, of Campbellford, who was returning from Burnbrae fowl supper, was immediately behind the buggy and picked the baby up from the road later driving the mother and two children home. The Hay family reside in Seymour township.

THREE REASONS GIVEN FOR "PEN" RIOT

Kinston—Three grievances are listed by officials as origins of the smouldering resentment among prisoners at Portsmouth Penitentiary, which flared into open rebellion last week. These are:

- (1) Refusal of prison officers to issue cigarette papers with the regular tobacco rations.
- (2) Lack of daily newspapers for use of the prisoners.
- (3) Dissatisfaction at insufficient hours of recreation in the penitentiary workshops.

Prisoners released recently, however, have brought forth a long list of complaints which they charge have long caused bitter feelings. These include charges of poor food rations, anger at treatment accorded "preferred class" prisoners in the penitentiary adjunct at Collins' Bay and, according to one prisoner just out after a year and a half, the non-fulfillment of a rumor among the inmates that on Sept. 15 a one-third reduction in sentences was to have been announced. A thorough investigation is being made into the riot.

game for the Red, Black and Gold.

The Stirling pigskin chasers have shown great improvement and in Tuesday's game had the fighting spirit of a winning team, but the breaks were against them. The game was clean throughout, although high tackling was quite prominent at times. Marmora has a snappy aggregation and the players are heavier than the locals.

Stirling made the first tally when Holmes kicked to the dead-line for one point shortly after the first period started. In the second period, Marmora came back strong and scored two touchdowns, one after a Stirling fumble, this one was converted. The score at half time was 11 to 1.

Even with the handicap facing them the Stirling students displayed anything but discouragement and a few minutes after the third quarter opened pushed the Marmora squad over the line for a safety touch of two points. For the rest of the period they had the home team baffled. In the final quarter Joblin, on a heady play, made a thirty-yard gain to score a touchdown, but it was not converted. Marmora began to pep up and worked the ball into Stirling territory far enough to enable a kick to the dead line for another point. Three minutes before time ended Stirling had worked the ball into "scoring" position. Bateman had just made a fifteen yard run, bringing the ball to Marmora's five-yard line when the whistle ended the game. Another two minutes may have changed the result of the game as Stirling was in splendid position to score a touch.

It was anybody's game until the last as both teams were evenly matched. Callery, Shannon, O'Neill and Hewitt were outstanding for the home team, while Joblin, Bateman, Munro and Mathison were in the limelight for the visitors. Fox has proven himself an effective "bucker", and Holmes outbooted the Marmora kicker. Every Stirling player could be termed a star. Little Johnny Munro was in on every play, proved a "big" factor in stopping the opponents' advances. Stirling was without two of its regulars, Gould and Morrow, which made a difference in the smooth working plays.

The lineups were:

Marmora—Snap, A. Paquet; Inside left, C. Hollingsworth; Inside right, J. Hickey; right middle, F. Woodhouse; right middle, G. Stewart; right end, V. Callery; left end, T. Shannon; right half, H. Hewitt; left half, J. O'Neill; centre half, F. Callery; flying wing, Bill Quinn; quarter, P. Gray; subs., S. Smith, D. Neal, J. Linn.

Stirling—Snap, K. Stapley; right inside, G. Duffin; left inside, Orval Maxwell; right middle, C. Holmes; left middle, Colin Fox; right end, G. Brooks; left end, F. Beckett; flying wing, Aubrey Rogers; quarter, J. Munro; left half, Reg. Matheson; right half, F. Joblin; centre half, L. Bateman; Subs., Wm. Sutherland, Frederick, D. Rodgers, Gerald Sprentall, Smith.

MADOC MAN DIES WHILE DRIVING CAR

George F. Maybee, proprietor of a jewelry store at Madoc and Canadian National and Canadian Pacific Telegraph agent there, expired suddenly while driving his car about four miles east of Actinolite, late Sunday afternoon. Accompanied by his wife, Mr. Maybee had visited during the day at Plinton and they were returning to their home at Madoc, when at the point mentioned above, Mr. Maybee, who was driving at the time, fell over on his wife's shoulder. The car left the road and plunged across the ditch at the side of it and was brought to a stop while careening up the opposite bank by Mrs. Maybee's presence of mind in applying the brakes and averting a serious accident. Mr. Maybee must have expired within a second or so. Mrs. Maybee was alone with the dead man for some time as the nearest phone was five miles away. Finally two motorists came along and they phoned the news to Madoc from Actinolite. Dr. Eagleson, coroner, and the deceased's son, Geo. M. Maybee, hurried to the scene. The coroner, after looking over the place of accident, and inquiry, decided an inquest unnecessary.

The late George F. Maybee was born in Madoc 45 years ago and had resided in that village all his life; he was the son of Mrs. Maybee and the late Marshall Maybee. For a number of years he conducted a jewelry business there and had won the utmost respect of the community. He was a member of the Madoc United Church and one of its Official Board, and a Mason, having belonged to Madoc Lodge, A.F. and A.M. The widow, mother and son survive.

RAILWAYS PROPOSED TO CUT OFF SHORT LINES

A scheme which would involve the abandonment of thousands of miles of track was submitted to the Duff Railway Commission by the C.P.R. and the C.N.R., and in each case an alternative was proposed.

Among the lines were many short lines in all parts of the Dominion. The details of these are not disclosed. A great many considerations have to be taken into account in any suggestion of abandonment, Canadian National officials argued, citing among others the cost of alternative highway transportation, the cost of compensation to industries and settlers the natural resources of the abandoned line.

Both systems agree, however, that some duplication of parallel lines and some grouping of through business would be of distinct advantage to the railway systems.

Of the 42,075 miles of railway in Canada, no less than 17,658, it is pointed out, come within the class considered as uneconomic—that is carrying less than 250,000 net ton miles per mile of road annually.

The "Uneconomic" railway lines in Canada are indicated by a graph attached to the report. Any abandoned lines would be chosen from this list, which includes, in Ontario, the following:

Canadian National: Whitby Junction north to Cobocook.

Canadian National branch line, Sutton, south to the junction of the Lindsay-Scarboro line.

Canadian Pacific line, Bobcaygeon to Lindsay to Agincourt.

Canadian National, Meaford to Collingwood and branches to Beeton, also to Penetang and Port McNicoll.

Canadian National, Hamilton to Port Dover.

Canadian Pacific, Hamilton to Guelph Junction.

Canadian Pacific, Bolton to Elora.

Canadian Pacific, Guelph to Brantford.

Canadian National, Port Hope to Omeme Junction and Lakefield.

Canadian Pacific, Brantford to Simcoe.

RIVER VALLEY W. I.

A large attendance of the River Valley Women's Institute and a number of visitors were entertained by Mrs. P. Utman at her home for their October meeting, which was opened by the President, Mrs. Norman Rosebush, with the usual routine, all joining heartily in the singing of the "Opening Ode" and reverently repeating the Lord's Prayer. The minutes of the previous meeting were read and adopted and some items of business discussed. There was a good response to the roll call of "School day recollections and impressions left of first teacher" Mrs. Earl Morrow and Mrs. J. Sager, Dist. Convenors of Agriculture and Education respectively, provided an interesting and beneficial program, based chiefly on those subjects, Mrs. Morrow conducting same. Mrs. Jos. Wilson, of Stirling, who very kindly consented to address the meeting on Horticulture, gave an interesting address on vegetables and flowers, giving causes which often retard their growth, and a list of preventative to be used in these cases.

Flower seeds which the members were requested to bring for exchange were then distributed. Mrs. Wilson also gave several examples of candy making, introducing fruits of various kinds, samples of which were handed around. She concluded with an exhibition of useful and inexpensive articles suitable for Christmas gifts, outlining the work of each article. A hearty vote of thanks was tendered her on leaving for her splendid address and other items of interest.

Miss Gladys Rosebush then rendered some delightful music on the piano. An instructive reading on Agriculture "Why I stick on the Farm" was descriptively given by Mrs. Sager, enlarging on the many advantages of farm life, even in the present time of depression. Mrs. Chard followed with a pianoforte solo "Salut d'Amour", by Elgar. A graphic account of the life, and regretted recent death, of Sir Gilbert Parker, a personality of whom Canada is justly proud, was ably given by Mrs. Earl Morrow. She closed by quoting Longfellow, "Lives of great men all remind us."

Miss Dorothy Utman next played a pleasing selection on the piano. Another feature which was both educative and profitable to the farm wives was papers on "Poultry" which were very capably prepared and read by three Institute members, viz Mrs. A. Bush, who dealt with "Incubation", Miss Flossie Rosebush, Care and Feeding of Chicks; and Mrs. W. Hanna on "Culling and Marketing". If suggestions were carried out as expressed in these excellent papers, the situation would be healthier chicks and a heavier pocketbook. The hostess then liberally served grapes and candy and the National Anthem closed a profitable meeting. The next meeting will be held at the home of Mrs. F. Wannamaker on Nov. 3rd. The program will be in charge of Mrs. Alec Bush and Miss Gladys Rosebush on the line of Home Economics.

Legion Rally and Banquet

(Continued from Page One)

Community singing led by Bob Patterson helped to bring out the musical ability of those present, and by the enthusiasm shown in the singing of the old songs, many of which were overseas favourites, the assembly thoroughly enjoyed the song periods.

Rev. E. W. Rowland, Chaplain of Stirling Branch, was then asked to

propose the toast to the Village. In his opening remarks Mr. Rowland expressed his gratitude for being able to mingle with such a body of men. "At all times," he said "it gives me the greatest of pleasure to be of any assistance to such a fine group of men as those connected with the Canadian Legion." Stirling, the well and favourably known village which lies in a scenic valley, surrounded by the beauty of the magnificent Oak hills, at the present dressed in the many-hued garb of Nature, was a village that anyone could be justly proud of. It's community enterprises are worthwhile. Its roads, buildings, and above all its community spirit, are not equalled in the Province or any place of its size. The citizens are progressive. Each member of the community has a responsibility, and upon the Legion, in particular is thrown, perhaps, an even greater responsibility. To them is given the task of upholding and exemplifying the deeds of bravery of their fallen comrades—upon them is thrust the duty of leaving behind a tradition that may be handed down to generations yet unborn. Such a body of men is surely worthy of universal support.

Reeve W. C. West, in responding to the toast to the Village, expressed his pleasure at being invited to be present on such a notable occasion. He welcomed each member and visitor, and also expressed great hopes for the future welfare of the Legion. Cde Houchin was then called upon for a Mandolin solo and song and responded to an encore.

Cde F. T. Hulin proposed a toast to the visitors. In his remarks he welcomed the visitors to Stirling in the spirit of Brotherhood. As they had stood together in past years, he hoped those fortunate enough to return from the fields of conflict might still stand together as one large family.

"For They are Jolly Good Fellows" was heartily sung by the members of the local Branch.

Zone Secretary Connor stated that ten months ago he had had the pleasure of coming to Stirling to help in the organization work. At that time only a few had been interested in the work, but a look at the membership list would show anyone that the Legion was becoming more popular and enthusiasm growing.

Cde Bird, in his remarks stated that to be associated with a gathering of men such as those present on this memorable occasion, was indeed a pleasure. He congratulated those in charge on the mastery way in which the event had been handled, as there had been no sign of confusion in any way.

Cde Jack Butler proposed the toast to the Ladies and welcomed all those present.

Cde Walt, in his remarks stated that the members had a great duty to perform in the making of the activities of the Legion worthwhile. He expressed the feeling of the entire local branch, that the company and fellowship of the visiting members had been thoroughly enjoyed.

President Dainard, who had so ably acted as Chairman, in his closing remarks, expressed the hope that this would not be the last time that the local Legion would have the pleasure of welcoming this group of visitors. He was grateful for the co-operation the officers had received.

Just previous to the closing a hearty vote of thanks was tendered to the orchestra. Mr. Chas. Allen presided at the piano during the community singing and assisted the orchestra.

The singing of Auld Lang Syne brought the program to a close, and the joining of hands seemed to bind all those present in a spirit of goodwill and fellowship. Truly it was a fine program. Those taking part in the program had left behind them many helpful suggestions, each address teeming with the spirit of unity and friendship. There is no doubt that upon leaving the banquet hall each man was possessed of a feeling that "It was good to be here."
